

Roger Federer

Christopher Clarey

The Master Christopher Clarey, 2021-08-24 This New York Times bestselling biography tells the life story of the most iconic men's tennis player of the modern era. There have been other biographies of Roger Federer, but never one with this kind of access to the man himself, his support team, and the most prominent figures in the game, including such rivals as Rafael Nadal, Novak Djokovic, and Andy Roddick. In *The Master*, New York Times correspondent Christopher Clarey sits down with Federer and those closest to him to tell the story of the greatest player in men's tennis. Roger Federer has often made it look astonishingly easy through the decades: carving backhands, gliding to forehands, leaping for overheads and, in his most gravity-defying act, remaining high on a pedestal in a world of sports rightfully flooded with cynicism. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. Christopher Clarey, one of the top international sportswriters working today, has covered Federer since the beginning of his professional career. He was in Paris on the Suzanne Lenglen

Court for Federer's first Grand Slam match and has interviewed him exclusively more than any other journalist since his rise to prominence. Here, Clarey focuses on the pivotal people, places, and moments in Federer's long and rich career: reporting from South Africa, South America, the Middle East, four Grand Slam tournaments, and Federer's native Switzerland. It has been a journey like no other player's, rife with victories and a few crushing defeats, one that has redefined enduring excellence and made Federer a sentimental favorite worldwide. The Master tells the story of Federer's life and career on both an intimate and grand scale, in a way no one else could possibly do.

Roger Federer Peter Bodo, 2012-06-30 Well-known sports journalist and writer of the #1 tennis blog on the web, TennisWorld, Peter Bodo's newest eBook is devoted to the player who holds six Wimbledon titles and countless others, Olympic gold medalist Roger Federer. With his unique insights into The Mighty Fed's playing style, greatest rivalries, stunning winning streak (and possible decline), and even his fashion choices, Bodo chronicles the golden middle period of Federer's career, 2006-2009. Including interviews with Federer himself, this book provides a quick-paced, passionate look at tennis's greatest superstar.

The Roger Federer Story Rene Stauffer, 2007 Regarded by many as the greatest tennis player in the history of the sport, this authoritative biography is based on many exclusive interviews with Federer and his family as well as the author's experience covering the international tennis circuit for many years. Completely comprehensive, it provides an informed account of the Swiss tennis star from his early days as a temperamental player on the junior circuit, through his early professional career, to his winning major tennis tournaments, including the U.S. Open and Wimbledon. Readers will appreciate the anecdotes about his early years, revel in the insider's view of the professional tennis circuit, and be inspired by this champion's rise to the top of his game.

Roger Federer and Rafael Nadal Sebastián Fest, 2018-07-10

Since 2004, two names have dominated men's tennis: Rafael Nadal and Roger Federer. Each player is legendary in his own right. The Spanish Nadal is the winner of sixteen Grand Slam titles, including five consecutive French Open singles titles from 2010-2014, and is the only player ever to win a Grand Slam for ten straight years. Federer, from Switzerland, has spent over three hundred weeks of his career ranked as the number-one player in the world and has won twenty Grand Slam titles and two Olympic

medals. But neither player's career would have been nearly as successful without the decade-long rivalry that pushed them to rise to the peak of tennis excellence. Nadal and Federer have met thirty-eight times over the course of their careers, and have shared the distinction of being ranked the two best players in the world for an astounding six years in a row from 2005-2009. In *Roger Federer and Rafael Nadal*, international sports journalist Sebastian Fest uses information gleaned from his numerous interviews with both players over the last decade to narrate the rivalry, and its impact not only on the players, but on the sport itself. Documenting their respective wins and losses, hopes and disappointments, and relationships with their rivals, Fest formulates a unique biography of two of the greatest players of tennis. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While

not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Roger Federer Jason Glaser,2011-08-01 Looks at the life and career accomplishments of the formerly top-ranked professional tennis player.

Roger Federer René Stauffer,2024-01-04 René Stauffer has been closely covering Roger Federer's career for nearly 25 years. In this comprehensive biography, Stauffer talks at length to the man himself, his family, friends, coaches and rivals to paint an unrivalled picture of the greatest male tennis player of all time. From his early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his 20th Grand Slam victory and all points in between, Stauffer reveals the secrets to Federer's success, the hardships and doubts that he has faced and examines the legacy that Federer has created in the modern game.

Fedegraphica: A Graphic Biography of the Genius of Roger Federer Mark Hodgkinson,2018-05-24 FEDERER is almost universally recognised as the greatest tennis player of all time; he might also be the greatest athlete. Adored around the world,

Federer has become one of sport's most iconic and popular figures. In this innovative graphic biography, Federer's genius is explored and celebrated like never before, with beautiful infographics looking at his serving patterns, the speed of his shots, the spin he generates, his movement, as well as his performance in high-pressure situations such as tiebreaks and Grand Slam finals. Federer's astonishing records - no man has won more majors, or spent more weeks as the world number one - are also showcased against his rivals and the legends of the game. Drawing on his conversations with Federer, as well as exclusive interviews with those close to the Swiss, Mark Hodgkinson tells the story of how a young hothead from Basel transformed himself into a calm and poised athlete who came to dominate tennis. And who, while deep in his thirties, has continued to seek improvements, to challenge men many years younger than him and to contend for the sport's biggest prizes. The infographics, stunning photography and insight and analysis - from Federer's rivals, idols, coaches and members of his inner circle - will give you a new appreciation of his greatness and how his tennis has moved so many people.

Roger Federer: The Greatest Chris Bowers, 2011-05-02 Roger Federer is a legend not only in the world of tennis but also in the

wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland; and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as, following a serious illness and a dip in form, his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.

The Last Days of Roger Federer Geoff Dyer, 2022-05-03 One of

Esquire's best books of spring 2022 An extended meditation on late style and last works from one of our greatest living critics (Kathryn Schulz, New York). When artists and athletes age, what happens to their work? Does it ripen or rot? Achieve a new serenity or succumb to an escalating torment? As our bodies decay, how do we keep on? In this beguiling meditation, Geoff Dyer sets his own encounter with late middle age against the last days and last works of writers, painters, footballers, musicians, and tennis stars who've mattered to him throughout his life. With a playful charm and penetrating intelligence, he recounts Friedrich Nietzsche's breakdown in Turin, Bob Dylan's reinventions of old songs, J. M. W. Turner's paintings of abstracted light, John Coltrane's cosmic melodies, Bjorn Borg's defeats, and Beethoven's final quartets—and considers the intensifications and modifications of experience that come when an ending is within sight. Throughout, he stresses the accomplishments of uncouth geniuses who defied convention, and went on doing so even when their beautiful youths were over. Ranging from Burning Man and the Doors to the nineteenth-century Alps and back, Dyer's book on last things is also a book about how to go on living with art and beauty—and on the entrancing effect and sudden illumination that

an Art Pepper solo or Annie Dillard reflection can engender in even the most jaded and ironic sensibilities. Praised by Steve Martin for his “hilarious tics” and by Tom Bissell as “perhaps the most bafflingly great prose writer at work in the English language today,” Dyer has now blended criticism, memoir, and humorous banter of the most serious kind into something entirely new. *The Last Days of Roger Federer* is a summation of Dyer’s passions, and the perfect introduction to his sly and joyous work.

The Roger Federer Effect Simon Cambers, Simon Graf, 2022-10-31 *The Roger Federer Effect* tells the story of the world's most famous tennis player in a fresh, innovative way - through the eyes of his friends, rivals, coaches, fans and many others who have been drawn to him as he blazed a trail and transcended the sport. In a glorious career spanning more than two decades, Federer won 20 Grand Slam titles - including eight at Wimbledon - and more than 100 tournaments worldwide, taking the game to a new level and becoming the most popular player the sport has ever seen. As he enters retirement, more than 40 personalities from inside and outside tennis reveal the special place Federer holds in their lives. Through exclusive interviews, they explain the Roger Federer phenomenon. As much as his

deeds are important, it is also the intimate details that really make a person who they are. The Roger Federer Effect reveals them in fascinating and often previously untold anecdotes

Roger Federer A Short Unauthorized Biography Fame Life Bios,2022-02-18 Roger Federer: A Short Unauthorized Biography is a short unauthorized biography produced from electronic resources researched that includes significant events and career milestones. Roger Federer as an Athlete J.D. Rockefeller,2016-04-20 He is recognized as the greatest tennis player of all time. An all-around, all-court player known for his exemplary fluid style in tennis play,

with incredible speed and extraordinary shot making, his versatility in the court is simply one of a kind. He is also one of few highest-paid athletes, making around 40-50 million euros annually.

Generally speaking, he is one of the few extremely successful athletes, specifically in the tennis field. But the greatest thing about him is his big heart. He's a monster in the tennis court but an angel in the real world. He never kept his achievements and wealth for himself, rather, he chose to share it to the less fortunate fellow men. He is a genuine man who is always willing to extend a helping hand, and that makes him a true champion not just in the realm of sport but in the hearts of people whom he helped and who witnessed his greatness. Yes, we're talking about Roger Federer here. Many people out there may perhaps ponder how this mega successful athlete achieved their success or probably wonder what they've gone through in their journey or simply wish to follow their path. These same questions are what drive this book. This book is written for both tennis enthusiast, Federer fanatics, and even random individuals who wish to know all about Roger Federer- his life, achievements, obstacles he faced, his contribution to the world and learn something important from him, something which can help or guide them on their journey towards

their achievement.

Roger Federer: a Biography of the Tennis Legend Benjamin Southerland, 2015-12-24 Learn about the inspirational story of Roger Federer In *Roger Federer: A Biography of the Tennis Legend* you will learn about the life, professional career, and accomplishments of Roger Federer. In this biography you will read about Roger Federer's incredible life story. Federer is arguably the greatest tennis player of all time, having won 17 Grand Slam titles, more than any other tennis player. He has been a force in the tennis world for the past ten years, and has had legendary matches against rivals, such as Nadal, Djokovic, and Murray. Federer began his tennis career in Switzerland, where he was very successful as a junior player. He rose through the ranks, and gained international recognition after winning his first Wimbledon title in 2003. Since then, he has won with grace on the world stage. In addition to tennis, Federer has been part of many large marketing campaigns and philanthropy events. Read this biography to gain insight on the career, rivalries, and personal life of this tennis great. Here is a preview of this biography: *An Introduction to the Legacy of Roger Federer* *Discovering a First Love in Tennis* *Early Career and Establishment as a Title Contender* *International*

Super-Stardom, Rivalries, and the Ascent of a Tennis Icon At Home: The Personal Life of Roger Federer Making a Tremendous Impact: Roger's Emotional Connection with Philanthropy Federer's Tennis Legacy Here is an excerpt from the book: Roger Federer, the Swiss-born tennis legend, has become one of the most well-rounded and professionally accomplished humans in the history of sport. As a whole, the sporting world watches closely as talented athletes vie for victory on a public platform and engage in competitive battle for all to admire. Federer embodied the spirit of the alpha-dog, just as fellow alphas like Tiger Woods and Michael Jordan similarly have. Not a single part of Federer's career is underwhelming or anti-climactic. From the tumultuous rivalries to utter domination of his sport, Federer lives up to the designation so many professional athletes chase but never quite achieve: Legend.

Roger Federer Anne K. Brown, 2011-11-14 Admired for his perfect form, style, and finesse, tennis star Roger Federer has been ranked as the number one player in the world, and is arguably the greatest player in the history of tennis. He holds the record for the most wins in Grand Slam tournaments and has spent the most consecutive weeks as the number-one ranked player in professional tennis. This volume charts Federer's rise to fame, from

his early start as an impulsive but talented youth to the tournament wins that established him as a world-class athlete. The author also explains how Federer earned a reputation as a fair player, a polite and considerate sports hero, and a humanitarian.

Master – Roger Federer Christopher Clarey, 2021-09-22 Roger Federer, si no el mejor jugador de esta era dorada del tenis masculino sin duda el que ha tenido un mayor impacto deportivo y mediático, está en el ocaso de su histórica carrera. A lo largo de estos años, ha cautivado a las audiencias por su gracia, tanto literal como figurativa, en la cancha, y por su inquebrantable simpatía en tiempos de escepticismo y negatividad. Pero detrás de esta elegante figura deportiva hay un ser humano con sus demonios y sus defectos, y ningún periodista lo conoce mejor ni está tan bien preparado para escribir este relato íntimo como Christopher Clarey, encargado de su cobertura en The New York Times y The International Herald Tribune durante más de dos décadas.

Roger Federer Christopher Jackson, 2020-07-10 Bestseller Chris Jackson has written a thoughtful and brilliant study of Federer as a man, player, and aesthetic and moral figure of our times. It outplays even Foster Wallace's magisterial writing on this

greatest of all tennis champions. Here is the one of the most profound, insightful and elegant books ever written about sports.

Roger Federer René Stauffer, 2010 I'd like to be in his shoes for one day to know what it feels like to play that way.---Mats Wilander --Book Jacket.

Roger Federer Simon Graf, 2019 A collection of 16 thematically arranged pieces presenting the author's 20-year-long observations, interviews on and insights into the life, career and professional achievements of Swiss-born tennis player Roger Federer.

Roger Federer: the Inspiring Story of One of Tennis' Greatest Legends Clayton Geoffreys, 2017-03-12 Learn the Inspiring Story of One of Tennis' Greatest Legends, Roger Federer! Read on your PC, Mac, smartphone, tablet or Kindle device. This holiday season, if you buy the print edition as a gift, you can keep the Kindle edition for yourself! In **Roger Federer: The Inspiring Story of One of Tennis' Greatest Legends**, you will learn the inspirational story of one of tennis' premier players, Roger Federer. Few players have dominated the game of tennis as much as Federer. As of early 2017, Federer holds eighteen Grand Slam singles titles, the most in history for a male tennis player. When Federer ultimately retires, he will easily go down as one of the greatest to ever play the

game. Federer has demonstrated not only what it means to be a champion, but how to carry oneself as a champion on and off the court. In this unauthorized biography, we'll explore Federer's journey to becoming one of the all-time greats, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career First Major Title 2003 Wimbledon Rise to Number 1 and Dominance Federer's Rivals Federer's Personal Life Roger Federer's Impact The Legacy of Roger Federer An excerpt from the book: There are four things for which Switzerland is globally renowned: Chocolate, precision timepieces, neutrality, and Roger Federer. The last allows the Swiss people to blissfully ignore the third when it comes to discussing where the superstar tennis player ranks in the sport's pantheon. Federer has enjoyed a playing career that is at the sunset of a second decade, and his recent recovery from knee surgery and Renaissance to win the Australian Open in January 2017 shows that the Swiss maestro still has something left in his bag of tricks, even at age 35. His 18 Grand Slam singles titles are the most of any player in the Open Era. That number is more impressive considering that his career intersected the sport's history at a time where Rafael Nadal and

Novak Djokovic tied for second and fourth place in that category with 14 and 12, respectively. These three players have had a stranglehold on major titles for nearly a generation, winning the Australian Open, French Open, Wimbledon, and the U.S. Open a combined 44 times dating to Federer's first Wimbledon crown in summer of 2003. But it is the elegant Federer who currently stands above the gritty Nadal and the jack-of-all-surfaces Djokovic, due in large part to his metronome-like consistency at an elite level for more than a decade. On the path to becoming arguably the greatest of all time in his sport, Federer's rise was one seen in the distance, starting with his play in juniors. He had to mature from petulant teenager to talented and promising young player on the ATP Tour. Federer then had to absorb match and life lessons from his peers to become a better player. And since the summer following his first victory at the all-England club, Federer's place in tennis lore has come by way of reaction and evolution. He has honed his already finely tuned all-around game and enhanced it with strategy. That often kept him one step ahead of the chasing pack, though now in the autumn of his playing days, it is helping him try to emerge from it.
