Robin Kaye

*Romeo* Elise Title, 2011-04-13 *Romeo*. It was the courtship every woman dreamed of. It was the seduction no woman survived. *Romeo*. His victims were the city's most invulnerable women--professional, beautiful, smart. They eagerly embraced *Romeo*'s darkest fantasies. ...They just didn't expect to die. *Romeo*. A novel you will NEVER forget.

**A Wolf Called Romeo** Nick Jans, 2014 An award-winning writer and photographer tells the extraordinary story of a lone black wolf who, showing up on his doorstep, returned again and again to interact with the people and dogs of Juneau, giving humans a rare chance to understand it a little more. 40,000 first printing.

**Not My Romeo** Ilsa Madden-Mills, 2020-08-18 It starts with a lie on Valentine's Day. Elena's blind date isn't the studious guy she expected: he's a drop-dead gorgeous player with sinful amber eyes. She blames the gin and tonic for ending up at his penthouse. The next day she learns he's Jack Hawke, a bad-boy professional quarterback with a murky past. The NDA he has her sign should be a warning that he isn't a regular person. She signs as Juliet Capulet so goodbye, famous football player with abs of steel, and good luck tracking down this small-town librarian. When Jack waltzes into Elena's community theater, he wins the part of *Romeo* to her Juliet. Is Jack her real *Romeo*-- or will this gorgeous football player only break her heart? -- adapted from back cover

**Romeo and Juliet** Amanda McRaney Jenkins, 2007 Perform this script about a modern-day version of Shakespeare's *Romeo and Juliet*.

Lady Romeo Tana Wojczuk, 2021-06-08 Finalist for a Lambda Literary Award Finalist for the Publishing Triangle's Judy Grahn Award for Lesbian Nonfiction Finalist for the Marfield Prize For fans of *Book of Ages* and *American Eve*, this "lively, illuminating new biography" (The Boston Globe) of 19th-century queer actress Charlotte Cushman portrays a "brisk, beautifully crafted life" (Stacy Schiff, bestselling author of *The Witches* and *Cleopatra*) that riveted New York City and made headlines across America. All her life, Charlotte Cushman refused to submit to others' expectations. Raised in Boston at the time of the transcendentalists, a series of disasters cleared the way for her life on the stage—a path she eagerly took, rejecting marriage and creating a life of adventure, playing the role of the hero in and out of the theater as she traveled to New Orleans and New York City, and eventually to London and back to build a successful career. Her *Hamlet*, *Romeo*, *Lady Macbeth*, and *Nancy Sykes* from *Oliver Twist* became canon, impressing Louisa May Alcott, who later based a character on her in *Jo's Boys*, and Walt Whitman, who raved about "the towering grandeur of her genius" in his columns for the Brooklyn Daily Eagle. She acted alongside Edwin and John Wilkes Booth—supposedly giving the latter a scar on his neck that was later used to identify him as President Lincoln's assassin—and visited frequently with the Great Emancipator himself, who was a devoted Shakespeare fan and admirer of Cushman's work. Her wife immortalized her in the angel at the top of Central Park's Bethesda Fountain; worldwide, she was "a lady universally acknowledged as the greatest living tragic actress." Behind the scenes, she was equally radical, making an independent income, supporting her family, creating one of the first bohemian artists' colonies abroad, and living publicly as a queer woman. And yet, her name has since faded into the shadows. Now, her story comes to brilliant life with Tana Wojczuk's *Lady Romeo*, an exhilarating and enlightening biography of the 19th-century trailblazer. With new research and rarely seen letters and documents, Wojczuk reconstructs the formative years of Cushman's life, set against the excitement and drama of 1800s New York City and featuring a cast of luminaries and revolutionaries who changed the cultural landscape of America forever. The story of an astonishing and uniquely American life, *Lady Romeo* reveals one of the most remarkable forgotten figures in our history and restores her to center stage, where she belongs.

**Romeo, Juliet & Jim: Book 1** Larry Schwarz, Iva-Marie Palmer, 2017-06-06 Two are star-crossed--but three are unscripted in Larry Schwarz and Iva-Marie Palmer's *Romeo, Juliet & Jim*, book 1 of this YA trilogy. *Romeo* and *Juliet* seem to have it all. They are heirs to the two greatest and oldest fashion houses Paris has ever seen, the rival houses of Montague and Capulet. They live in stunning mansions, attend glamorous parties, count celebrities and supermodels among their closest friends. Yet the one thing they want most they can't have—each other. Juliet is tired of a clandestine

relationship. She wants to run off together and escape. Enter Jim, a mysterious American who swoops in and befriends the young lovers. But who is Jim, really? Once Romeo and Juliet find out that their new friend has his own troubling connections within their world, all three of them have a lot to figure out. And with all that's at stake, there's more--Juliet and Jim are falling in love. Can Romeo win back his lover's heart? Or will Juliet and Jim rewrite the ending of the world's most famous love story? A Christy Ottaviano Book

**Waking Romeo** Kathryn Barker,2022-01-04 Kathryn Barker's Waking Romeo is a spectacularly genre-bending retelling of Romeo & Juliet asking the big questions about true love, fate, and time travel Year: 2083. Location: London. Mission: Wake Romeo. It's the end of the world. Literally. Time travel is possible, but only forward. And only a handful of families choose to remain in the "now," living off of the scraps left behind. Among them are eighteen-year-old Juliet and the love of her life, Romeo. But things are far from rosy for Jules. Romeo lies in a coma and Jules is estranged from her friends and family, dealing with the very real fallout of their wild romance. Then a mysterious time traveler, Ellis, impossibly arrives from the future with a mission that makes Juliet question everything she knows about life and love. Can Jules wake Romeo—and rewrite her future?

**Romeo & What's Her Name** Shani Petroff,2017-02-07 Understudies never get to perform. . . which is why being Juliet's understudy in the school's yearly Evening with Shakespeare is the perfect role for Emily. She can earn some much-needed extra credit while pursuing her main goal of spending time with Wes, aka Romeo, aka the hottest, nicest guy in school (in her completely unbiased opinion). And she meant to learn her lines, really, it's just:a) Shakespeare is HARD,b) Amanda, aka the real Juliet, makes her run errands instead of lines, andc) there's no point because Amanda would never miss the chance to be the star of the show. Then, Amanda ends up in the hospital and Emily, as the (completely unprepared!) understudy, has to star opposite the guy of her dreams. Oops?

**Romeo, Romeo** Robin Kaye,2008 A sparkling new voice! If you love witty dialogue, great characters and a lot of fun in your books, this is the writer for you! - Maureen Child, USA Today bestselling author Rosalie Ronaldi doesn't have a domestic bone in her body ... All she cares about is her career, so she survives on take-out and dirty martinis, keeps her shoes under the dining room table, her bras on the shower curtain rod, and her clothes on the couch ... Nick Romeo is every woman's fantasy - tall, dark, handsome, rich, really good in bed, AND he loves to cook and clean ... He says he wants an independent woman, but when he meets Rosalie, all he wants to do is take care of her. Before too long, he's cleaned up her apartment, stocked her refrigerator, and adopted her dog ... So what's the problem? Just a little matter of mistaken identity, corporate theft, a hidden past in juvenile detention and one big nosy Italian family too close for comfort ...

**Romeo and Juliet** William Shakespeare,2021-03 Romeo and Juliet is a tragic play written early in the career of William Shakespeare about two teenage star-cross'd lovers whose untimely deaths ultimately unite their feuding households. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers

**Julie and Romeo** Jeanne Ray,2000 A deliciously funny and wickedly sexy novel of love found (finally!) and love threatened (inevitably) by the families who claim to love us best. Romeo Cacciamani and Julie Roseman are rival florists in Boston, whose families have hated each other for as long as anyone can remember (what they can't remember is why). When these two vital, lonely people see each other across a crowded lobby at a small business owners' seminar, an intense attraction blooms that neither tries to squelch. They're not sure what fate has in store for them, but they're not about to let something as silly as a generations-long feud stand in the way of finding out. That is, not until Romeo's octogenarian mother, Julie's meddling ex-husband, and a cast of grown Cacciamani and Roseman children begin to intervene with a passionate hatred that matches their newly found love, stroke for stroke. Think Montagues and Capulets, think wise and witty and thoroughly modern. Julie and Romeo is a love story for the ages. All ages.

**Romeo & Juliet** Tony Abbott,2003 The school library's zipper gates send Frankie and Devin back in time right into Mr. Shakespeare's tragedy about Romeo and Juliet.

Julie and Romeo Jeanne Ray,2013-01-01 Romeo Cacciamani and Julie Roseman are rival florists whose families have hated each other for as long as anyone can remember, yet no one can remember why. When the two meet at a small business owners' seminar, an intense and unwavering attraction blooms between them. Unsure of what fate has in store, but deeply in love, Julie and Romeo are not about to let something as silly as a generations-long feud stand in their way. That is, until Romeo's octogenarian mother, Julie's meddling ex-husband, and a cast of grown Cacciamani and Roseman children begin to intervene with a passionate hatred that matches that of the Montagues and Capulets. A love story for the ages – all ages – Julie and Romeo is a stunning novel of star-crossed love finally found, threatened by family, but with a profound and modern finale of delicious proportion.

**Romeo and Juliet** William Shakespeare,2004-07-11 Presents the text of Shakespeare's play of unrequited love and contains extensive annotations that provide context, pronunciation, and alternative readings and phrasings.

**Romeo** John Hyde,2012-07-16 An illustrated true account of an urban legend: Orphaned and alone Romeo has made the Mendenhall Glacier outside Juneau his territory for the past decade subsisting on a diet of small mammals and fish. Unafraid of tourists and locals and eager to play with their dogs, he has taught thousands of people that wolves are playful and not vicious killers. This is John Hyde's up close and personal photographic record of a singular wolf.

Bad, bad ideas. Ideas that I've been fantasizing about for years.After all, I'm supposed to be taking care of her while she's under the Rossi umbrella, right? And no one actually defined what that means. Right?When the plan goes awry, though, and it becomes apparent that Sloane's life is actually in danger and my feelings run a whole lot deeper than I realized, I have to recalculate my actions, and decide whether my loyalty is to the family... or the girl I've always loved.\*Her Romeo is the second book of three in Sloane and Joseph's story, and is a dark mafia romance and includes violence and mature sexual themes.
