

Rosa

David A. Adler

Rosa Nikki Giovanni, 2005 A biography about Rosa Parks, the Alabama black seamstress who refused to give up her seat on a bus and helped establish the civil rights movement.

My Sister Rosa Justine Larbalestier, 2016-11-15 Beats The Silence of the Lambs for suspense—it's the kind of book that had me literally gasping aloud as it rattled to its incredible conclusion. —Cory Doctorow, New York Times bestselling author of *Homeland* What if the most terrifying person you know is your ten-year-old sister? Seventeen-year-old Aussie Che Taylor loves his younger sister, Rosa. But he's also certain that she's a psychopath—clinically, threateningly, dangerously. Recently Rosa has been making trouble, hurting things. Che is the only one who knows; he's the only one his sister trusts. Rosa is smart, talented, pretty, and very good at hiding what she is and the manipulation she's capable of. Their parents, whose business takes the family from place to place, brush off the warning signs as Rosa's "acting out." Now that they have moved again—from Bangkok to New York City—their new hometown provides far too many opportunities for Rosa to play her increasingly complex and disturbing games. Che's always been Rosa's rock, protecting her from the world. Now, the world might need protection from her.

Old Rosa Reinaldo Arenas, 1994 A terrifying and beautiful novel, *Old Rosa* is composed of two stories that converge on a single charged point in the lives of a Cuban mother and son. In the first, the mother finds her son in bed with another boy; in the second, the son is imprisoned in one of Castro's camps for homosexuals.

Sub Rosa / The Book of Metaphysics Francesca Lisette, 2018-11-05 *sub rosa: The Book of Metaphysics* is a three-part interrogation of love, gender, ritual and the body. It heralds a new kind of poetic thinking, one that seeks to articulate and enact a mode of resistance to the obstinacy of present conditions, but which focuses on embodiment, tenderness and optimism. It wants to break present paths and contribute to a collective imagining of a different future; a record of and a practice towards healing. The opening sequence charts the breakdown and aftermath of a romantic relationship. The second, 'Becoming', then traces several feminine archetypes - the mother, the girl, the wild woman, the mermaid, Venus - in a critique of gender identity, summoning a lineage of strongly developed feminine ego identities in order to transcend and dissolve the individual (gendered) subject. The third sequence, entitled 'Ecstasy (Dispersal)' is then a reconstruction: a somatic and poetic (re)connection with the elements via crystal work, dance, somatics and food. Altogether, this collection is the latest installments of Lisette's engrossing attempt to develop a poetics which is more inclusive of the body, the feminine, and the performative.

Red Rosa Kate Evans, 2015-12-08 A graphic novel of the dramatic life and death of German revolutionary Rosa Luxemburg A giant of the political left, Rosa Luxemburg is one of the foremost minds in the canon of revolutionary socialist thought. But she was much more than just a thinker. She made herself heard in a world inimical to the voices of strong-willed women. She overcame physical infirmity and the prejudice she faced as a Jew to become an active revolutionary whose philosophy enriched every corner of an incredibly productive and creative life—her many friendships, her sexual intimacies, and her love of science, nature and art. Always opposed to the First World War, when others on the German left were swept up on a tide of nationalism, she was imprisoned and murdered in 1919 fighting for a revolution she knew to be doomed. In this beautifully drawn work of graphic biography, writer and artist Kate Evans has opened up her subject's intellectual world to a new audience, grounding Luxemburg's ideas in the realities of an inspirational and deeply affecting life.

A Picture Book of Rosa Parks David A. Adler, 2018-01-01 Teachers will welcome [this treatment of]...a simple, clear biography of Rosa Parks...The male narrator reads

clearly and unemotionally, presenting the facts as Adler reports them...A good addition to collections. - School Library Journal

Rosa's Einstein Jennifer Givhan, 2019-02-19 Rosa's Einstein is a Latinx retelling of the Brothers Grimm's Snow-White and Rose-Red, reevaluating border, identity, and immigration narratives through the unlikely amalgamation of physics and fairy tale. In this full-length poetry collection, the girls of Rosa's Einstein embark on a quest to discover what is real and what is possible in the realms of imagination, spurred on by scientific curiosity and emotional resilience. Following a structural narrative arc inspired by the archetypal hero's journey, sisters Rosa and Nieve descend into the desert borderlands of New Mexico to find resolution and healing through a bold and fearless examination of the past, meeting ghostly helpers and hinderers along the way. These metaphorical spirits take the shape of circus performers, scientists, and Lieserl, the lost daughter Albert Einstein gave away. Poet Jennifer Givhan reimagines the life of Lieserl, weaving her search for her scientist father with Rosa and Nieve's own search for theirs. Using details both from Einstein's known life and from quantum physics, Givhan imagines Lieserl in a circus-like landscape of childhood trauma and survival, guided by Rosa and Nieve.

Rosa Amorosa George Egerton, 1901

The Scent Of Rosa's Oil Lina Simoni, 2008-01-01 Set in the beautiful port city of Genoa, Italy, at the turn-of-the-century, *The Scent of Rosa's Oil* is a magical story that attests to the strength of longing, the consequences of betrayal, and the nostalgic memories only a one-of-a-kind fragrance can evoke . . . The only home Rosa has ever known is the Luna brothel, where she's lovingly cared for by Madam C and all the women who work there. Madam C shelters Rosa from what really goes on at the Luna by telling her they play a game with the men who visit. Naturally, Rosa is curious and can't wait until she grows up so she can also play the game. But when a twist-of-fate forces Rosa to leave the Luna after her sixteenth birthday, she goes to stay with her new friend Isabel, an old woman who distills oils. The strange smells and smoke that emanate from Isabel's shack have deemed her a witch to the locals, but only Rosa sees a lonely, tender woman with a passion for making beautifully-scented oils. Enchanted by the intoxicating fragrances around her, Rosa becomes Isabel's apprentice, learning the art of extracting a flower's essence and selling the oils in the town square. Soon everyone in Genoa is talking about the pretty, young girl with the lush locks of red hair who sells aromatic oils in the piazza. Some say she has the oil to cure whatever ailment one has, while others say her oils will capture the heart of a special person. Indeed, Rosa has learned Isabel's secret for creating her own perfect oil--a unique fragrance that holds a mysterious power. Now Rosa needs a miracle to make Renato, the man she has fallen in love with, see past the ugly rumors he's heard about her and the Luna brothel. Disguising herself with a black wig and dabbing her special fragrance on her wrists, Rosa sets out to win Renato. But how long can Rosa keep her true identity hidden? And when destiny intervenes, challenging their love in unforeseeable ways, they'll need a magic even greater than the scent of Rosa's oil. . . A timeless, moving tale, *The Scent of Rosa's Oil* transports readers on an enthralling, unforgettable journey. . .

Rosa's Animals Maryann Macdonald, 2018-06-05 Painter and sculptor Rosa Bonheur (1822-1899) led a highly nontraditional life, especially for a woman in the nineteenth century. She kept lions as pets, was awarded the Legion of Honor by Empress Eugénie, and befriended "Buffalo Bill" Cody. She became a painter at a time when women were often only reluctantly educated as artists. Her unconventional artistic work habits, including visiting slaughterhouses to sketch an animal's anatomy and wearing men's clothing to gain access to places like a horse fair, where women were not allowed, helped her become one of the most beloved female painters of her time. Among the artworks discussed are *The Horse Fair* and *Ploughing in the Nivernais*. Along with her life story are

a list of museums that house her work, a bibliography, and an index.

Rosa in Bloom Janet Rhyme Key, 2013-03-01 Rosa Bonilla is about to turn twelve years old. She lives in a Mexican-American household in Orange County, California. Her parents, who both work outside the home, are stricter than most American parents. Her grandmother, who lives with the family, is the strictest of all. Rosa is unable to find her voice in a culture that clashes with her home life. Her feelings do not seem to matter to the other members of her family. She feels overwhelmed by responsibility and very alone in the world. Then, one moment of regret leads her to realize that there is always more than one way to look at a situation.

Rosa's Pet Rabbit Tana Hensley, 2019-12-15 Anyone can learn computer science, even at the elementary school level. This book delves into the essential computer science concepts of algorithms and procedures using age-appropriate language and colorful illustrations. A meaningful storyline is paired with an accessible curricular topic to engage and excite readers. This book introduces readers to a relatable character and familiar situation, which demonstrates how algorithms and procedures are used in everyday life. Readers will follow Rosa as she cares for her new rabbit step by step. This fiction title is paired with the nonfiction title *My Pet Mouse* (ISBN: 9781538350447). The instructional guide on the inside front and back covers provides: Vocabulary, Background knowledge, Text-dependent questions, Whole class activities, and Independent activities.

Something Special for Me Vera B. Williams, 1986-09-29 The money jar that Rosa, Mama, and Grandma filled with their coins will be emptied to buy Rosa whatever she wants for her birthday. But what can Rosa choose that special enough-unless it's a gift they can all enjoy!

Rosa's Big Comeback Joyce L. Barnett, 2022-04-19 Rosa Brown was an educated sixty-year-old woman, who worked in the corporate world. Life was good until she was informed by her employer that her services were no longer needed. Devastated and confused, Rosa found herself living in a women's shelter in Washington, DC. Eventually her life became elevated when she joined a work program and found steady employment as a receptionist. Jay Schroeder, a white male friend and his sister Mona gave Rosa two gifts: a place of her own to live, and a top-of-the-line sewing machine, enabling her to follow her dream as a fashion designer. After modeling her designer dress on the runway of a fashion show in Atlanta, Rosa was sought out by a celebrity who hires her as a personal stylist and tailor. Rosa then becomes her own celebrity. She leaves her adopted family at Millie's House in the nation's capital to fulfill her dream in Atlanta. Everyone she knows is amazed at this miracle, herself included. And Rosa becomes a testimony for other women. The author tells the story of a woman who rose from poverty to riches by using her natural talent and gifts. Readers are taken on a journey through life on the streets of Washington, DC, and a view of what many homeless women encounter regularly. The author also introduces readers to Millie's House, a day service for women to meet and change their lives. This story defies the stereotypical attitudes and preconceived notions surrounding some women who suffer the experience of homelessness. There is a message in Rosa's story; that a woman can hit rock bottom in life, put hands and feet to her faith, and follow her dreams no matter what circumstances she encounters.

Kisses from Rosa Petra Mathers, 1995 While her mother is treated for a serious illness, Rosa stays with her aunt and cousin on a farm in the Black Forest.

Rosa Peter E. Kukielski, Charles Phillips, 2021-02-16 A beautifully illustrated and unique history of the queen of flowers in art, medicine, cuisine, and more
