Operation Roswell Kevin D. Randle,2004-08 The coauthor of *UFO Crash at Roswell*, the basis for the hit 1994 Showtime film starring Kyle MacLachlan, sets this sci-fi thriller in Roswell, New Mexico, and offers a look at behind-the-scenes action of a desperate government and of a situation unlike anything the world has ever encountered.

Roswell John LeMay,2008 Best known as the site of an alleged flying saucer crash in 1947 and the Roswell Incident, Roswell began as a humble trading post in the late 1860s along the Goodnight-Loving Cattle Trail and eventually grew into a metropolis of southeastern New Mexico. Once a cow town and home to famous Western figures such as John Chisum, Pat Garrett, and Capt. Joseph C. Lea, Roswell is also the birthplace of the New Mexico Military Institute, the testing grounds for Robert H. Goddard's rockets in the 1930s, and the site of the Roswell Army Airfield and a German POW camp in the 1940s. Today Roswell is a popular tourist destination and home to more than 50,000 residents.

Roswell Thomas J Carey,2020-02-17 *Roswell: The Chronological Pictorial* By Thomas J. Carey & Donald R. Schmitt This is not just another Roswell

book. It's like no other book about the 1947 Roswell UFO crash ever written, including the authors' own previous six books on the subject. Based upon the authors' thirty years' investigation of the most famous UFO case of all time, it brings the case to life like no other book, TV documentary, mini-series or movie. With the deft use of copious photographs accumulated over the course of their investigation, the authors supplement the each step of important information in the text of the chronological timeline of the case, from the time of the UFO's crash in the high desert near Roswell, New Mexico in 1947, up to the present (2019). The names of all participants in the crash/recovery as well as the important informational sources are identified along with their photo images. The missing nurse identified by Roswell mortician Glenn Dennis as being at the autopsy at the Roswell airbase is finally revealed. Also included are photos of the locations where everything took place – from the 1947 crash site to the present location of the wreckage and bodies. Minute-by-minute, hour-by-hour, day-by-day, month-by-month and year-by-year, the reader is transported back to 1947 and brought forward to the present in the timeline of everything that has happened in and to this case. Bringing the Roswell incident to life in this way, there is no other book written about Roswell like it. Additionally, it should become the companion to every other book about Roswell ever written. See: - The fabled Hangar 18 - What the Roswell UFO crash site(s) look like today - The only surviving crew member on the alien body flight of July 9,

1947 - The guest house where rancher Mack Brazel was kept and forced to change his story - The future NFL football star who was a first-hand witness to the 1947 events - The tool that an Air Force enforcer used to threaten witnesses into silence - The military ambulances used to transport alien bodies from the crash site - The faces of the aliens from another world What the Generals Said about Roswell: - It was a cover story, the balloon part of it ... That was the story we were told to give to the public and the news people, and that was it. Brigadier General Thomas J. DuBose, USAF - The [Roswell] craft was extraterrestrial, and at one time may have been at Wright-Patterson in an off-limits area. Brigadier General Harry N. Cordes, USAF - I am almost completely convinced that the object that crashed near Roswell was composed of materials not common on earth. Major General Kenner F. Hertford, USA - The stuff I saw, I've never seen anyplace else in my life ... It was the strangest thing I ever saw. General William H. Blanchard, USAF - They [the Air Force] knew that they had something new in their hands ... The metal and material was unknown to anyone I talked to ... A couple of guys thought it might be Russian, but the final consensus was that the pieces were from space. [i.e., extraterrestrial] Brigadier General Arthur E. Exon, USAF - Stealth technology comes from the Roswell crash ... I have been informed by higher officers at the Pentagon that there still exists a Top Secret UFO Project ... That's where your Roswell file is. Brigadier General Richard Mitchell, USA Praise for the Authors: - Brilliant!

A well detailed, concise, A-to-Z, chronological timeline of events that happened over seventy years ago. The authors' in-depth information shows their many years of investigative reporting, bearing the true facts of the Roswell Incident. The reader is drawn into the complex information in the timeline, becoming aware that the chain of events as described, in fact, occurred. - Colonel Scott D. Miller, Jr., USA - Carey and Schmitt show that good, old-fashioned, investigative reporting is still alive and well. Cheryll Jones, former anchor, CNN News - There is no one on this planet who knows more about the Roswell Incident than these two guys. Larry Landsman, creative executive of the SyFy Channel documentary, 'The Roswell Crash: Startling New Evidence.' - I think that Witness to Roswell [by Carey & Schmitt, 2002, 2009] will prove to be the most important UFO book ever written. The evidence presented dovetails perfectly and makes a compelling case that an alien craft crashed outside of Roswell in 1947. After decades of controversy, the authors, through dedicated and persistent research, have finally come up with very strong circumstantial evidence that is tantamount to proof. - Richard H. Hall, author of 'The UFO Evidence,' Vols. I and II, and past Chairman of the Fund for UFO Research. - If the cover-up is ever going to have a stake driven through it and the Roswell case resolved once and for all, it will most likely be Tom Carey and Don Schmitt who will do it. Jeff Rense, nationally syndicated talk show host

Roswell Thomas J. Carey, Donald R.

Schmitt, 2020-06-20 "[The authors] have, like each

whistleblower before them, paid a price for their . . . amplification of the truth. . . . The most profound event in human history.” –Joseph G. Buchman, Ph.D, moderator for the Citizen Hearing on Disclosure Two of the world’s leading investigators declare definitively that the Roswell Incident happened and present their closing arguments. For more than seventy years, the crash at Roswell and its ensuing controversies and cover-ups have been investigated. Yet despite continually mounting evidence, there are still disbelievers. Roswell: The Ultimate Cold Case is Carey and Schmitt’s final and commanding word on the case in which they declare victory once and for all. The government has changed their official story on Roswell more than a dozen times, but the witnesses have not recanted. The evidence has not gone away. And won’t go away. The Roswell Incident is the most hotly debated and investigated UFO crash in history with seemingly endless evidence, and eyewitnesses coming forward even years later. Finally, late in life people feel safe enough or feel duty bound to reveal what they know, saw, and heard. Roswell: The Ultimate Cold Case will bring all new exclusive eye witness testimonies to light as well as cover the: Connection of astronauts Edgar Mitchell and Neil Armstrong to Roswell. Connection of Clinton, Carter, Goldwater, Schiff, and Richardson to Roswell. First time artist conception of impact site with craft and bodies based on firsthand testimony. First time full-size model of crash survivor based on eyewitness testimony. And more eyewitness corroboration. “There is no one on this planet who knows more

about the Roswell incident than these two guys.”
–Larry Landsman, director of special projects for the Syfy Channel

The Children of Roswell Thomas J. Carey, Donald R. Schmitt, 2016-02-22 The children of Roswell UFO eyewitnesses tell their personal stories of government surveillance, coercion, disappearances, and more. Despite the government’s best efforts to explain it away, the Roswell incident of 1947—in which an unidentified flying object was recovered by US Army personnel—remains as fascinating as ever. Parents who were present during or immediately after the incident may have passed on, but their children know what happened. And over the years, they have paid dearly for their knowledge. In *The Children of Roswell*, their shocking stories are revealed. In these pages, you will learn the truth about: The daughter of a witness to an alien body who discovered that her phone had been bugged for years. How the US Air Force tried to change the mind of the son of the Roswell intelligence officer in 1995. What really became of the son of the principle witness, who disappeared in 1960.

The Day After Roswell Philip Corso, 2012-12-11 Since 1947, the mysterious crash of an unidentified aircraft at Roswell, New Mexico, has

fueled a firestorm of speculation and controversy with no conclusive evidence of its extraterrestrial origin -- until now. Colonel Philip J. Corso (Ret.), a member of President Eisenhower's National Security Council and former head of the Foreign Technology Desk at the U.S. Army's Research & Development department, has come forward to tell the whole explosive story. Backed by documents newly declassified through the Freedom of Information Act, Colonel Corso reveals for the first time his personal stewardship of alien artifacts from the crash, and discloses the U.S. government's astonishing role in the Roswell incident: what was found, the cover-up, and how these alien artifacts changed the course of 20th century history.

The Day After Roswell Philip Corso, William J. Birnes, 1998-06 Discloses the government's role in the Roswell UFO incident, explaining what actually happened and its implications.

Ufo Crash at Roswell Various, 1991-07-01 This is the story of America's closest encounter, which the US government continues to deny to this day. It is published to coincide with the the 50th anniversary of the crash.

The Roswell Report United States Air Force, 2013-04-10 Throughout the twentieth century and into the twenty-first, the subject of unidentified flying objects (UFOs) has evoked strong opinions and emotions. For some, the belief in or study of UFOs (known as ufology) has taken on the dimensions of a religious quest. Others remain nonbelievers or at least skeptical of the existence of alien beings and elusive vehicles

which never quite seem to manifest themselves. Regardless of one's conviction, nowhere has the debate about UFOs been more spirited than over the events that unfolded near the small New Mexico city of Roswell in the summer of 1947. Numerous witnesses, including former military personnel and respectable members of the local community, have come forward with tales of humanoid beings, alien technologies, and government cover-ups that have caused even the most skeptical observers to pause and take notice. In July 1994, at the request of the Government Accounting Office, the U.S. Air Force completed a thousand-page report to explain the events that transpired in and near Roswell in the summer of 1947. That report sought to bring all the facts to light, declassify all the documents, and present the definitive truth to the public. The Roswell Report: Case Closed is the follow up to that report and contains additional materials and analysis intended to reach a complete, open, and final explanation of the events that occurred in the Southwest many years ago. While this explanation may not be as titillating as tales of unearthly craft and creatures, it is a fascinating story nonetheless.

Legendary Locals of Roswell John LeMay, Roger K. Burnett, 2012 Roswell is perhaps most famous for its alleged intergalactic visitors that may or may not have crashed here via flying saucer in 1947.

However, some very real famous people have traversed and lived in Roswell, including singer John Denver and actress Demi Moore. During the turbulent Wild West days, Roswell was the stomping grounds of cattle baron John Chisum, sheriff Pat Garrett, and even his arch-nemesis, Billy the Kid. Among others to call Roswell home were Robert H. Goddard, the father of modern rocketry; baseball player Joe Bauman, who hit 72 home runs in one season; pro-golfer Nancy Lopez; Western superstar Roy Rogers; rodeo champion Bob Crosby; and Dallas Cowboys quarterback Roger Staubach.

Crash Into Me Robyn Burnett, 2002 An intense, intelligent drama that asks what if aliens survived the infamous UFO crash of 1947, Roswell boasts a huge, dedicated fan base (when threatened with cancellation, fans sent 12,000 bottles of Tabasco sauce, the aliens' drink of choice, to a competing network, convincing them to pick up the show). This book features biographies of the actors and creators of the show, in-depth commentaries on each episode, a look at the history and mythology behind the show, plus its incredible fans. The first 2 seasons aired on BBC and the 3rd will air on SKY. With 30 b/w photos.

Historic Roswell, Georgia Joe McTyre, Rebecca Nash Paden, 2001 In the 1830s and 1840s, low country planters came to Roswell, Georgia, seeking relief from the heat and malaria that plagued Georgia's golden coast. The wealthy plantation owners were attracted to the temperate North Georgia climate by Roswell King-a former Glynn County plantation supervisor, builder, and entrepreneur-who promised his friends free land on

which to build their homes and stock in the textile mill he built in 1839. The village of Roswell was laid out in 1840 with wide streets, a park, mills, and a residential area, and a community founded by devout Presbyterians and hard-working industrialists began to take shape. By the onset of the Civil War, Roswell had two cotton mills, a woolen mill, and flour and grist mills nearby. The town's strategic location near the Chattahoochee River made it a target of Union Gen. William T. Sherman during his March to the Sea in 1864. While Federal soldiers occupied Roswell that summer, none of the grand homes of the town were destroyed. Residents persevered the tolls of war and Reconstruction to rebuild mills and strengthen the local economy. A small and rural community through the early part of the 20th century, Roswell experienced phenomenal growth in the latter half of the century to become a bustling Atlanta suburb; yet much of the charm and small-town character remains and thousands of tourists are attracted each year by its beautiful antebellum homes and buildings. These treasured landmarks are the subject of this engaging retrospective, and each snapshot glimpse will illuminate the Roswell of yesteryear.

Witness to Roswell, Revised and Expanded Edition
Thomas J. Carey, Donald R. Schmitt, 2009-05-15 "When I finished Witness to Roswell, I said to myself, 'Case closed!' for the very wealth and sheer weight of eyewitness testimony."—George Noory, host, Coast to Coast AM One of the best-selling UFO books is now revised and updated with even more hard-hitting eyewitness testimony of one of the most important events of all time: the actual recovery of a UFO outside of Roswell, New Mexico, in 1947. For more than 70 years, government authorities have led us to believe the wreckage was merely a very conventional weather balloon--but the witnesses who were there continue to tell a different story. Witness to Roswell once again takes you on a can't put down written account of

what really transpired in Roswell decades ago. It pries loose the truth the government doesn't want us to know. This revised and expanded edition includes: A growing litany of deathbed confessions describing the little people recovered at the crash site. The most comprehensive time line of events ever published on this seminal event. The identity of the Boeing engineer called in to examine the exotic wreckage from the crash. What really took place at the Roswell base hospital and what nurse actually ordered the children's caskets. The story of the soldier who wore gloves at the dinner table after guarding the bodies. Clearly, the implications are foreboding, and one need just realize that officials now have four explanations to this historic event—but to which one do all the witnesses testify on their deathbeds? Witness to Roswell once again demonstrates to the world that no statute of limitation applies to the truth: We are not alone.
