DUEL Amneris Di Cesare, 2017-12-02 That evening Stefania was not in the right mood when, to please her friend Manuela, she goes to a party where she doesn't know anyone. She is certainly not feeling ready to fall in love again. But when Davide, the one having the party, entered her life to the music of *Duel* by Propaganda, without asking her permission, Stefania didn't know how to react. Because what she feels for Tony, an educated man who gave her *Wuthering Heights* and left her without giving a reason, is still so overpowering that she is unable to accept turning the page and welcoming a different, but deeper feeling. The love between Stefania and Davide will be a battle that they will fought to the last, destroying each other, because sometimes Love is a *Duel* that is always in equilibrium between passion and jealousy, trust and disbelief. And Stefania will find that she has to choose whether to follow her destiny to the soundtrack of a thrilling summer song or the book plot that marked the beginning of a passion that is not entirely finished. And maybe, who knows, an unusual ending and a new song will await her around the corner.

Cinéma Marcel Broodthaers,Manuel J. Borja-Villel,Michael Compton,Maria Gilissen,Fundació Antoni Tàpies,1997 His talent for reinventing the language of art made Marcel Broodthaers (Brussels, 1924 - Cologne, 1976) one of the most creative artists of the second half of the 20th century. His work is a symbiosis of all the artistic disciplines: I am not a filmmaker. For me, film is the extension of language. I begin with poetry, then visual art, and finally cinema which brings together several different elements of art. Which is to say: writing (poetry), the object (visual art), and the image (film). The difficult thing, of course, is the harmony between these elements. For Broodthaers, catalogues, books and exhibitions are films which in turn become part of subsequent exhibitions and publications.

Handbook of Chemical Synonyms and Trade Names William Gardner,Edward I. Cooke,Richard W.I. Cooke,2019-07-23 To this Eighth Edition of the late Mr William Gardner's Chemical Synonyms and trade Names there have been added some 3,300 new entries, principally in the field of plastics, alloys and pharmaceuticals. A number of entries describing products known to the Editors to be no longer commercially available have been deleted, with the principal object of keeping the bulk of the book within reasonable bounds; but it has been possible to add nearly 400 names to the Index of Manufacturers to be found at the end of the book. The sum of these additions and deletions represents a net increase of about 10 per cent, in the scope of this Eighth Edition as compared with its predecessor published in 1971.

A Spirited Guide to Vermouth Jack Adair Bevan, 2019-05-30 'An essential addition to your library' Russell Norman 'A genuine ode, written with style and substance in equal measure' Gill Meller 'A joy filled double whammy. Great drinks require as much artistry as food and this book proves the case mightily.' Jeremy Lee Vermouth is currently experiencing a revival, and we can't seem to get enough of it. In *A Spirited Guide to Vermouth*, Jack Adair Bevan celebrates this versatile drink and its botanicals, drawing out vermouth's history and its delicate herbal flavours with recipes for cocktails, and some food to accompany them. As an award-winning food and drink writer, and one of the first restaurateurs to make his own vermouth, Jack Adair Bevan is the perfect guide through vermouth's rich history and recent resurgence. As well as Jack's original recipes, *A Spirited Guide to Vermouth* also contains recipes contributed from the likes of Russell Norman, Olia Hercules, Gill Meller and Jeremy Lee. With cocktails ranging from a Toasted Nut Boulevardier to a Perfect Manhattan, and from a Blood Orange Vermouth and Tonic to a Rosemary Bijou, the book also has dedicated sections exploring classics such as the Martini and the Negroni. This book will take you on a botanical journey of discovery and teach you not only how to make your own vermouth, but also how to use it in your cooking, from vermouth-braised red cabbage to Negroni Bara Brith, along with plenty of food and drink recipes to accompany the aperitivo hour.
