Kimberly Dean

Roxie Becky Reece Kimsey, 2013-02 North Carolina, 1890-Anticipation tempered by the uncertainty of her changing life swirl through Roxie's heightened emotions. She is leaving her home and family in the North Carolina mountains to start married life in Georgia with her new husband. Crazy in love with Will, she still feels an aching conflict as she leaves her beloved family. Being her parents' sixth daughter with a natural inclination towards the outdoors has made Roxie the family 'tom-boy' and her Poppa's steadfast helper. As much as she desires this future with Will in their tiny cabin nestled in the north Georgia mountains, she is well aware that arriving in the dead of winter presents it's own problems. Still, overriding her joy or worries is an overwhelming homesickness. Wearied by the dawn to dusk fight to eke out a sufficient life on this tiny spot of land, Roxie and Will discover much of their strength comes from leaning on each other and Will's sizeable family. But it is the generous providence of a loving God that sustains them the most. As days and years swell into a ceaseless flow of triumphs, backward steps, tears and joys, the love that binds them together stretches again and again to allow for every rough or unforeseen bend in their journey. A moving, inspiring novel, *Roxie: Daughter of the Mountains* shares the remarkable resilience of one woman's spirit.

Roxie and the Hooligans Phyllis Reynolds Naylor, 2013-11-05 Do not panic. Lord Thistlebottom's Book of Pitfalls and How to Survive Them has taught Roxie Warbler how to handle all sorts of situations. If Roxie's ever lost in the desert, or buried in an avalanche, or caught in a dust storm, she knows just what to do. But Lord Thistlebottom has no advice to help Roxie deal with Helvetia's Hooligans, the meanest band of bullies in school. Then Roxie finds herself stranded on a deserted island with not only the Hooligans but also a pair of crooks on the lam, and her survival skills may just save the day -- and turn the Hooligans into surprising allies.

Roxie Looks for Purpose Beyond the Biscuit Steve Piscitelli, 2020-02 Hi, I'm Roxie. A dog. The short stories in this book share life as I see it from my paws and through my eyes. Hopefully, my observations will help you on your journey. The biggest lesson I have learned is this: We all must learn to move beyond the biscuit-beyond immediate gratification-and discover the clues, lessons, and opportunities that surround us. To do that, though, we must pay attention. I focus on where I am. The smells in front or to the side of me or the cool beach sand beneath my body. If a cat is nearby, I want to go up and get to know it. Of course, they ignore me. That's another story. Every time I smell, stare at, or paw something, there is a reason. In part, this book will allow you to pause and reflect on your present moments. I hope my simple stories and insights will motivate you to ask deeper questions about your stories and to reflect on the who, what, why, and where of your purpose. My person, Steve, and I found each other for a greater reason than giving me a place to sleep and eat. You will learn that as the relationship I have with Steve continues to develop so does our purpose. It continues to evolve as I believe it does for all of us-canines and humans. I am a work in progress. And so is Steve. And so are you. I offer a hearty Woof! to all of us as we slow down, move beyond the biscuit, and embrace the wonders life has to offer.

Roxie and the Hooligans at Buzzard's Roost Phyllis Reynolds Naylor, 2018-05-08 "An undeniably enjoyable read." -Booklist "A charming sequel." -School Library Journal Roxie and the Hooligans are back and this time, Smoky Jo is swiped by a kidnapper who is as blunder-prone as Roxie, Uncle Dangerfoot, and Lord Thistlebottom are clever. Roxie is back! And that means the Hooligans are not far behind. The last time we saw the lot of them, they were being honored as town heroes for thwarting a bank robbery. Now these friends find more trouble afoot...that is, Uncle Dangerfoot to be exact. Roxie's most beloved uncle is taking her on vacation to a beach house, and of course the Hooligans sneak along. But their little beach vacation is not what it seems when the Hooligans unveil the secret invention Uncle Dangerfoot has been hiding from his nemesis, who would do anything to get his hands on it. So when one of those rowdy, messy, trouble-making Hooligans goes missing, the suspect is obvious. But, when it comes to those LOUD, mess-making, rambunctious, always-hungry, ill-mannered Hooligans, what's worse: Missing a Hooligan? Or staying sane while keeping her hostage?!

Get lost in these emotional, gripping romances - plus a bonus story you can't find anywhere else. Never Enough It's a simple enough transaction. Marisol needs the money, and I need a nice girl to parade in front of the cameras. No feelings. No strings. No falling for anyone. I've been clean for months, but my record

company's not satisfied. Apparently it isn't enough to only kick a heroin addiction - they're insisting that I find a girlfriend as well. If I don't, they pull Dirtshine's massive record deal. It's supposed to show that I've changed my ways, that I've turned over a new leaf, all that rubbish. But I've had it with suit-wearing wankers telling me what I'm to do, so I'm on the verge of telling them to go f\*ck themselves. And then she shows up. Marisol locks me out of my own concert by accident. She's wearing a suit at a rock show, searching for her lost law school textbook, has no idea who I am... ..and for the first time in years, I'm hooked. She's smart, driven, and utterly gorgeous. The sort of girl who earnestly believes in following the rules and hates when others don't. I'm a huge rock star, recovering addict, and general f\*ckup. Our relationship is for show, and that's all. But with every smile, every laugh, and every breathtaking glance at her curves, I want her more. Two months is all we agreed to. But it's never going to be enough. Always You A kiss could ruin everything. I was born broken, with a past full of ugly secrets and a brother doing life in prison. Not that you'd know it if you read the tabloids. According to them I'm the rock-solid guitarist for the biggest band in the world. I'm the dependable one. The steady one. The anchor. They don't know the truth. No one knows who I am underneath, once the music is over and the lights are off. No one but Darcy. She's my best friend. She's my savior, my light in the dark, beautiful and talented and every bit as broken as me. And I yearn for her. I have for years. I see the way she looks at me, what's behind her eyes. I know what she thinks about alone, in the dark, because how could I not know. It's getting worse. Every second, every heartbeat, every moment we spend together and every secret we share makes me want her more. Even though I know that one kiss could ruin everything we have, I need her. But to get her? I'll risk everything I've got. Ever After Once upon a time, a girl saved my life. I was p\*ss-drunk, high as a kite, and about to jump from a bridge. She stopped me. I told her to f\*ck off. Exactly how all great love stories start. A year later, I met her again. Sober this time, after yet another stint in rehab. She's still pretty, still a spitfire, still lights up a room when she walks in. And she doesn't realize I'm the guy from the bridge. Frankie doesn't know anything about me or my past. She doesn't know I'm a former rock star or an ex-junkie. She doesn't know that two years ago, someone died and it was my fault. She doesn't need to know. She's got problems of her own, and they're what keep her coming back to see me time and again, even when we both know she shouldn't. I should be staying far, far away from this girl, but it's like telling water to flow uphill. Can't be done. Frankie and I may be going down in flames, but we'll be going down together.
