

Rubicon

Edward Frederic Benson

Crossing the Rubicon Michael C. Ruppert,2004-09-15 The acclaimed investigative reporter and author of *Confronting Collapse* examines the global forces that led to 9/11 in this provocative exposé. The attacks of September 11, 2001 were accomplished through an amazing orchestration of logistics and personnel. *Crossing the Rubicon* examines how such a conspiracy was possible through an interdisciplinary analysis of petroleum, geopolitics, narco-traffic, intelligence and militarism—without which 9/11 cannot be understood. In reality, 9/11 and the resulting War on Terror are parts of a massive authoritarian response to an emerging economic crisis of unprecedented scale. Peak Oil—the beginning of the end for our industrial civilization—is driving the elites of American power to implement unthinkable draconian measures of repression, warfare and population control. *Crossing the Rubicon* is more than a story of corruption and greed. It is a map of the perilous terrain through which we are all now making our way.

Rubicon Tom Holland,2007-12-18 A vivid historical account of the social world of Rome as it moved from republic to empire. In 49 B.C., the seven hundred fifth year since the founding of Rome, Julius Caesar crossed a small border river called the Rubicon and plunged Rome into cataclysmic civil war. Tom Holland's enthralling account tells the story of Caesar's generation, witness to the twilight of the Republic and its bloody transformation into an empire. From Cicero, Spartacus, and Brutus, to Cleopatra, Virgil, and Augustus, here are some of the most legendary figures in history brought thrillingly to life. Combining verve and freshness with scrupulous scholarship, *Rubicon* is not only an engrossing history of this pivotal era but a uniquely resonant portrait of a great civilization in all its extremes of self-sacrifice and rivalry, decadence and catastrophe, intrigue, war, and world-shaking ambition.

Rubicon Tom Holland,2013-04-01 The Roman Republic was the most remarkable state in history. What began as a small community of peasants camped among marshes and hills ended up ruling the known world. *Rubicon* paints a vivid portrait of the Republic at the climax of its greatness - the same greatness which would herald the catastrophe of its fall. It is a story of incomparable drama. This was the century of Julius Caesar, the gambler whose addiction to glory led him to the banks of the Rubicon, and beyond; of Cicero, whose defence of freedom would make him a byword for eloquence; of Spartacus, the slave who dared to challenge a superpower; of Cleopatra, the queen who did the same. Tom Holland brings to life this strange and unsettling civilization, with its extremes of ambition and self-sacrifice, bloodshed and desire. Yet alien as it was, the Republic still holds up a mirror to us. Its citizens were obsessed by celebrity chefs, all-night dancing and exotic pets; they fought elections in law courts and were addicted to spin; they toppled foreign tyrants in the name of self-defence. Two thousand years may have passed, but we remain the Romans' heirs.

Rubicon Beach Steve Erickson,2013-04-30 A “brilliant” novel about an alternate America that has been split in two (San Francisco Chronicle). In a dystopian Los Angeles, Cale is a newly released political prisoner under surveillance. Beset by dark visions and relegated to working in a desolate library, he's told, without explanation, that he's “the one everyone's looking for.” For Catherine, a mysterious South American beauty, the crossing is no less extreme: Leaving her tribal life, she undergoes various confinements and escapes before winding up at the door of a Hollywood screenwriter. Finally Jack Mick Lake, possessed by numerology, must negotiate a river all his own. Stark and ethereal, Steve Erickson's tales connect to form a luminous and passionate whole.

The Rubicon Edward Frederic Benson,1894

Rubicon Steven Saylor,1999-04-15 As Caesar marches on Rome and panic erupts in the city, Gordianus the Finder discovers, in his own home, the body of Pompey's favorite cousin. Before fleeing the city, Pompey exacts a terrible bargain from the finder of secrets-to unearth the killer, or sacrifice his own son-in-law to service in Pompey's legions, and certain death. Amid the city's sordid underbelly, Gordianus learns that the murdered man was a dangerous spy. Now, as he follows a trail of intrigue, betrayal, and ferocious battles on land and sea, the Finder is caught between the chaos of war and the terrible truth he must finally reveal.

The Rubicon Edward Frederic Benson,1894

Crossing the Rubicon Luca Fezzi,2020-01-07 A dramatic account of the fateful year leading to the ultimate crisis of the Roman Republic and the rise of Caesar's autocracy When the Senate ordered Julius Caesar, conqueror of Gaul, to disband his troops, he instead marched his soldiers across the Rubicon River, in violation of Roman law. The Senate turned to its proconsul, Pompey the Great, for help. But Pompey's response was unexpected: he commanded magistrates and senators to abandon Rome—a city that, until then, had always been defended. The consequences were the ultimate crisis of the Roman Republic and the rise of Caesar's autocracy. In this new history, Luca Fezzi argues that Pompey's actions sealed the Republic's fate. Drawing on a wide range of primary sources, including Cicero's extensive letters, Fezzi shows how Pompey's decision shocked the Roman people, severely weakened the city, and set in motion a chain of events that allowed Caesar to take power. Seamlessly translated by Richard Dixon, this book casts fresh light on the dramatic events of this crucial moment in ancient Roman history.

The Rubicon E. F. Benson,2016-04-25 *The Rubicon*

Rubicon Dan Capel,2013-11-13 Five paramilitary Navy SEAL operators defend the residents of a remote mountain farming village in Afghanistan from attacks by marauding Taliban. Led by the war-weary Hector, the operators and villagers form mutual bonds of honor and respect leading up to a

climactic battle where the 'Lions of Panjshir' are desperately outnumbered.

Rubicon J. S. Dewes,2023-03-28 J. S. Dewes, author of *The Last Watch* and *The Exiled Fleet*, returns with another science fiction space opera, *Rubicon*, that melds elements of Scalzi's *Old Man's War* with *Edge of Tomorrow*. Sergeant Adriene Valero wants to die. She can't. After enduring a traumatic resurrection for the ninety-sixth time, Valero is reassigned to a special forces unit and outfitted with a cutting-edge virtual intelligence aid. They could turn the tide in the war against intelligent machines dedicated to the assimilation, or destruction, of humanity. When her VI suddenly achieves sentience, Valero is drawn into the machinations of an enigmatic major who's hell-bent on ending the war—by any means necessary. The *Divide* series *The Last Watch* *The Exiled Fleet* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Rubicon D.W. Buffa,2016-11-22 It could happen... Bobby Hart, an idealistic young senator from California, thinks that he's escaped the political spotlight when he decides not to run for president. Then, on a secret mission to Germany, he discovers that there is going to be an assassination. He doesn't know who is the target, who is behind the plan, or where it will take place. All he knows is that it will happen before the election. And that it operates under the code name *Rubicon*. *Rubicon*, Hart remembers, is the river Caesar crossed with his army when he decided to seize power in Rome. For Caesar it meant that there was no turning back for a republic on its way to becoming an empire. But crossing the *Rubicon* meant the beginning of an era in Rome. Could it mean the end of something else today? As events pile up before the predicted attack, it becomes clear that *Rubicon* isn't just about the election. It's a plot to steal the country. Now Hart is in a race against time to find out who is behind the conspiracy and how to stop it before it's too late and democracy in America is changed forever. A blistering indictment of our current political climate, *Rubicon* is an intelligent, action-packed thriller that will change the way readers think about the next election.

Rubicon Lawrence Alexander,2009-10-13 It could Happen . . . Bobby Hart, an idealistic young senator from California, thinks that he's escaped the political spotlight when he decides not to run for president. Then, on a secret mission to Germany, he discovers that there is going to be an assassination. He doesn't know who is the target, who is behind the plan, or where it will take place. All he knows is that it will happen before the election. And that it operates under the code name *Rubicon*. *Rubicon*, Hart remembers, is the river Caesar crossed with his army when he decided to seize power in Rome. For Caesar it meant that there was no turning back for a republic on its way to becoming an empire. But crossing the *Rubicon* meant the beginning of an era in Rome. Could it mean the end of something else today? As events pile up before the predicted attack, it becomes clear that *Rubicon* isn't just about the election. It's a plot to steal the country. Now Hart is in a race against time to find out who is behind the conspiracy and how to stop it before it's too late and democracy in America is changed forever. A blistering indictment of our current political climate, *Rubicon* is an intelligent, action-packed thriller that will change the way readers think about the next election.

The Last Rubicon Lance Zedric,2009-08

Crossing the Rubicon Michael C. Ruppert,2004-10-01 The long-awaited exposé of 9/11 and Peak Oil - by the Godfather of 9/11 research.

The Rubicon E. F. Benson,2017-10-24 That evening the Professor of Ignorance sat long with paper spread before him, and with a pen in his hand, but he wrote nothing.

Rubicon Jack McKinney,1988 Optera! Birthplace of the Flowers of Life and their agents of retribution, the Invid . . . nexus for an unfolding of events that had left the galaxy reshaped and redefined . . . and now the focal point of the Sentinels' long campaign to liberate the Quadrant from the Regent's tyranny. Edwards is on his way to Optera, in flight from Tirol with his prisoner Lynn-Minmei and a handful of Invid Inorganics under his control. So too are Breetai's Zentraedi -- closing on the very world the Imperative bade them defoliate generations ago -- and the renegade forces of Tesla, mutated beyond recognition by the fruits of the Flower. The Sentinels themselves are not far behind. However, they have Peryton to deal with first -- a godforsaken planet cursed by fate and time itself. But what awaits Rick, Lisa, and the Human Sentinels there is a mere primer for what is to come: the realization that they have journeyed across the galaxy . . . to wage war against each other!

The Rubicon E. Benson,2018-02-20 *The Rubicon* is the 1894 1899 novel by the famous English novelist, biographer, memoirist, archaeologist and short story writer, E. F. Benson. It is a classic story of the people who move and shake in the tense, polite and sometimes dangerous world of a quiet village in Edwardian Britain. *Odin's Library Classics* is dedicated to bringing the world the best of humankind's literature from throughout the ages. Carefully selected, each work is unabridged from classic works of fiction, nonfiction, poetry, or drama.

The Rubicon, Or, Historical Allusions Familiarized, in Sketches of Early Roman History *Rubicon*,2016-05-17 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor

pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Dynasty Tom Holland,2015-10-20 Author and historian Tom Holland returns to his roots in Roman history and the audience he cultivated with Rubicon—his masterful, witty, brilliantly researched popular history of the fall of the Roman republic—with Dynasty, a luridly fascinating history of the reign of the first five Roman emperors. Dynasty continues Rubicon's story, opening where that book ended: with the murder of Julius Caesar. This is the period of the first and perhaps greatest Roman Emperors and it's a colorful story of rule and ruination, running from the rise of Augustus through to the death of Nero. Holland's expansive history also has distinct shades of I Claudius, with five wonderfully vivid (and in three cases, thoroughly depraved) Emperors—Augustus, Tiberius, Caligula, Claudius, and Nero—featured, along with numerous fascinating secondary characters. Intrigue, murder, naked ambition and treachery, greed, gluttony, lust, incest, pageantry, decadence—the tale of these five Caesars continues to cast a mesmerizing spell across the millennia.

Rubicon Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has be more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "Rubicon," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
