

Run D M C

Janette Beckman

Darryl's Dream Darryl "DMC" McDaniels, Shawnee Warfield, Johnny Warfield, Adam Padilla, 2022-01-04 From hip-hop pioneer Darryl "DMC" McDaniels comes Darryl's Dream, a new picture book about creativity, confidence, and finding your voice. Meet Darryl, a quiet third grader with big hopes and dreams. He loves writing and wants to share his talents, but he's shy—and the kids who make fun of his glasses only make things worse. Will the school talent show be his chance to shine? Darryl's Dream, by iconic performer Darryl DMC McDaniels, is a story about finding confidence, facing bullies, and celebrating yourself. This full-color picture book is certain to entertain children and parents with its charming art and important message.

King of Rock Darryl McDaniels, Bruce Haring, 2001-04-20 Darryl McDaniels, better known as DMC, is only one-third of the groundbreaking rap group Run-DMC, but his trendsetting style and street-smart wisdom have made him a star in his own right. Darryl formed Run-DMC fifteen years ago with two friends, and since then the group has been transforming rap and hip-hop into the most popular music in the world, while building a fan base that quietly rivals the biggest acts in rock and roll. From the streets of Hollis, Queens, to the world's largest arenas, Darryl and Run-DMC blazed the trail that would take rap and hip-hop to the top of the charts, but as pioneers the group would also face a number of trials and tribulations. In *King of Rock: Respect, Responsibility, and My Life with Run-DMC*, Darryl candidly talks for the first time about his career as a rap artist and the people he has met throughout the years. Through hilarious anecdotes and thoughtful reflection, Darryl shares the wisdom he has accumulated in his thirty-five years, detailing his battles with fame, money, drugs, and alcohol. Darryl's sharp, flavorful tales of the rise of the group and the fascinating behind-the-scenes glimpses he offers of the rap and hip-hop world capture the excitement and the hardship of being in the spotlight, while also revealing the knowledge he has gained along the way. Written from the distinct perspective of an artist who has been an integral part of the rap and hip-hop scene since day one, *King of Rock* is at once the story of Run-DMC and the memoir of Darryl McDaniels—a boy from Queens trying to make it in the big time. With confidence, compassion, and an acute awareness of life's troubles and rewards, Darryl traces his experiences growing up and into the rap mogul DMC, and finally settling into marriage, fatherhood, and a shift of focus to respect, responsibility, and peace. *King of Rock* is a sharply observed, unpretentious, and often very funny account of being a part of one of the most important acts in the history of popular music.

Run-DMC Louise Chipley Slavicek, 2012 Presents a look at the personal lives and the music careers of the three men who made up the rap group Run-DMC.

King of Rock Darryl McDaniels, Bruce Haring, DMC, 2001-01-01 This autobiography of rap and hip-hop star DMC (Darryl McDaniels), who was one-third of the groundbreaking rap group Run-DMC, details how the band has been transforming rap and hip-hop for 15 years. DMC shares sharp, flavorful tales of the rise of the group, and fascinating behind-the-scenes glimpses of the rap and hip-hop music world. 16-page color insert.

Walk This Way Geoff Edgers, 2019-02-05 Washington Post national arts reporter Geoff Edgers takes a deep dive into the story behind "Walk This Way," Aerosmith and Run-DMC's legendary, groundbreaking mashup that forever changed music. The early 1980s were an exciting time for music. Hair metal bands were selling out stadiums, while clubs and house parties in New York City had spawned a new genre of music. At the time, though, hip hop's reach was limited, an art form largely ignored by mainstream radio deejays and the rock-obsessed MTV network. But in 1986, the music world was irrevocably changed when Run-DMC covered Aerosmith's hit "Walk This Way" in the first rock-hip hop collaboration. Others had tried melding styles. This was different, as a pair of iconic arena rockers and the young kings of hip hop shared a studio and started a revolution. The result: Something totally new

and instantly popular. Most importantly, Walk This Way would be the first rap song to be played on mainstream rock radio. In Walk This Way, Geoff Edgers sets the scene for this unlikely union of rockers and MCs, a mashup that both revived Aerosmith and catapulted hip hop into the mainstream. He tracks the paths of the main artists—Steven Tyler, Joe Perry, Joseph “Run” Simmons, and Darryl “DMC” McDaniels—along with other major players on the scene across their lives and careers, illustrating the long road to the revolutionary marriage of rock and hip hop. Deeply researched and written in cinematic style, this music history is a must-read for fans of hip hop, rock, and everything in between.

King of Rock Darryl McDaniels, Darryl McDaniels, better known as DMC, is only one-third of the groundbreaking rap group Run-DMC, but his trendsetting style and street-smart wisdom have made him a star in his own right. Darryl formed Run-DMC fifteen years ago with two friends, and since then the group has been transforming rap and hip-hop into the most popular music in the world, while building a fan base that quietly rivals the biggest acts in rock and roll. From the streets of Hollis, Queens, to the world's largest arenas, Darryl and Run-DMC blazed the trail that would take rap and hip-hop to the top of the charts, but as pioneers the group would also face a number of trials and tribulations. In *King of Rock: Respect, Responsibility, and My Life with Run-DMC*, Darryl candidly talks for the first time about his career as a rap artist and the people he has met throughout the years. Through hilarious anecdotes and thoughtful reflection, Darryl shares the wisdom he has accumulated in his thirty-five years, detailing his battles with fame, money, drugs, and alcohol. Darryl's sharp, flavorful tales of the rise of the group and the fascinating behind-the-scenes glimpses he offers of the rap and hip-hop world capture the excitement and the hardship of being in the spotlight, while also revealing the knowledge he has gained along the way. Written from the distinct perspective of an artist who has been an integral part of the rap and hip-hop scene since day one, *King of Rock* is at once the story of Run-DMC and the memoir of Darryl McDaniels—a boy from Queens trying to make it in the big time. With confidence, compassion, and an acute awareness of life's troubles and rewards, Darryl traces his experiences growing up and into the rap mogul DMC, and finally settling into marriage, fatherhood, and a shift of focus to respect, responsibility, and peace. *King of Rock* is a sharply observed, unpretentious, and often very funny account of being a part of one of the most important acts in the history of popular music.

Together Forever Glen E. Friedman, 2019-10-01 People always get caught up in what these two iconic groups stood for, but can we just step back for a moment and say, who gives a fuck? They were good! They made amazing records!...Rap parallels punk rock: Destroy everything that came before it and borrow little bits to help you get there. Bring it full circle: it helps us understand how and why these two groups did what they did, and why Glen E. brings us into the picture deeper than anyone and brings it all together. Forever. These photographs inspire and excite us to this day. -- Chris Rock Run-DMC were outsiders from mainstream culture. The Beasties were outsiders from hip-hop culture. Being accepted by Run-DMC and touring with Run-DMC was a mark of authenticity for Beastie Boys. There was a feeling of family between the two groups. -- Rick Rubin In the early 1980s iconic skate and punk photographer Glen E. Friedman had a front row seat to the rise of hip-hop music and culture. He was able to get with both Run-DMC and Beastie Boys on their meteoric rise to fame. Befriending both groups, Friedman's eye composed the photos that have become synonymous with how we remember both groups when they first came into our collective consciousness. And then the moment when it all came together: the seminal, popular, and highly publicized 1987 joint concert tour, Raising Hell. TOGETHER FOREVER is not only a visual time capsule of hip-hop on the cusp of becoming mainstream, but a record of the strong bond of friendship between these two groups and how they significantly influenced each other, all while having a massive impact on music history and the industry. Including scores of never-before-published photos made by Friedman--the bands in concert,

goofing around with celebrities, portraits, and, of course, hanging out together--TOGETHER FOREVER includes a foreword by Chris Rock, plus text contributions by the surviving members of both groups and others who were there, proving that the originals still reign.

Ten Ways Not to Commit Suicide Darryl "DMC" McDaniels, Darrell Dawsey, 2016-07-05 In this surprising and moving memoir, the legendary rap star and cofounder of Run D.M.C. keeps it a hundred percent, speaking out about his battle with depression and overcoming suicidal thoughts—one of the most devastating yet little known health issues plaguing the black community today. As one third of the legendary rap group Run D.M.C., Darryl "DMC" McDaniels—aka Legendary MC, The Devastating Mic Controller, and the King of Rock—had it all: talent, money, fame, prestige. While hitting #1 on the Billboard charts was exhilarating, the group's success soon became overwhelming. A creative guy who enjoyed being at home alone or with his family, DMC turned to alcohol to numb himself, a retreat that became an addiction. For years, he went through the motions. But in 1997, when intoxication could no longer keep the pain at bay, he plunged into severe depression and became suicidal. He wasn't alone. During the same period, suicide became the number three leading cause of death among black people—a health crisis that continues to this day. In this riveting memoir, DMC speaks openly about his emotional and psychological struggles and the impact on his life, and addresses the many reasons that led him—and thousands of others—to consider suicide. Some of the factors include not being true to who you are, feelings of loneliness, isolation, and alienation, and a lack of understanding and support from friends and family when it's needed most. He also provides essential information on resources for getting help. Revealing how even the most successful people can suffer from depression, DMC offers inspiration for everyone in pain—information and insight that he hopes can help save other lives.

Reverend Run (Run-D.M.C.) Terrell Brown, 2007 Produced by 21st Century Publishing and Communications, Inc.-- T.p. verso.

Raising Hell Ronin Ro, 2009-10-13 The year is 1978. Saturday Night Fever is breaking box office records. All over America kids are racing home to watch Dance Fever, Michael Jackson is poised to become the next major pop star, and in Hollis, Queens, fourteen-year-old Darryl McDaniels—who will one day go by the name D.M.C.—busts his first rhyme: Apple to the peach, cherry to the plum. Don't stop rocking till you all get some. Darryl's friend Joseph Simmons—now known as Reverend Run—thinks Darryl's rhyme is pretty good, and he becomes inspired. Soon the two join forces with a DJ—Jason Jam Master Jay Mizell—and form Run-D.M.C. Managed by Run's brother, Russell Simmons, the trio, donning leather suits, Adidas sneakers, and gold chains, become the defiant creators of the world's most celebrated and enduring hip-hop albums—and in the process, drag rap music from urban streets into the corporate boardroom, profoundly changing everything about popular culture and American race relations. Through candid, original interviews and exclusive details about the group's extraordinary rise to the top—and its mortal end brought on by the tragic murder in 2002 of Jam Master Jay—*Raising Hell* tells of Run-D.M.C.'s epic story, including the rivalries with jealous peers, their mentoring of such legendary artists as the Beastie Boys and Public Enemy, and the battles with producers, record executives, and one another. *Ronin Ro* delivers a meticulously researched, compellingly written, affecting behind-the-music tale of family, friendship, betrayal, murder, and the building of the culture and industry known as hip-hop.

The Music Of Run DMC Richard Etchells, 2023-04-25 This book covers the music of Run DMC. They had 7 studio albums.

Run DMC, 1986

Jam Master Jay David E. Thigpen, 2003 Follows the life of innovative rap musician Jam Master Jay, including his difficult childhood, his respected career with Run DMC, and the violent end to his life in October 2002.

Jet ,1991-09-16 The weekly source of African American political and entertainment news.

The Breaks Janette Beckman,2007 A collection of images spanning music, street culture and hip hop icons from 1982 to 1990 which feature entertainers at the breaking point of their careers - and the birth of the hip hop genre as we know it today. Beckman's photographs, taken in New York City, transport readers back to a time before music videos, marketing departments and stylists took control.

Manology Tyrese,Tyrese Gibson,Rev Run,Joseph Simmons,Chris Morrow,2014-01-21 Outlines a groundbreaking approach to lasting and fulfilling relationships, drawing on the author's disparate experiences and viewpoints to share advice on such topics as commitment-phobic men, infidelity, and the secrets to great sex.

New York Magazine ,1986-11-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
