Algoma Township Bethany Hart,Algoma Township Historical Society,2015-09-14 Algoma Township was established by the Michigan Legislature on March 15, 1849, and named in honor of the steamer Algoma, which ran a route on the nearby Grand River in 1848. The township's earliest settlers included the Lapham, Davis, Helsel, Morningstar, and Porter families, among others. Early residents logged and farmed the area's land; today, these traditions continue. The Powell and Bowler farms are just two local examples of Centennial Farms (farms that have been owned and operated by the same family for more than 100 years). Other groups—including the Algoma Grange No. 751, United Brethren Church, and small rural schools—helped to establish a community in Algoma even without it having an independent town center. As a result, Algoma grew beyond its humble beginnings and Native American name that translates to “fields of wild roses.” The treasured stories and images presented in this collection aim to highlight Algoma Township's development and the hardworking people who call the township home.

Wolf at the Door James R. Powell,Alan B. Flanders,2003 *Wolf* captures the story of the U.S. Fifth Naval District's defeat of German U-boats in the struggle for Hampton Roads, Virginia during World War II. The authors include personal interviews with American and German veterans, including German U-boat captains who led the initial attacks in 1942-1943--interviews never before published.. The authors contrast newspaper accounts of the period against historical fact and the personal experience of American and German veterans who were there.

RKO Radio Pictures Horror, Science Fiction and Fantasy Films, 1929-1956 Michael R. Pitts,2015-03-27 *King Kong* and *The Thing from Another World* are among the most popular horror and science fiction films of all time and both were made by RKO Radio Pictures. Between 1929 and 1956, RKO released more than 140 genre features, including *The Most Dangerous Game*, *The Phantom of Crestwood*, *Before Dawn*, *The Monkey's Paw*, *The Hunchback of Notre Dame*, *You'll Find Out*, *The Spiral Staircase*, *The Enchanted Cottage*, *It's a Wonderful Life*, *Captive Women* and *Killers from Space*. RKO is remembered for its series of psychological horror movies produced by Val Lewton, including *Cat People*, *I Walked with a Zombie*, *The Seventh Victim* and *The Body Snatcher*. The studio also produced films in the adventure, comedy, fantasy, mystery and western genres. They released many Walt Disney classics—*Snow White* and the *Seven Dwarfs*, *Fantasia*, *Pinocchio*, *Cinderella*, *Peter Pan*—as well as several “*Tarzan*” features. This volume covers these movies in detail with critical and historical analysis, in-depth plot synopsis and numerous contemporary reviews.

Hollywood Movie Musicals John Howard Reid,2006-04 When most people think of movie musicals, films like *Singin' in the Rain*, *Sound of Music*, *The Red Shoes*, *On the Town*, *White Christmas*, *Ziegfeld Follies*, *Top Hat*, *Funny Face* and *Funny Girl* immediately come to mind. Such films are included in this book, as are many of the works of major stars, including Fred Astaire, Bing Crosby, Gene Kelly, Betty Grable, Shirley Temple, Julie Andrews, Elvis Presley, Lucille Ball, Alice Faye, Jeanette MacDonald, Maurice Chevalier, Nelson Eddy, Doris Day, Dick Powell, Betty Hutton, Eleanor Powell, and Al Jolson. But attention is also drawn to less lavishly produced but very

pleasant musical offerings from both major and minor studios (including perhaps the finest B musical ever made). In all, 125 pictures are reviewed and detailed with full cast and technical credits, plus songs and musical numbers, awards, release dates and other essential background information.

Fantastic Serial Sites of California Gail Orwig,Raymond Orwig,2022-09-09 The first of its kind, this guide to California filming sites covers five decades of science fiction, fantasy, and horror in chapter plays. Covering more than 60 serials, many familiar locations are documented, including the rugged terrain of Red Rock Canyon, which served as a stand-in for Saturn in Buck Rogers; the Bronson Caves and Griffith Observatory, which appeared in Flash Gordon; and the famous Iverson Ranch, which appeared in Batman, Superman and many other serials. The reader will also find serials starring Bela Lugosi, Boris Karloff and Lon Chaney, Jr. Also covered are the skyscrapers that appeared alongside Captain Marvel in The Adventures of Captain Marvel, the location of the Green Hornet's apartment and filming locations for five silent serials. The in-depth storytelling is enhanced by photos of serial memorabilia, postcards, serial descriptions, accurate instructions to locations, notes and more.

The Indianapolis ABCs Paul Debono,2007-08-01 The Indianapolis ABCs were formed around the turn of the century, playing company teams from around the city; they soon played other teams in Indiana, including some white teams. Their emergence coincided with the remarkable growth of black baseball, and by 1916 the ABCs won their first major championship. When the Negro National League was formed in 1920, Indianapolis was one of its charter members. But player raids by the Eastern Colored League, formed in 1923, hurt the ABCs and by the Depression the team was fading into oblivion. The team was briefly resurrected as a Negro league team in the late 1930s, but was otherwise relegated to the semiprofessional ranks until its demise in the 1940s. Through contemporary newspaper accounts, extensive research and interviews with the few former ABC players still living, this is the story of the Indianapolis team and the rise of Negro League baseball. The work includes a roster of ABC players, with short biographies of the most prominent.

The Espionage Filmography Paul Mavis,2015-06-08 From Sean Connery to Roy Rogers, from comedy to political satire, films that include espionage as a plot device run the gamut of actors and styles. More than just "spy movies," espionage films have evolved over the history of cinema and American culture, from stereotypical foreign spy themes, to patriotic star features, to the Cold War plotlines of the sixties, and most recently to the sexy, slick films of the nineties. This filmography comprehensively catalogs movies involving elements of espionage. Each entry includes release date, running time, alternate titles, cast and crew, a brief synopsis, and commentary. An introduction analyzes the development of these films and their reflection of the changing culture that spawned them.

Kay Francis Lynn Kear,John Rossman,2006-01-11 Kay Francis came of age in the Roaring Twenties and relished the era's hedonistic pursuits. Her career as an actress was launched at the same time, and before her death in 1968, she had appeared on many theater stages, in more than 60 films, on radio, in USO tours, as a model, and on television. The tall, stylish actress had a husky voice and dark beauty that was striking on film. Despite her financial success, relaxed morals, and life as a socialite, the millionaire actress shunned luxuries such as limousines and sprawling estates popular among Hollywood elite. The actress, who insisted she wanted to be forgotten, left behind scrapbooks, boxes of memorabilia and detailed diaries. These rich resources help provide an exhaustive look at the life of

one of Hollywood's most intriguing early stars. Francis' biography is the heart of this book, beginning with her family background and her upbringing by a vaudevillian actress mother. The story of her extensive career and never-ending romantic pursuits is peppered with comments from the media and her own diaries, and supplemented with ample photographs. A chronology gives dates of theater openings, film releases, marriages, television and radio appearances, births and deaths. A filmography includes complete cast and credit lists.

The Voice of the Screen, 1928

Home Grown Dennis Rogers, 1979

The Films of Fay Wray Roy Kinnard, Tony Crnkovich, 2015-07-11 Widely acclaimed as a horror movie actress, Fay Wray is best remembered for her performances in King Kong and four other classic 1930s film thrillers, Doctor X, The Most Dangerous Game, Mystery of the Wax Museum and The Vampire Bat. Yet Wray appeared in 77 feature films between 1925 and 1958, playing leading roles in 67. Many of her films, including her entire silent film output, have been lost or are available only on a limited basis. This heavily illustrated filmography at last makes obvious her sizeable contribution to the film industry. After an overview of her professional acting career, the filmography is divided into three sections. The first introduces Wray's early silent feature film appearances; the second covers her "leading lady" period in popular horror thrillers and other films in the sound era; and the third covers her latter-day supporting roles. Appendices document her work in film shorts and her television appearances. Commentary throughout includes first-person interviews with Fay Wray.

"Bare Knees" Flapper Tim Lussier, 2018-10-17 One of the most popular Hollywood child stars of the late 1910s, Virginia Lee Corbin was well known to fans worldwide. With her mother as her manager, Corbin retained her popularity as she grew older. She performed in vaudeville for a couple of years before continuing her film career. Corbin fit well into the flapper mold of the Jazz Age and appeared in many films throughout the 1920s. As she matured, her mother found it ever more difficult to control her. Corbin led a difficult life. After her mother's suicide attempt, she found that all the money she had earned was gone. Her marriage (at age 18) failed and she was eventually separated from her children. The flapper struggled to remain relevant in the sound era and was trying to make a comeback when she died at 31 in 1942.

Western Movies Michael R. Pitts, 2012-12-13 This revised and greatly expanded edition of a well-established reference book presents 5105 feature length (four reels or more) Western films, from the early silent era to the present. More than 900 new entries are in this edition. Each entry has film title, release company and year, running time, color indication, cast listing, plot synopsis, and a brief critical review and other details. Not only are Hollywood productions included, but the volume also looks at Westerns made abroad as well as frontier epics, north woods adventures and nature related productions. Many of the films combine genres, such as horror and science fiction Westerns. The volume includes a list of cowboys and their horses and a screen names cross reference. There are more than 100 photographs.
