

Russian

Robert A. Saunders, Vlad Strukov

Historical Dictionary of the Russian Federation Robert A. Saunders, Vlad Strukov, 2010-05-13 Historical Dictionary of the Russian Federation provides insight into this rapidly developing country. The volume includes coverage of pivotal movements, events, and persons in the late Soviet Union (1985-1991) and contemporary Russia (1991-present), as well as detailed entries covering the country's expansive geography, unique culture, diverse ethnic groups, and complex political and social environment. This is done through a chronology, an introductory essay, maps, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, events, places, and organizations.

An Illustrated Description of the Russian Empire Robert Sears, 1855

The Everything Learning Russian Book with CD Julia Stakhnevich, 2007-11 Whether you're planning a trip to Russia or adding a second language to your resume, this book will help you to: recognize and read Cyrillic letters; pronounce Russian words like a native; ask for directions, order dinner, and conduct business; and hold your own in a conversation. Includes step-by-step lessons in vocabulary, grammar, and conversation.

To Be or Not to Be Russian? Konstantin Averin Tatiana Pavlova, 2011-11-21 The authors are neither professional writers nor social commentators. They have carried out this joint research in the national consciousness of Russians on the basis of their personal convictions, citizenship and love to their Motherland. Konstantin Averin is an economist. His main areas of activity are banking business, agriculture, building industry, pharmaceutical production, investigation in practical philosophy. Resides in Russia, Rostov-on-Don. Tatiana Pavlova is a psychologist. Her main areas of activity are

investigation in practical philosophy, delivery of assistance in crisis conditions, pre-trial conflict resolution, family consulting. Resides in Russia, Rostov-on-Don.

Russians Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries-and continue to do so today. *RUSSIANS* explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much-needed light on the purposely hidden functioning of its society before, during, and after communism. Woven throughout is an intimate, first-person account of his family history, from his Russian

mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. *RUSSIANS* is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

Amerika Mikhail Iossel, Jeff Parker, 2004 For half of the twentieth century, there were two superpowers in the world and a gulf of silence between them. Knowledge of Russian culture was based on propaganda and rumour, and their knowledge of the West was no better. When the Soviet Union fell, Russians began to travel to America more regularly, and what they discovered was a very different place to the one they had imagined, but, at the same time, not exactly the one that Americans think they know. This collection of beautifully written and entertaining literary essays by a wide range of Russian writers - young and old, funny and sombre, angry and celebratory, many being translated for the first time - offers readers a unique chance to see Americans in a whole new light, to question how the American dream stands up to the American reality, and to experience the wit and generosity of today's Russian writers.

Misunderstanding Russia Magda Leichtova, 2016-07-22 Well argued and balanced, Leichtova provides an alternative and more constructive understanding of what drives Russian foreign policy. The book is based on the concepts of constructivism and orientalism in international relations to analyse the policies of the Russian Federation. This book highlights that Russian foreign policy is a complex phenomenon constructed

from internal as well as external developments, perceptions and expectations. At the same time, it also highlights that Western states are the most significant Other in construction of the Russian foreign policy and even Russian identity and, at the same time, actively create an 'image of Russia' in international politics which is widely based on their own Western assumptions about the country. The author introduces the reader to an alternate portrayal of relations between Russia and the West which all analysts should take into consideration before drawing conclusions.

The North in Russian Romantic Literature Otto Boele, 1996 This book explores the North in Russian romantic literature as a symbol of national particularity. It largely ignores the vogue of Ossian, being primarily concerned with the significance of the North for Russia's national self-image. The author demonstrates how, starting with Lomonosov, the North initially functions as a symbol of Russia's 'new' European identity. Gradually it acquires a different ideological charge, giving voice to growing resentment over the inroads of western culture. By the turn of the century, the North no longer denotes Russia's supposed Europeanness, but its 'unique national' spirit, believed to have been polluted by the slavish imitation of the West. By this time, the theme of winter was discovered as an appropriate vehicle for the expression of nationalist sentiments, culminating in the popular myth of the winter of 1812 as an ally of the Russian people. This study also investigates the theme of 'northern homesickness' as opposed to the lure of the South and concludes by examining the national stereotypes of Russia's northern neighbours, the Swedes and the Finns.

Inside the Russian Revolution Mrs. Rheta Childe Dorr, Rheta Childe Dorr, 1917

Russian Silhouettes Anton Pavlovich Chekhov, 1915

The Russian James Patterson, James O. Born, 2021-01-25 When a serial killer crashes Detective Michael Bennett's wedding, he and his new partner uncover a gruesome string of cold-case homicides across the country. Weeks before NYPD Detective Michael Bennett is to marry his longtime love, Mary Catherine, an assassin announces his presence in the city with a string of grisly murders. Each victim is a young woman. And each has been killed in a manner as precise as it was gruesome. Tasked with working alongside the FBI, Bennett and his gung-ho new partner uncover multiple cold-case homicides across the country that fit the same distinctive pattern—proving the perpetrator they seek is as experienced at ending lives as he is at evading detection. Bennett promises Mary Catherine that the case won't affect their upcoming wedding. But as Bennett prepares to make a lifetime commitment, the killer has a lethal vow of his own to fulfill.

Russian Intelligentsia in the Age of Counterperestroika Dmitri N. Shalin, 2020-06-09 This book examines the phenomenon of intelligentsia as political discourse, civic action, and embodied practice, focusing especially on the political agendas and personal choices confronting intellectuals in modern Russia. Contributors explore the role of the Russian intelligentsia in dismantling the Soviet system and the unanticipated consequences of the resultant changes which threaten the very existence of the intelligentsia as a distinct group. Building on the legacy of John Dewey and Jürgen Habermas, the authors make the case that the intelligentsia plays a critical role in opening communications, widening the range of participants in public discourse, and freeing social intercourse from the constraints nondemocratic political arrangements impose on the

communication sphere. Looking at current trends through a variety of different lenses, this book will be of interest to those studying the past, present, and future of the Russian intelligentsia and its impact not only in Russia, but around the world. This book was originally published as a special issue of the Russian Journal of Communication.

Assignment Russia Marvin Kalb, 2021-04-13 A personal journey through some of the darkest moments of the cold war and the early days of television news Marvin Kalb, the award-winning journalist who has written extensively about the world he reported on during his long career, now turns his eye on the young man who became that journalist. Chosen by legendary broadcaster Edward R. Murrow to become one of what came to be known as the Murrow Boys, Kalb in this newest volume of his memoirs takes readers back to his first days as a journalist, and what also were the first days of broadcast news. Kalb captures the excitement of being present at the creation of a whole new way of bringing news immediately to the public. And what news. Cold War tensions were high between Eisenhower's America and Khrushchev's Soviet Union. Kalb is at the center, occupying a unique spot as a student of Russia tasked with explaining Moscow to Washington and the American public. He joins a cast of legendary figures along the way, from Murrow himself to Eric Severeid, Howard K. Smith, Richard Hottelet, Charles Kuralt, and Daniel Schorr among many others. He finds himself assigned as Moscow correspondent of CBS News just as the U2 incident—the downing of a US spy plane over Russian territory—is unfolding. As readers of his first volume, *The Year I Was Peter the Great*, will recall, being the right person, in the right place, at the right time found Kalb face to face with Khrushchev. *Assignment Russia* sees Kalb once again an eyewitness to history—and a

writer and analyst who has helped shape the first draft of that history.

A Modern History of Russian Childhood Elizabeth White, 2020-02-20 *A Modern History of Russian Childhood* examines the changes and continuities in ideas about Russian childhood from the 18th to the 21st century. It looks at how children were thought about and treated in Russian and Soviet culture, as well as how the radical social, political and economic changes across the period affected children. It explains how and why childhood became a key concept both in Late Imperial Russia and in the Soviet Union and looks at similarities and differences to models of childhood elsewhere. Focusing mainly on children in families, telling us much about Russian and Soviet family life in the process, Elizabeth White combines theoretical ideas about childhood with examples of real, lived experiences of children to provide a comprehensive overview of the subject. The book also offers a comprehensive synthesis of a wide range of secondary sources in English and Russian whilst utilizing various textual primary sources as part of the discussion. This book is key reading for anyone wanting to understand the social and cultural history of Russia as well as the history of childhood in the modern world.

A Companion to the Russian Revolution Daniel Orlovsky, 2020-10-19 *A* compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one-sixth of the world. It altered the geo-political landscape of not only Eurasia, but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity— the causes and meanings of revolution are many, as is reflected in contemporary

scholarship on the subject. A Companion to the Russian Revolution offers more than thirty original essays, written by a team of respected scholars and historians of 20th century Russian history. Presenting a wide range of contemporary perspectives, the Companion discusses topics including the dynamics of violence in war and revolution, Russian political parties, the transformation of the Orthodox church, Bolshevism, Liberalism, and more. Although primarily focused on 1917 itself, and the singular Revolutionary experience in that year, this book also explores time-periods such as the First Russian Revolution, early Soviet government, the Civil War period, and even into the 1920's. Presents a wide range of original essays that discuss Brings together in-depth coverage of political history, party history, cultural history, and new social approaches Explores the long-range causes, influence on early Soviet culture, and global after-life of the Russian Revolution Offers broadly-conceived, contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject, and a valuable resource for those interested in Russian, Late Imperial, or Soviet history as well as anyone interested in Revolution as a global phenomenon.

Moscow's Final Solution Darrel Philip Kaiser, 2008 The Final Chapter of the German-Russian Volga Colonies is filled with words like Starvation, Torture, Mass Murders, Deportation, Siberia, and GENOCIDE. Why? One would think that after all the trouble that Tsarina Catherine the Great went to get the Germans to come to Russia, and after living in the Volga Colonies for 100 years, they would be welcome forever. Not so: the Russians felt the German-Russians were still Germans at heart and not to be trusted. This book covers

the increasing stranglehold that the Tsarist Government clamped on the Volga Colonies around 1860. This was the start of 81 years of Russian scheming to rid Russia of the German-Russians. Also covered is their deportation and life in Siberia, and Moscow's elimination of all traces of the German-Russians Volga Colonies. GENOCIDE This is my third book in a series on the German-Russian Volga Colonies. See all my books at my websites, www.Volga-Germans.com & www.DarrelKaiserBooks.com

Imagining Russian Regions Susan Smith-Peter, 2018 In *Imagining Russian Regions: Subnational Identity and Civil Society in Nineteenth-Century Russia*, Susan Smith-Peter shows how ideas of civil society encouraged the growth of subnational identity in Russia before 1861. Adam Smith and G.W.F. Hegel's ideas of civil society influenced Russians and the resulting plans to stimulate the growth of civil society also formed subnational identities. It challenges the view of the provinces as empty space held by Nikolai Gogol, who rejected the new non-noble provincial identity and welcomed a noble-only district identity. By 1861, these non-noble and noble publics would come together to form a multi-estate provincial civil society whose promise was not fulfilled due to the decision of the government to keep the peasant estate institutionally separate.

Russian Realities & Problems Pavel Nikolaevich Miliukov, Petr Berngardovich Struve, Roman Dmowski, Harold Williams, Aleksandr Lappo-Danilevskii, 1917

Russian Stage One: M. Lekich, 2009 The 2009 edition of 'Russian Stage One: Live from Russia!' reflects the continuing rapid changes that have occurred in day-to-day Russian life and culture over the past decade. The authors' primary goal in producing 'Live from Russia!' was to ensure that language and cultural information presented in the book

are completely up to day, not only post-Soviet, but clearly reflective of the norms of the Putin/Medvedev era. This led the authors and ACTR to the decision to undertake a complete remake of the familiar soap opera story, which serves as the thematic base of the text. The time of the new version of the story is 2009, and much in the lives of the characters, as well as in the city of Moscow and around Russia, has changed in comparison to the initial shooting of 'Live' in 1996. Cell phones and text-messaging are a regular part of Russian life in 2009; the tempo of Russian business life has evolved considerably. The depiction of the regions and cultural diversity of Russia represents another significant change in the new version of 'Live from Russia!', including the change in title.--from the Preface.

The Russian Mind Since Stalin's Death Yuri Glazov, 1985

Right here, we have countless ebook **Russian** and collections to check out. We additionally offer variant types and next type of the books to browse. The good enough book, fiction, history, novel, scientific research, as with ease as various further sorts of books are readily easy to use here.

Russian Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms

that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this

treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories

and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Russian. In conclusion, the internet offers numerous platforms and

websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Books

What is a Russian PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document,

regardless of the software, hardware, or operating system used to view or print it.

How do I create a Russian PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters:

There are various online tools that can convert different file types to PDF. **How do I edit a Russian PDF?**

Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online

converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software

like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
