*Perspectives of Savitri* Ry Deshpande, 2021-02-13 Sri Aurobindo considered Savitri as his main work and out of his precious time allotted every day two and a half hours for its composition. This was in the late forties when the tempo of work had speeded up considerably. In fact he was otherwise engaged with it almost for fifty years though with some long gaps in between. Today we have a poem written in pentametric blank verse form running almost to twenty-four thousand lines. Divided into twelve Books as is the tradition for an epic, it has forty-eight Cantos and an Epilogue. Part I consisting of the first twenty-four Cantos was published about twelve weeks before Sri Aurobindo's passing away, in September 1950; Part II and Part III as a single volume appeared in May 1951. It is significant to note that Sri Aurobindo regarded Savitri as his main work. It does not mean that he took time off from his spiritual pre-possession simply for the purposes of a happy literary pursuit. Rather it was his constant companion in the task of realisation and establishment of the dynamic Truth in this creation. He worked upon it again and again until the kind of yogic perfection he wanted was achieved in it, that it could also become a means to achieve that perfection even in a literary endeavour. We have an early letter of Sri Aurobindo to this effect: I used Savitri as a means of ascension. I began with it on a certain mental level, each time I could reach a higher level I rewrote from that level.... In fact Savitri has not been regarded by me as a poem to be written and finished, but as a field of experimentation to see how far poetry could be written from one's own yogic consciousness and how that could be made creative. In another letter he writes: Savitri is the record of a seeing. The birth and growth of Savitri as a flamechild is therefore a Yogi's spiritual autobiography. Its birth is in the Tapas-Shakti of one who is committed to discover the Word that can transform the lot of our mortality and its growth is in the action that can bring felicitous prosperity to it. Therefore Savitri is also named the Sun-Word or the Daughter of Infinity. To describe Savitri we may very well apply the epithets Vyasa used for characterising Aswapati's daughter Savitri. She is a radiant daughter, kanya tejasvini, she is a damsel of heaven, devalcanya, she is heavenly and radiant in form, devarupini; she is Goddess Fortune and one who brings the wealth of

auspicious happiness, is beautiful and charming, and is also an adept in the Yoga of Meditation, dhyanyogaparayana, thus equipped to accomplish the purpose for which she has taken this mortal birth in the world of men. In the Mother's words Savitri is the supreme revelation of Sri Aurobindo's vision.<sup>4</sup> Its subject is universal and its revelation is prophetic. About this prophetic character she speaks elsewhere as follows: That marvellous prophetic poem... shall be humanity's guide towards its future realisation. A divine fulfilment in this long and difficult evolutionary process is its theme and the assertion is that it can bring even to this existence what it confirmatively states. Therefore Savitri becomes a Yogic Word which always has the power to affirm in life the transcendental Truth it proclaims. The more we plunge into the tranquil-emerald of Savitri's ocean the more we discover its riches of truth, light, beauty, joy, sweetness, harmony, strength, perfection. Even when one reads Savitri on a mental level it can open out for us prospects of lustrous spiritual realisations; it can lead us to understand deeper things. Though Savitri is a text-book of the Yoga of Physical Transformation and continually needs the author's knowledge and experience for understanding it, its esotericism in some respect can yet be grasped if we read it with a silent mind.

**Trafficking in Broken Hearts** Edwin Sanchez, 2014-12-15 When Papo, a tough-talking Puerto Rican hustler from the Bronx, meets Brian, a frightened young lawyer from the Midwest, Papo begins to glimpse the possibility of a romantic escape from his life on the streets. At the same time, Bobby, a 17-year-old runaway who has been repeatedly raped by his older brother, offers to take care of Papo and moves in with him in his fleabag hotel room. It is then when Papo suddenly finds his defenses melting and his heart torn in two directions. **TRAFFICKING IN BROKEN HEARTS** is a gritty, urban love story. Playwright Edwin Sanchez makes a promising New York debut with **TRAFFICKING IN BROKEN HEARTS**, a grim, streetwise and bracingly compassionate work ... he convinces with the honesty of his writing and a canny, thoughtful grasp of his trio of characters. The playwright does an especially effective job in penning the gray shades of his characters ... -Greg Evans, Variety

The 2009 What Color is Your Parachute? Richard Nelson Bolles, 2009 A guide to discovering personal goals and interests explains how to apply that information toward obtaining satisfying employment

**The Hour of God** Sri Aurobindo, 1959-08-15 "The pieces collected together in this book were written by Sri Aurobindo between 1910 and 1940. None of them were published during his lifetime; none received the final revision he gave to his major works. Most of the pieces were first printed in various journals published by the Ashram, and subsequently in the different editions of *The Hour of God*, beginning with the first edition (1959)." In reading these essays, one gets the very distinct feeling that the author really does know whereof he speaks. Here, we are able to sit in his lap and listen as he fabricates one description after another of the ineffable and explains how we too can share in the realization awaiting us at the end of what seems, in the clarity of his vision, to be not such an arduous path. It is not that he ever says that the way is easy, quite the contrary; but the certainty with which he speaks seems to put it into reach.

**Crochet Your Christmas Ornaments** , 2014-10-01 A fun and festive collection of DIY crocheted Christmas baubles and

Mahābhārata. In it Rishi Mārkaṇḍeya narrates it, by way of an illustration, to the exiled Yudhishtira as how righteous conduct proves rewarding. In the Mahābhārata the narration comes as an Upākhyāna, a minor Episode. It runs into seven Cantos of the Book of the Forest, Vana Parva, Chapters 293-299, 300 shlokas or stanzas, with Pativrata Māhātmya as a sub-title in the Gorakhpur Gita Press publication. The present verse-by-verse rendering into English was first serialised about three decades ago in Mother India, a monthly review of culture published by Sri Aurobindo Ashram Pondicherry; it also included a critique of Vyāsa's work in the form of an essay titled Some Perspectives of the Savitri Upākhyāna. The work came out as a book in 1996. We are glad that Savitri Foundation is to reissue it as a part of its series of publications dealing with various facets of Sri Aurobindo's epic Savitri. In the poetry of this little tale by Vyāsa we already begin to see the quality of his style that is bare and austere and unornamented, robust, masculine, the verses lifted up by a forceful and unerring intellect and the substance carrying the quiet compact strength of his phrase and idiom and diction. Whatever is there is most often poetically functional, is aimed, holding to the dictum of manner shaped and formed by matter. Bearing its full charge the swift epic movement of the tale unerringly courses with unhampered speed and momentum, reluctant to linger in any purely lyrical description. It has even those early suggestive pointers of a masterpiece in the making. The original text of Savitri by Vyāsa has the dignity of substance, dignity of style, dignity of creative delight, dignity of rhythm, dignity of noble vision, dignity of righteousness as a dictum in the conduct of life, a remarkable literary creation. There is all where a general overhead poetic atmosphere. In it the idea-force and idea-seeds of the spiritual perception and truth-knowledge are golden and bright.
