Stargazer Girl Stargazer Press,T R Woodman,2019-05-28

Book 4 finale of the completed 4 book series. A determined girl will cross the galaxy, risking everything she holds dear to find the one thing that's missing ... Pursuing answers to mysteries has led Evelyn to being kidnapped, imprisoned, tortured, poisoned, battling bionic super-soldiers and sea monsters, and maybe worst of all ... other teenage girls. So, when she is confronted with another mystery involving the same colonists who have ridiculed, hunted and exiled her, she's certain it will bring nothing but heartache. But her head can't convince her heart of this truth. Even though she finally has everything she wants-freedom to trek the galaxy; the respect, if not the admiration of the colonists; the boy, her first friend and first love-the aching void in her chest tells her that

something is still missing. So, with thoughts and feelings she cannot explain to herself, let alone to those she loves, Evelyn will throw herself into another mystery-one that will span the galaxy and may cost her everything she holds most dear, all with the hope she'll find that 'something' that's missing ... a place to call home. Stargazer Girl is the book 4 finale in T.R. Woodman's young-adult sci-fi series.

Mobile Suit Gundam Thunderbolt, Vol. 16, 2021-08-17 An epic story of war and survival set in the legendary Gundam universe! In the Universal Century year 0079, the space colony known as Side 3 proclaims independence as the Principality of Zeon and declares war on the Earth Federation. One year later, they are locked in a fierce battle for the Thunderbolt Sector, an area of space scarred by the wreckage of destroyed colonies. Daryl Lorenz and his fellow Zeon defectors have made it back into space, but they've got the entire Earth Federation fleet between them and the Nanyang Alliance rendezvous point. Renegade Zeon General Galle can help, but his assistance comes at a price, and getting through the blockade will require an audacious plan that only Daryl Lorenz can pull off—stealing an advanced Mobile Armor equipped with the advanced Psycommu control system, right out from under the

Federation’s noses!

Technical Manual Yoshiyuki Tomino,2002 The Gundam 0083: Stardust Memory Technical Manual covers everything a curious historian could want to know about this, and other Gundam side stories, as seen on Cartoon Network.
