*Ryo in the Broken World* Jacob C. Connerly, 2022-06-23 A dark elf named Ryo and her father journey through an eerie wasteland after the mysterious demise of their world. Ryo and her father search for two things: Food, and for their lost people. Ryo must learn how to survive without magic in a world that has collapsed after The Break, an enigmatic post-war disaster that scarred reality and led to the disappearance of all but two of the elves. Ryo must traverse a land somewhere between dreams and reality, dodging the dangers left behind by the reckless society that came before her. Throughout it all, a strange and seemingly all-powerful figure -- the Blue Monkey -- creates chaos and torments Ryo and her father. Ryo races to find a way to defeat the Blue Monkey before it claims the Broken World for itself.

*The Refusal of Suitors* Ryo Yamaguchi, 2015 Poetry. Asian American Studies. THE REFUSAL OF SUITORS draws on Penelope and her loom to engage the landscapes, wants, forms, and ultimately the repetitions and variations of contemporary urban life. Through varying styles, voices, and layouts, these poems move collectively with a sonic force, the pure acoustics of declaratives, through a night that begins / with our falling asleep, the wet paragraph that he aspirates, with a visionary amalgam of phenomenon and symbol. From long-lined, romantic odes to tight, pictorial meditations akin to classical Asian poetry from the jocular to the reposed to the amorous to the despondent these are poems that are never satisfied, that relish the sweet chorea of the longest day.

**Guide to Drawing Manga Fantasy Furrries** Ryo Sumiyoshi, 2023-04-25 Part human, part animal — all fantastic! Veteran illustrator Ryo Sumiyoshi stretches the boundaries of fantasy human-animal hybrids in his new book—presenting not just the usual jungle beasts but a fascinating array of strange and unusual creatures found nowhere else! Sumiyoshi's extensive sketchbook ideas, drawing tips and full-color examples combine insights on body structures and movement with conceptual sketches and notes linking physical attributes to personality and behavior. The hundreds of drawings in this book show you how to create a rich menagerie of fantasy characters: Anthropomorphic furrries based on the classic dog, cat, fox and werewolf-type characters Humans with animal features like a hunter with a bushy tail and the crafty face of a cat Animals with human features, for example a six-legged tiger with a human face Animal-to-animal hybrids including a snake-fox and a griffinesque chimera These creatures boast mix-and-match fangs, beaks, paws, claws, fur, fins, feathers, scales and plates paired with expressive human attributes. And they come from every branch of the animal kingdom—from mammals to birds, reptiles, fish and insects—and everything in between. This is the ultimate sourcebook for anyone interested in fantasy creature design!

**Ryo's adventure** Motorca Paul, Motorca Cami, 2023-06-28 Ryo's Adventure is a magical children's story about Ryo, a wise and strong German Shepherd, who leads his friends Shiba and Rey on a journey through a forest to help them overcome their fears and challenges. Along the way, they meet forest animals that share valuable lessons,

further helping the trio grow in confidence and resilience. The story shows how important it is to have friends, support, and be open to new things. It also shows how a positive attitude can help you overcome fears and problems.

**Ryo, Beyond the Badge** Motorca Paul, Motorca Cami, 2023-06-29 Once upon a time, there was a story called Ryo, Beyond the Badge that will make you feel super happy because it's all about facing problems and learning about yourself. Once upon a time, there was a detective named Ryo. But one day, something sad happened and he couldn't be a detective anymore. His friends, Shiba and Rey, wanted to help him feel better, so they took him to a special place called the Kindhearted Sanctuary. It was a place where Ryo could get lots of love and support to make him feel happy again. At that special place, kids play games that help them learn to be good friends, talk to each other, and do things together as a team. Ryo learns super important lessons from Oliver and Tilly about how special he is and how to be kind to others. Ryo also finds out that doing fun activities helps him find new things that make him really excited! A person shouldn't be defined by their job or their grades. Instead, they should be defined by the things they're good at, the things that make them happy, and the love and support they get from their friends and community. The lesson of the story is super duper important: you shouldn't judge someone just by their job or grades, but by what they can do!

**Centaurs Vol. 1** Ryo Sumiyoshi, 2023-10-04 An epic fantasy adventure set in an alternate medieval Japan, where humans co-exist with the mythic half man/half horse beasts known as centaurs, or jinba. The centaur race were long revered as deities in ancient times; however, with the advent of the sengoku (warring states) period, humans started to enslave and use them for military purposes due to their speed, stamina, and ability to communicate in human language. Centaurs living in the plains were rapidly subjugated; in contrast, large numbers of centaurs living deep in the mountains were still free due to their relative isolation. A wild and proud samurai jinba from the mountains named Matsukaze, known as the redheaded rock tiger, is caught while protecting his son. He is traded to a feudal lord, and taken to his land. There he meets another centaur, named Kohibari, whose village was burned down as a child. He is a tame centaur, who had his arms amputated when he was captured, and has given up hope of escaping his human captors. If they can get over their differences and work together, they just might be able to return to the wilds as free centaurs.

Tomorrow Is Too Late Perrin Pring, 2014-08-05 I was a natural flier, I could take a punch, and I was smarter than most. Within five years I was a full-fledged pilot. On my last assignment, I was Master Pilot Eri Everfar, commanding pilot of a class B Federal war ship, the Seeker, and that's where I met him, Drakier Lu... Filion and his new friends have escaped Bok and are stuck in an asteroid field that isn't supposed to exist. They've almost run out of fuel, their water supply is seriously depleted, all of their food has been destroyed, and the girl they'd just risked everything to save, Ryo, is dead. Captain Eri's former lover, Drakier Lu, has been promoted to Master Commander of the entire Federal Fleet, and his assignment is to find and capture the Dark Horse. Captain Eri has been identified as a Tiori, and she and her associates have just become the Federation's most wanted. Things aren't what they seem though, and the line between good and evil blurs as the players' true motivations come to light. Filion and the crew return, traveling the galaxy and dodging the Federation and the Tioris, all the while searching for a rogue planet that may or may not be harboring the one person who can save them all...

**Attack on Titan: Kuklo Unbound** Ryo Suzukaze, Thores Shibamoto, 2018-12-04 A prequel to the blockbuster Attack on Titan series, Before the Fall is a three volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of Before the Fall are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection we are introduced to a new character, Kuklo, who was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kuklo, despite his horrible beginnings and a single-functioning eye, also seems to grow unnaturally fast. He parts himself from his past and gambles on the fate of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kuklo survives and thrives. But to accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kuklo, he fights the titans. Whether it is because it is his fate to fight them, or it is because of his past, he fights against them.
