

Ryoko Kaminagi

Keikaku (Project) Itoh

Anime and Memory Dani Cavallaro, 2014-01-10 The theme of memory has played a significant role in anime throughout its evolution as an art form and as popular entertainment. Anime's handling of memory is multifaceted, weaving it into diverse symbolic motifs, narratives and aesthetic issues. This study aims to provide a detailed analysis of a range of anime titles wherein different aspects of this cultural phenomenon are articulated. It explores anime films and series that exemplify the distinctive signatures placed by particular directors or studios on the treatment of memory, while also highlighting the prominence of memory in anime with reference to specific philosophical, artistic, and historical contexts.

Ryoko 〇〇〇〇, 2011-09

ryoko, 2009

Ryoko, 2019

From the New World, Volume 3 Yusuke Kishi, 2014-03-04 Saki and friends finally learn many of the troubling secrets of their brave new world. Whether the harsh facts can be altered or not is another matter altogether.

Imadoki!, Vol. 1 Yuu Watase, 2004-06-02 Imadoki! (Nowadays) follows the trials and tribulations of a budding horticulturist as she makes her way down the winding road to friendship. From Yuu Watase, one of Japan's most beloved shôjo artists, Imadoki! packs comedic charm and heartfelt antics into an adorable bouquet of whimsical fantasy. For Tanpopo Yamazaki, life at the elitist Meio Academy seems way out of her league. The daughters of wealthy families snub her, other students make light of the fact that she actually tested into Meio instead of relying on family connections, and the cute boy she saw tending a dandelion the day before wouldn't even acknowledge her existence. Hoping to make friends and have some fun, Tanpopo starts up a gardening committee, but will this help her survive in a school where superficiality and nepotism reign supreme?

A Trick of Light Stan Lee, Kat Rosenfield, Ryan Silbert, Luke Lieberman, 2019 Set in Lee's Alliances Universe, co-created by Lee, Lieberman, and Silbert, and along with Edgar Award-nominated co-writer Rosenfield, this novel is packed with the pulse-pounding, breakneck adventure, and the sheer exuberant invention that have defined his career as the creative mastermind behind Marvel's spectacular universe.

Armored Trooper Votoms Soji Yoshikawa, Ryosuke Takahashi, 1997 This full-color graphic novel is a prequel to the animated series and contains material found nowhere else! War has ravaged the Astragius Galaxy for 100 years, and Armored Trooper pilot Chirico Cuvie prepares for the final battle as he joins the elite and deadly Red Shoulder Battalion.

Anime Supremacy! Mizuki Tsujimura, 2017-10-03 Japanese animation—the globally acclaimed, family-friendly theatrical features are the exception rather than the rule for a TV-oriented industry that has been pushed into late-night slots in an era of fragmented audiences. When only three titles among fifty might turn a profit, topping the charts is hardly an overambitious aim. Yet as three women, a producer, a director, and an animator, survive in a business infamous for its murderous schedules, demoralizing compromises, and incorrigible men, moments of uplift emerge against all odds—and how. More than just a window into an entertainment niche, here's a kickass ode to work.

Love Hina Ken Akamatsu, 2002 When Keitaro Urashima fails his entrance exams to get into Tokyo University for the second time, his parents kick him out of the house. Fortunately, his grandmother agrees to hire Keitaro as the caretaker of her Hinata Lodge, which is actually a girls dorm, and he's the only guy around!

Harmony Keikaku (Project) Itoh, 2010-07-20 In the future, Utopia has finally been achieved thanks to medical nanotechnology and a powerful ethic of social welfare and mutual consideration. This perfect world isn't that perfect though, and

three young girls stand up to totalitarian kindness and super-medicine by attempting suicide via starvation. It doesn't work, but one of the girls--Tuan Kirie--grows up to be a member of the World Health Organization. As a crisis threatens the harmony of the new world, Tuan rediscovers another member of her suicide pact, and together they must help save the planet...from itself. In the future, Utopia has finally been achieved thanks to medical nanotechnology and a powerful ethic of social welfare and mutual consideration. This perfect world isn't that perfect though, and three young girls stand up to totalitarian kindness and super-medicine by attempting suicide via starvation. It doesn't work, but one of the girls--Tuan Kirie--grows up to be a member of the World Health Organization. As a crisis threatens the harmony of the new world, Tuan rediscovers another member of her suicide pact, and together they must help save the planet...from itself.

Marmalade Boy Volume 1 Wataru Yoshizumi,2002-04-23
Miki wants an ordinary family but her parents change that and she now has a stepbrother.

Kujibiki Unbalance Shimoku Kio,Keito Koume,2008
KIDNAPPED Chihiro, Koyuki, Tokino, and Renko have been chosen to lead the next student council at the exclusive Rikkyoin High School. As president, the hapless Chihiro must learn how to be a true leader. But when his fellow student council members are kidnapped, Chihiro faces his first major challenge. Will Chihiro prove he has what it takes to be a great student body president?

Mushishi Yuki Urushibara,2007-07-01 Mushi have been around since shortly after life came out of the primordial ooze. They're everywhere; some live behind your eyelids, some eat silence, some kill, and some drive men mad. Ginko is a mushishi, or mushi master, and has the ability to help thos

Venus Versus Virus Vol 1 Atsushi Suzumi,2007-07-24 Sumire Takahana is a seemingly normal school girl cursed with the ability to see malevolent ghosts known as Viruses. Her life hits a

crossroads after a run-in with Lucia, a gothic lolita clad monster killer for hire. Not content to stay on the sidelines while these Viruses prey on the weak, Sumire decides to join forces with the mysterious, eyepatch-wearing Lucia to hunt down the Viruses before they can hurt anyone else.
