Guild Wars: Ghosts of Ascalon Matt Forbeck, Jeff Grubb, 2010-07-27 250 years ago, Ascalon burned . . . Desperate to defend his land from advancing hordes of bestial charr, King Adelbern summoned the all-powerful Foefire to repel the invaders. But magic can be a double-edged sword—the Foefire burned both charr and human alike. While the charr corpses smoldered, the slain Ascalonians arose again, transformed by their king's rage into ghostly protectors and charged with guarding the realm . . . forever. The once mighty kingdom became a haunted shadow of its former glory. Centuries later, the descendants of Ascalon, exiled to the nation of Kryta, are besieged on all sides. To save humankind, Queen Jennah seeks to negotiate a treaty with the hated charr. But one obstacle remains. The charr legions won't sign the truce until their most prized possession, the Claw of the Khan-Ur, is returned from the ruins of fallen Ascalon. Now a mismatched band of adventurers, each plagued by ghosts of their own, sets forth into a haunted, war-torn land to retrieve the Claw. Without the artifact, there is no hope for peace between human and charr—but the undead king who rules Ascalon won't give it up easily, and not everyone wants peace!

The Invitation Vi Keeland,2021-01-18 A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. The first time I met Hudson Rothschild was at a wedding. I'd received an unexpected invitation to one of the swankiest venues in the city. Hudson was a groomsman and quite possibly the most gorgeous man I'd ever laid eyes on. He asked me to dance, and our chemistry was off the charts. I knew it wasn't a good idea to get involved with him, considering the wedding I was at. But our connection was intense, and I was having a great time. Though the fun came to a screeching halt when Hudson figured out I wasn't who I'd said I was. You see, that unexpected invitation I received? Well, it hadn't actually been addressed to me—it was sent to my ex-roommate who'd bounced a check for two months' rent and moved out in the middle of the night. I figured she owed me an expensive night out, but I guess, technically, I was crashing the wedding. Once caught, I couldn't get out of there fast enough. As I bolted for the door, I might've plucked a few bottles of expensive champagne off the tables I passed, all while the gorgeous, angry groomsman was hot on my tail. Outside, I jumped into a taxi. My heart ricocheted against my ribs as we drove down the block—but at least I'd escaped unscathed. Or so I thought. Until I realized I'd left my cell phone behind at the table. Take one guess who found it? This is the crazy story of how Hudson Rothschild and I met. But trust me, it's only the tip of the iceberg.

Every film analysis includes reviews, four-star ratings, background information, plot synopses, accurate running times, consumer tips, and MPAA ratings. Brief guides to made-for-TV movies, direct-to-video releases, foreign films that were never theatrically released in the U.S., and live-action films with significant animation round out the volume.

The Golden Mountain Easurk Emsen Charr, 1995 Charr tells eloquently of his difficulties in becoming a naturalized citizen, even after serving in the army, of his sergeant's encouragement of his quest for citizenship, his return to San Francisco and a job in a cousin's barbershop during the Depression, and of the American Legion's help when his Korean-born wife was threatened with deportation proceedings after her student visa expired. After becoming a naturalized citizen, Charr took the civil service examination and, for the remainder of his working life, was employed by the U.S. government, first in Nevada and then in Portland, Oregon. The introduction and annotations by Wayne Patterson provide a broader perspective on both Charr and the Korean immigrant experience.
