Diary of a Stalker Electa Rome Parks,2012-01-01 Electa Rome Parks paints a powerful portrait of a crazed fan who can't seem to close the book on the affair after a one-night-stand with a famous author—and who will stop at nothing to make him hers. Even if that means killing him. . . Bestselling author Xavier Preston is used to women throwing themselves at him. On top of being a successful writer, he's also tall, dark and sexy as sin. He's always relished the attention, in fact, and is ever-willing to entertain the erotic urges of women wanting to get between more than the covers of his novels. Except once he meets Kendall, he decides it's time to put his womanizing ways behind him and devote himself to her entirely. Well, almost. . . Gorgeous Pilar is the last decadent treat Xavier decides he'll help himself to—thinking they are both on the same no strings page. Except behind Pilar's fine façade beats the heart of a raving maniac—a fatally attracted fan addicted to the kind of hot loving only Xavier can give her. And she's not about to let him get away from her so easily. So what starts out as a discreet dalliance soon spirals into a deadly game of obsession and pain—which can only have one winner. . .

**Stalking Is Not Love** MARIE JONES,2014-06-26 Stalking is not love is my account of what my family and I have gone through since I left my ex-husband. It details 3 years of us being stalked, from high speed chase to emails. I refuse to live a life of fear, a life that is non-functional. I will not feel guilty about not loving someone. A person has the right to end a relationship if they are not happy, the right not be harassed or stalked. Stalking is not love, it is a crime. It also is one of the hardest crimes to be convicted of. I know because I am currently experiencing this very situation. I receive emails, phone calls and have had the passwords on personal accounts changed because the stalker knows my SSN. The stalker parks his car down the street from my home and sits for hours. When he gets fed up he rings my doorbell angrily and leaves. These are just a few of the things I go through daily. I know there are others who are going through the same thing that I am currently experiencing. Some who are hurt or has lost their lives. Maybe our stories can come together and form a band of women, men, boys, girls, people or simply the stalked and be heard. We need help. Stalking is not love. I have a father that has loved me since birth. My father protected me and kept me safe. I have five brothers that love me dearly. I know what it is like to be truly loved by a man. I have a heavenly father tha tloves me unconditionally and protects me. God is my source and refuge. A person would not hurt what they love.

And soon they begin leaving threatening clues like she starts to do to Magnolia once her obsession grows more dangerous. Is it one of her exes out for revenge? Her only real friend from childhood who she's always had an unhealthy rivalry? A detective who may have figured her out? The reality star Magnolia trying to turn the tables? Or even someone she might not know? Lexi learns the only way to beat her stalker is to use her own stalking prowess to outsmart them at their own game. But has she finally met her match?
