**The First and Only Book of Sack** Steve Sack,2017-08-17 Collection of editorial cartoons from Pulitzer Prize winning cartoonist Steve Sack.

**The Gunny Sack** M.G. Vassanji,2011-06-22 Memory, Ji Bai would say, is this old sack here, this poor dear that nobody has any use for any more. As the novel begins, Salim Juma, in exile from Tanzania, opens up a gunny sack bequeathed to him by a beloved great-aunt. Inside it he discovers the past – his own family’s history and the story of the Asian experience in East Africa. Its relics and artefacts bring with them the lives of Salim’s Indian great-grandfather, Dhanji Govindji, his extensive family, and all their loves and betrayals. Dhanji Govindji arrives in Matamu – from Zanzibar, Porbander, and ultimately Junapur – and has a son with an African slave named Bibi Taratibu. Later, growing in prosperity, he marries Fatima, the woman who will bear his other children. But when his half-African son Husein disappears, Dhanji Govindji pays out his fortune in trying to find him again. As the tentacles of the First World War reach into Africa, with the local German colonists fighting British invaders, he spends more and more time searching. One morning he is suddenly murdered: he had spent not just his own money but embezzled that of others to finance the quest for his lost son. “Well, listen, son of Juma, you listen to me and I shall give you your father Juma and his father Husein and his father...” Part II of the novel is named for Kulsum, who marries Juma, Husein’s son; she is the mother of the narrator, Salim. We learn of Juma’s childhood as a second-class member of his stepmother’s family after his mother, Moti, dies. After his wedding to Kulsum there is a long wait in the unloving bosom of his stepfamily for their first child, Begum. It is the 1950s, and whispers are beginning of the Mau Mau rebellion. Among the stories tumbling from the gunny sack comes the tailor Edward bin Hadith’s story of the naming of Dar es Salaam, the city Kulsum moves to with her children after her husband’s death. And gradually her son takes over the telling, recalling his own childhood. His life guides the narrative from here on. He remembers his mother’s store and neighbours’ intrigues, the beauty of his pristine English teacher at primary school, cricket matches, and attempts to commune with the ghost of his father. It is a vibrantly described, deeply felt childhood. The nation, meanwhile, is racked by political tensions on its road to independence, which comes about as Salim Juma reaches adolescence. With the surge in racial tension and nationalist rioting, several members of his close-knit community leave the country for England, America, and Canada. I see this comedy now as an attempt to foil the workings of fate: how else to explain, what else to call, the irrevocable relentless chain of events that unfolded... The title of Part III, Amina, is the name of Salim’s great unfulfilled love, and will also be the name of his daughter. He meets the first Amina while doing his National Service at Camp Uhuru, a place he feels he has been sent to in error. Amina is African, and their relationship inevitably causes his family anxiety, until the increasingly militant Amina leaves for New York. Salim becomes a teacher at his old school, and marries, but keeps a place for Amina in his heart. When she returns and is arrested by the more and more repressive government, Salim is hurriedly exiled abroad. He leaves his wife and daughter with the promise that he will send for them, knowing that he will not. The novel ends with Salim alone, the last memories coming out of the gunny sack, hoping that he will be his family’s last runaway.

The Sack Christobel Mattingley,1993 When Shane's dad loses his job everything changes, slowly at first and then faster and faster. But although Shane and his family have to give up so much that is familiar, Shane finds that in their new life they still have what is most important.

All That She Carried Tiya Miles,2022-02-01 NATIONAL BOOK AWARD WINNER • NEW YORK TIMES BESTSELLER • A renowned historian traces the life of a single object handed down through three generations of Black women to craft a “deeply layered and insightful” (The Washington Post) testament to people who are left out of the archives. WINNER: Frederick Douglass Book Prize, Harriet Tubman Prize, PEN/John Kenneth Galbraith Award, Anisfield-Wolf Book Award, Ralph Waldo Emerson Prize, Lawrence W. Levine Award, Darlene Clark Hine Award, Cundill History Prize, Joan Kelly Memorial Prize, Massachusetts Book Award ONE OF THE TEN BEST BOOKS OF THE YEAR: The Washington Post, Slate, Vulture, Publishers Weekly “A history told with brilliance and tenderness and fearlessness.”—Jill Lepore, author of *These Truths: A History of the United States* In 1850s South Carolina, an enslaved woman named Rose faced a crisis: the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag for her with a few items, and, soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley’s granddaughter Ruth embroidered this family history on the sack in spare, haunting language. Historian Tiya Miles carefully traces these women’s faint presence in archival records, and, where archives fall short, she turns to objects, art, and the environment to write a singular history of the experience of slavery, and the uncertain freedom afterward, in the United States. *All That She Carried* is a poignant story of resilience and love passed down against steep odds. It honors the creativity and resourcefulness of people who preserved family ties when official systems refused to do so, and it serves as a visionary illustration of how to reconstruct and recount their stories today FINALIST: MAAH Stone Book Award, Kirkus Prize, Mark Lynton History Prize, Chataqua Prize ONE OF THE BEST BOOKS OF THE YEAR: The New York Times, NPR, Time, The Boston Globe, The Atlantic, The Atlanta Journal-Constitution, Smithsonian Magazine, St. Louis Post-Dispatch, Ms. magazine, Book Riot, Library Journal, Kirkus Reviews, Booklist

Extensive imagery and at-scale reproductions of these fabrics create an inspiring sourcebook of pattern and color--and offer a welcome visit to the days of yesteryear. No patterns included

What a Friend Betty H. Marshall,2014-06-16 The young woman watched me like a cat watches a rat he is going to catch for his dinner. As I walked up the stairs to let myself in the building she jumped in front of me. She pressed her face close to my ear. I could feel and smell her hot stinking breath as she whispered menacingly into my ear, Open this goddamned door quick bitch. You better not scream or I will run this knife right through your side. I fumbled in my purse for my key. I tried to keep as still as possible because I could feel the knife pricking my skin every time I moved. I finally found the key and my hand was trembling so badly that I could barely turn the lock. You better hurry up bitch if you don't want to die. Once I got the door opened the woman pushed me to the floor. She went straight to the cabinets and rambled through the vaccine bottles and other medicines that had been set aside for the research project. You better not try anything. she yelled, while she rambled through the cabinets, She cursed and threw bottles on the floor as she pillaged through every cabinet in the office. She finally found what she was looking for. She headed towards the door, turned back, came to where I was lying on the floor, leaned close to me and yelled in my face, You better not call the sheriff bitch, or I will come back, find you, and kill your fuckin ass.

The New Sad Sack Julio Medina,George Baker,2018-11-22 The New Sad Sack is a book based on the Sad Sack Comics written during the golden age. Sad Sack is an American comic strip and comic book character created by Sgt. George Baker during World War II. Setting in the United States Army, Sad Sack depicted an otherwise unnamed, private that experiences some of the absurdities and humiliations of military life. First appearing as a comic strip in Yank, The Army Weekly by Sgt. George Baker the main character The Sad Sack was never given a name, the term sad sack being an Army term for misfits who just didn't not seem to belong in the Army, but because of the war effort where showing up in the thousands, and were referred to as sad sacks of \_\_\_\_\_. As originally depicted Sad Sack never spoke, and just stumbled as best he could through one military situation after another. Immediately popular there was even a hardcover collection of the strips published before the end of the war. After the war, Sad Sack was bought to the world of comics by Harvey Comics and his adventures became less military oriented and more kid oriented.
