The Alice's presence eases the tension, but as Marikawa-sensei drives farther into the neighborhood, they seem to be out in greater numbers. The car struggles to shake the relentless zombies while Takashi and Rei cling perilously to the roof. The group has been lucky so far, but will their determination and makeshift arsenal be enough to make it to safety alive?

Highschool of the Dead (Color Edition), Vol. 7 Daisuke Sato, 2013-12-17 Once again, Takashi and his friends are without shelter and on the run. The group gradually makes their way to the local police station, where the hungry officers within give a whole new meaning to the phrase police brutality. After tidying up, the team reloads and begins their search of the station: Rei for news of her father, and Saya for information. There may be one last chance for them to get out of town, but with Rei and Takashi's parents still unaccounted for and a throng of undead standing between them and freedom, will the friends be able to make it in time?!

The Complete Idiot's Guides® have explored the world of vampires, werewolves, the paranormal, and now the latest book in the creepy series is The Complete Idiot's Guide® to Zombies. This book brings the world of zombies chillingly to life—in a manner of speaking—covering everything readers need to know about them. The book includes: • The voodoo zombie, the viral zombie, and the whole zombie family. • What zombies and the delicious fear of them say about human psychology. • Zombies in American culture: in film, from the Romero classics to the Living Dead flicks that are so bad they're good, and in fiction, video games,

comics, and more! • The zombie survival phenomenon—of course they're not real, but that doesn't stop people from having loads of fun pretending they are.
