Lost in Sai Sherry Durgapershad, 2018-10-25 A life of honour and selfless service. Of love and devotion. In me he has inspired, a book to write. This knowledge I impart an instrument I am. A step towards him I did take. With his precious love, he turned my worldly life around. Inspiration in a book you will read. A divinity of purity, selflessness and truth. Of pure love he oozes. Inspired you will be too. A book that will detail the love of Bhagwan Sai and the beauty in his message of love that will serve as a reminder that love. Love is always victorious.

Sathya Sai Vahini Bhagawan Sri Sathya Sai Baba, 2014-07-09 Bhagawan has announced Himself as the Divine Teacher of Truth, Beauty, and Goodness. By precept and example, through His writings and discourses, letters and conversations, He has been instilling the supreme wisdom and instructing all mankind to translate it into righteous living, inner peace, and universal love. When the Ramakatha Rasavahini, the uniquely authentic, nectarine stream of the Rama's story, was serialised in full in the Sanathana Sarathi, Bhagawan blessed readers with a new series, which He named Bharatiya Paramartha Vahini (The Stream of Indian Spiritual Values). While these precious essays, on the basic truths that foster and feed Indian culture since ages before history began, were being published, Bhagawan decided to continue the flow of illumination and instruction under a more comprehensive and meaningful name, Sathya Sai Vahini - the Ganga from the Lotus Feet of the Lord - "The Flow of Divine Sai Grace". This book, therefore, contains the two Vahinis that have merged in one master stream. Inaugurating these series, Bhagawan wrote for publication in the Sanathana Sarathi, "Moved by the urge to cool the heat of conflict and to quench the agonising thirst for 'knowledge about yourself' that you are afflicted with, see, here it comes, the Sathya Sai Vahini, wave behind wave, with the Sanathana Sarathi as the medium between you and Me." With infinite compassion, this Sathya Sai incarnation of the Omniwill is giving millions of persons in all lands freedom from disease, distress, and despair, narcotics, narcissism, and nihilism. He is encouraging those, who suffer gloom through wilful blindness, to light the Lamp of Love in order to see the world and the Lamp of Wisdom to see themselves. "This is a tantalising, true-false world. Its apparent diversity is an illusion. It is One, but is cognised by the maimed, multiple vision of humans as Many," says Bhagawan. This book is the twin Lamp He has devised for us.

Guidelines To Active Workers Bhagawan Sri Sathya Sai Baba, 2013-10-30 A spiritual organisation is really above all rules and regulations; the realm of the Atma is beyond the limits of regulations. In this sense, rules are either meaningless or superfluous in Sathya Sai Organisations. But at least, to satisfy the law of the land dealing with associations of this kind, some rules have to be adopted. For example, who can be members of these organizations and what are their qualifications? Of course, they must be eager aspirants for spiritual progress. They must have full faith in the name that the organization bears and in spreading that name, in the manner suited to this message and majesty. Besides, the members must have won recognition as good persons. - Baba

The Afterlife of Sai Baba Karline McLain,2016-08-25 Nearly a century after his death, the image of Sai Baba, the serene old man with the white beard from Shirdi village in Maharashtra, India, is instantly recognizable to most South Asians (and many Westerners) as a guru for all faiths—Hindus, Muslims, and others. During his lifetime Sai Baba accepted all followers who came to him, regardless of religious or caste background, and preached a path of spiritual enlightenment and mutual tolerance. These days, tens of thousands of Indians and foreigners make the pilgrimage to Shirdi each year, and Sai Baba temples have sprung up in unlikely places around the world, such as Munich, Seattle, and Austin. Tracing his rise from small village guru to global phenomenon, religious studies scholar Karline McLain uses a wide range of sources to investigate the different ways that Sai Baba has been understood in South Asia and beyond and the reasons behind his skyrocketing popularity among Hindus in particular. Shining a spotlight on an incredibly forceful devotional movement that avoids fundamental politics and emphasizes unity, service, and peace, *The Afterlife of Sai Baba* is an entertaining—and enlightening—look at one of South Asia's most popular spiritual gurus.
