Hockey Doc Dr David S Mulder, Dr Douglas G Kinnear, 2021-03-09 The Western Division of the Montreal General Hospital was so close to the Forum that Montréal Canadiens players could put on skate guards and walk to the hospital's emergency room. This was not a coincidence and established proximity as a priority. Dr. Douglas Kinnear supported twelve Stanley Cup winning Montréal Canadiens squads as team physician. Dr. David Mulder has been on the medical staff for over fifty years and for eight Stanley Cups. In *Hockey Doc*, these two legendary team physicians explore the dynamic doctor player relationship they came to know so well with a look at more than fifty years of medical care provided to the hockey club. *Hockey Doc* examines how the medical program for the Montréal Canadiens has evolved over its history due to its long-standing relationship with the MGH and the Molson family. The doctors breakdown major injuries with real-life examples that every team physician needs to be aware of and share career highlights. Featuring stories about Saku Koivu, Trent McCleary, Patrick Roy, Maurice Richard, Gump Worsley, Bobby Orr, Lou Lamoriello, and journalist Red Fisher – among countless others – *Hockey Doc* shares the inside jokes between doctor and player while providing a greater commentary on the

evolution of sports medicine throughout two MGH doctors' careers. For hockey fans of all ages and the Québec medical community, Hockey Doc shares the relationship between the injured professional athlete and the medical staff of a university medical centre and provides an inside look at the injuries and illnesses these doctors have faced over their storied careers.

Watching him bound around the backcountry or swimming behind Justin Barbour's raft, you just know that he is ready to go on a very long adventure! Best of all, he carries a famous name, that of Saku Koivu, the long-ago captain of the Montreal Canadiens. After a snowy spring start, the two pals can soon travel faster and make new friends as they emerge from the wilderness in the little towns of St. Alban's and Conne River. Excited children, townspeople, Chief Mi'sel Joe, and his family all welcome them warmly and offer a break from their long, hard journey. Dictionary of Iconic Expressions in Japanese Hisao Kakehi,Ikuhiro Tamori,Lawrence Schourup,2011-04-20 The lexicon of Japanese contains a large number of conventional mimetic words which vividly depict sounds, manners of action, states of mind etc. These words are notable for their distinctive syntactic properties, for the strikingly patterned way in which they exploit sound-symbolic correspondences, and for the copiousness of their use in conversation as well as in many written registers of Japanese. This dictionary is a comprehensive resource for linguists, language teachers, translators, and others who require detailed information about this important sector of the Japanese vocabulary. Examples created by the editors are accompanied by thousands of contextualized, referenced examples from published sources to illustrate the alternative meanings of each mimetic form. All examples appear in Japanese orthography, in romanization, and in English translation. Concise information is provided concerning the varieties of syntactic

usage appropriate for each mimetic. An extensive English index facilitates comparison of English and Japanese vocabulary.
