

San Salvador

Salvador Nunez

The History of El Salvador Christopher M. White,2008-11-30 Plagued by political instability, economic hardships, and massacres of innocent men, women, and children, El Salvador has fought for freedom throughout the centuries. No other reference source captures the suffering and adversities this ever-evolving country has faced. El Salvador's tumultuous history and recent past are clearly documented in this comprehensive volume, filling a void on high school and public library shelves. This work offers the most current coverage on this tiny Latin American nation's struggles, covering from the pre-Columbian era to economics and politics in the 21st Century. Complete with interviews and accounts from former rebels and guerillas and other victims of the country's struggle for freedom, this volume highlights a unique account of El Salvador's past-the viewpoints from the civilians who lived through it. Students will find The History of El Salvador to be an invaluable source for social studies, history, current events, and political science classes.

El Salvador, the Face of Revolution Robert Armstrong,Janet Shenk,1982 Two of the leading U.S. experts on Central America provide the definitive study of the history and reality of the situation in El Salvador through the early 1980s.

El Salvador Erin Foley,Rafiz Hapipi,Debbie Nevins,2015-12-15 El Salvador is home to spectacular Mayan ruins, active volcanoes, the vibrant capital city of San Salvador, and unspoiled beaches along the Pacific Coast. This book delves into El Salvador's colorful history, development, economy, food, and environment, and its place in the world today. All books of the critically-acclaimed Cultures of the World® series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives, and interactive activities such as creating an authentic traditional dish from an easy-to-follow recipe. Copious maps and detailed timelines present the past and present of the country, while exploration of the art and architecture help your readers to understand why diversity is the spice of Life.

El Salvador Greg Nickles,2002 El Salvador is a mix of native and Spanish customs and traditions. This attractive new book introduces readers to the fascinating history and celebrations of the Salvadorian people and highlights their art, folklore, and literature. Full-color illustrations.

El Salvador Greg Nickles,2002 Stunning photographs capture the lush landscape of El Salvador from the Pacific coastline to the volcanic mountains and rainforests. Discover the people, cities, and wildlife of the smallest and most densely populated country of Central America.

El Salvador in Pictures Nathan A. Haverstock,1987 Introduces the geography, history, government, people, and economy of the smallest and most densely populated of the Central American nations.

Salvador Joan Didion,1994-04-26 Terror is the given of the place. The place is El Salvador in 1982, at the ghastly height of its civil war. Didion brings the country to life (The New York Times), delivering an anatomy of a particular brand of political terror—its mechanisms, rationales, and intimate relation to United States foreign policy. As ash travels from battlefields to body dumps, Didion interviews a puppet president, and considers the distinctly Salvadoran grammar of the verb to disappear. Here, the bestselling, award-winning author of The Year of Magical Thinking and Let Me Tell You What I Mean gives us a book that is germane to any country in which bloodshed has become a standard tool of politics.

Timeless Stories of El Salvador Federico Navarrete,2020-11-26 Every country has its unique stories, and El Salvador is no different. For the first time, the magic of the Salvadoran nights is coming to you in English. For hundreds of years, parents have shared unique stories with their children, like the twins whom a Shaman transformed into the Cadejos because of their antics, or the vain and beautiful woman who scares bad men in the rivers at night, the Siguanaba. It's time that you could discover more about the unique Salvadoran folklore and transport yourself to a new land. Are you ready to travel in time and discover El Salvador? This volume includes: - The good and the bad Cadejo - The Siguanaba - Cipitio - The Headless Priest - The Black Knight - The Guirola Family - The Partideño - The Squeaky Wagon - The Owls - The Lady of the Rings - The Cuyancua - The Fair Judge of the Night - The Managuas - Chasca “The virgin of the water” - The Fleshless Woman - The Enchanted Ulupa Lagoon - Our Lady Saint Anne - The Midnight Yeller - The Lempa River - Devil's Door - Comizahual “The white woman” - Izalco Volcano - The Moon's Cave - The Amate Tree - The Pig Witch - The Tabudo - Mr. Money and Mrs. Fortune - Princess Naba and the Balsam Tree - The Tamales Woman of Cuzcachapa Lagoon - The Living Rock of Nahuizalco - Alegria Lagoon Siren

Your Passport to El Salvador Sarah Cords,2020-08 What would it be like to live in El Salvador? How is El Salvador's culture unique? Explore the sights, traditions, and daily lives of El Salvadorians!

Historical Dictionary of El Salvador Orlando J. Perez,2016-07-26 El Salvador might be the smallest country in Central America by territory but it has had a significant impact on the region and played an important role in U.S. foreign policy toward Latin America. The country's history is intertwined with the struggles for self-determination and sovereignty both from Spanish colonial domination and after independence from the rule of foreign caudillos and its stronger neighbors, such as Mexico and Guatemala. The country had an important role in United States policies toward Latin America during the Cold War. The Historical Dictionary of El Salvador contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about El Salvador.

Broadcasting the Civil War in El Salvador Carlos Henriquez Consalvi,2010-08-01 During the 1980s war in El Salvador, Radio Venceremos was the main news outlet for the Frente Farabundo Martí para la Liberación Nacional (FMLN), the guerrilla organization that challenged the government. The broadcast provided a vital link between combatants in the mountains and the outside world, as well as an alternative to mainstream media reporting. In this first-person account, Santiago, the legend behind Radio Venceremos, tells the story of the early years of that conflict, a rebellion of poor peasants against the Salvadoran government and its benefactor, the United States. Originally published as La Terquedad del Izote, this memoir also addresses the broader story of a nationwide rebellion and its international context, particularly the intensifying Cold War and heavy U.S. involvement in it under President Reagan. By the war's end in 1992, more than 75,000 were dead and 350,000 wounded—in a country the size of Massachusetts. Although outnumbered and outfinanced, the rebels fought the Salvadoran Army to a draw and brought enough bargaining power to the negotiating table to achieve some of their key objectives, including democratic reforms and an overhaul of the security forces. Broadcasting the Civil War in El Salvador is a riveting account from the rebels' point of view that lends immediacy to the Salvadoran conflict. It should appeal to all who are interested in historic memory and human rights, U.S. policy toward Central America, and the role the media can play in wartime.

El Salvador in the Aftermath of Peace Ellen Moodie,2011-09-01 El Salvador's civil war, which left at least 75,000 people dead and displaced more than a million, ended in 1992. The accord between the government and the Farabundo Martí National Liberation Front (FMLN) has been lauded as a model post-Cold War peace agreement. But after the conflict stopped, crime rates shot up. The number of murder victims surpassed wartime death tolls. Those who once feared the police and the state became frustrated by their lack of action. Peace was not what Salvadorans had hoped it would be. Citizens began saying to each other, It's worse than the war. El Salvador in the Aftermath of Peace: Crime, Uncertainty, and the Transition to Democracy challenges the pronouncements of policy analysts and politicians by examining Salvadoran daily life as told by ordinary people who have limited influence or affluence. Anthropologist Ellen Moodie spent much of the decade after the war gathering crime stories from various neighborhoods in the capital city of San Salvador. True accounts of theft, assaults, and murders were shared across kitchen tables, on street corners, and in the news media. This postconflict storytelling reframed violent acts, rendering them as driven by common criminality rather than political ideology. Moodie shows how public dangers narrated in terms of private experience shaped a new interpretation of individual risk. These narratives of postwar violence—occurring at the intersection of self and other, citizen and state, the powerful and the powerless—offered ways of coping with uncertainty during a stunted transition to democracy.

El Salvador Salvador Nunez,2021-05-25 Why El Salvador - Hidden Truths? In writing this book, I propose to explore these Salvadoran histories, pages hidden in dust which we have been denied by the economic power and its Governments since the time of the Spanish Invasion. We have systematically been denied the truth of this history, which is part of our being as the original peoples, which belongs to us, to our identity. We have been robbed and badly treated for more than 528 years; which has caused trauma and suffering across our lives. And so I undertook to look beneath the debris of the past with its enigmas to find the truth in our past history from our ancestors, colonization, independence, the first peoples uprisings, genocide and ethnocide against our ancestors. As well as crimes against humanity. The role of the Catholic Church, in the colonisation and imposition of Christianity and its Holy Inquisition. I also want you to be prepared, because in this book you will encounter many surprises and facts which are going to collide with your beliefs and notions of being human. I am not talking about to be Christians, because that is much deeper. But of the cruelty of the Spanish conquerors, with the lies and falsehoods with which the Salvadorans have been educated. Honour and Glory brothers and sisters: Nahuas, Maya, Lencas Chortis, Pocomames, Xincas, Kakawiras, Chorotegas and Izalcos who offered their blood for us and future generations. This Lent without resurrection to which our ancestors were subjected to, began with the Spanish Invasion and has continued till this day in 2020. What you will find in the following pages, are not sweet nor cheap announcements from the Salvadoran power base, in its communication mediums: Newspaper, Television, digital media and many other lying media. For the first time, there are voices of our ancestors in the presence of our current generations- the grandfathers and grandmothers, the young and their actual leaders.

Explorer's Guide El Salvador: A Great Destination Paige R. Penland,2010-10-04 Long a destination for serious surfers, El Salvador remains the “undiscovered” destination in Central America, inexpensive to visit and rich in local color. In this new El Salvador guide you’ll find great information on the best places to stay, eat, and travel. And with a special surfing section and complete information on events, activities, and national parks, you’ll never be wanting for something to do.

Revulsion: Thomas Bernhard in San Salvador Horacio Castellanos Moya,2016-07-26 The 1997 novel that put Horacio Castellanos Moya on the map, now published for the first time in English An expatriate professor, Vega, returns from exile in Canada to El Salvador for his mother’s funeral. A sensitive idealist and an aggrieved motor mouth, he sits at a bar with the author, Castellanos Moya, from five to seven in the evening, telling his tale and ranting against everything his country has to offer. Written in a single paragraph and alive with a fury as astringent as the wrath of Thomas Bernhard, Revulsion was first published in 1997 and earned its author death threats. Roberto Bolano called Revulsion Castellanos Moya’s darkest book and perhaps his best: “A parody of certain works by Bernhard and the kind of book that makes you laugh out loud.”

A Shot in the Cathedral Mario Bencastro,1996-01-01 Prizewinning novel Disparo en la catedral follows a San Salvador journalist through an eight-month period leading up to and following Archbishop Romero's assassination. Verbatim texts of Romero's homilies incorporated into text. Bencastro's work as a pla

El Salvador Kevin Murray,1997-01-01 This book in Oxfam's Country Profile series gives an account of the history of El Salvador, and the inequalities and political corruption in Salvadoran society which were contributory causes of the long-running civil war. The ecological crisis facing the country, and the unresolved issues of land tenure are also examined. El Salvador: Keeping the Peace reviews the efforts which are being made to rebuild communities, and the obstacles which remain on the road to a stable and peaceful future.
