You Gotta Have Wa Robert Whiting,2022-03-22 From the author of *Tokyo Junkie*, “the definitive book on Japanese baseball and one of the best-written sports books ever” (San Francisco Chronicle). One might expect the sport of baseball in Japan to be a culture clash—a collision of American individualism with the Japanese focus on wa, or harmony. Instead, it has turned into a winning symbiosis. Imported American sluggers—some past their primes—have found new life in the East and have given credibility to the Japanese game. A succession of Japanese stars like Hideo Nomo left their teams to find success in the US major leagues, enabling MLB International to make hundreds of millions of dollars selling TV and licensing rights to its games in Japan. While philosophical differences remain, *You Gotta Have Wa* guides you through the strange and fascinating world of besuboru, or baseball. With a history of the game in Japan and an overview of the Japanese leagues and their rules, this book follows the careers of players and managers who influenced the game in the East and vice versa—including Babe Ruth, Ichiro Suzuki, Bobby Valentine, and Sadaharu Oh, the Japanese homerun king. Whether you are a Yankees or a Red Sox fan, a sports or an enthusiast of Japanese culture, “simply sit back and enjoy the wonderful stories in *You Gotta Have Wa*, one of the most unusual baseball books of the season” (The New York Times). “A wonderfully entertaining look at baseball and wa.” —Time “A terrific, fast-paced account of Japanese baseball.” —Chicago Tribune “A funny look at baseball in Japan that is as much a work of cultural anthropology as a sports book.” —Playboy

Quantum Slimming: Mengelola Pikiran untuk Tubuh Sehat & Kristin Liu, CCH,2015-02-21 Proses menurunkan berat badan dan membuat tubuh menjadi sehat dan langsing tidak sesederhana mengurangi jumlah makanan dan memperbanyak gerakan tubuh. Anda yang pernah melakukannya tentu sangat memahami hal ini. Di awal, berat badan Anda memang berkurang, hingga akhirnya berhenti di satu titik dan membuat Anda putus asa lalu menyerah. Tepat ketika Anda menyerah, seolah hendak menunjukkan pemberontakannya, tubuh Anda kembali menyimpan lemak dan membuat Anda kembali ke berat badan semula atau bahkan melampauinya. Tubuh manusia adalah mesin canggih yang dijalankan oleh berbagai program yang berdiam dalam pikiran. Oleh sebab itu, sebelum mengubah tubuh Anda, ubahlah lebih dulu pikiran Anda. Buku ini berbeda dari buku bertema pelangsingan tubuh lainnya karena, selain tentang tubuh yang dijalankan secara otomatis oleh pikiran nirsadar yang berlaku pada semua manusia, buku ini juga berbicara tentang program yang ada dalam pikiran sadar dan pikiran bawah sadar yang menjadikan manusia unik. Dari buku ini Anda akan belajar tentang: • Bagaimana memahami mekanisme penyimpanan lemak yang dilakukan oleh tubuh, • Peranan pikiran dan cara kerjanya sehingga memengaruhi penyimpanan lemak dalam tubuh, • Cara menggunakan pikiran dengan mengelolanya secara benar dan bijak untuk memperoleh tubuh yang tidak hanya langsing tetapi, yang lebih penting, sehat!

Zen Sand Victor Sogen Hori,2003-02-28 Zen Sand is a classic collection of verses aimed at aiding practitioners of kōan meditation to negotiate the difficult relationship between insight and language. As such it represents a major contribution to both Western Zen practice and English-language Zen scholarship. In Japan the traditional Rinzai Zen kōan curriculum includes the use of jakugo, or capping phrases. Once a monk has successfully replied to a kōan, the Zen master orders the search for a classical verse to express the monk’s insight into the kōan. Special collections of these jakugo were compiled as handbooks to aid in that search. Until now, Zen students in the West, lacking this important resource, have been severely limited in carrying out this practice. Zen Sand combines and translates two standard jakugo handbooks and opens the way for incorporating this important tradition fully into Western Zen practice. For the scholar, Zen Sand provides a detailed description of the jakugo practice and its place in the overall kōan curriculum, as well as a brief history of the Zen phrase book. This volume also contributes to the understanding of East Asian culture in a broader sense.
