**Santa Claws** Gabriela Harding,2016-03-10 Will Christmas ever be the same again? Gabriela Harding's debut children's novel, *Santa Claws*, is set in the London suburbs and the wilderness of the High Arctic. It is a Christmas adventure narrated by Honey, who presents readers with festive terrors and an evil Santa. It's Christmas Eve and Honey is home alone. Well, alone if she doesn't count the boring company of her little brother, Teddy, and her grandmother, who is a little too fond of sherry. She doesn't think Christmas can get any worse. But when Honey and Teddy are brutally kidnapped from their own home, this festive season soon becomes the worst Christmas ever... After waking up in a freezing land of horrors, they are forced into hard labour in a factory of nasty toys amidst evil dwarves and the evil Santa Claws. Honey and her brother fear for their lives in a world of child-eating dogs, murderous chefs and secret passages dripping with all things icky. Worse still, Santa Claws turns out to be a cannibal with a very special dish in mind for the New Year's celebrations: his own brother, the real Santa Claus. Can Honey and Teddy save Santa from the cooking pot and free themselves from a life of whip-cracking dwarves and slave labour? *Santa Claws* is aimed at children between 11-14 who enjoy mystery and fantasy fiction with traces of dark humour.

**Santa Claws** Laura Leuck,2006-09-28 Mack and Zack are getting ready for Christmas hanging up their smelly socks and blistertoe, decorating their dead pine tree, making poisonberry pies. Here in the rollicking rhyme of Laura Leuck and the gruesomely silly illustrations of Gris Grimly, is a truly memorable Christmas tale. Mack and Zack may be monsters, but their excitement is the same as that of children the world around. Come join the celebrations in Monster Town!

**Santa Claws (The Dragon Story) (Christmas Special)** Mycah Realms,2022-12-01 Kurtiss Branta is the Sand Dragon spy for the king and queen of Iceberg Kingdom, a cold, tundra-like area of land much like the North Pole. The citizens know him as the tough, never-back-down, trust-no-one type of dragon. Which could very well be why he's the royal spy. He's stopped many terrorists, prevented wars, and kept the kingdom running smoothly with no fighting or misbehaving in any violent way. So when he successfully captured a group of three Fire Dragon terrorists, he took them to the law with pride and never gave them any thought of compassion. But little did he know that this year, his heart was going to change more than he ever thought possible. You see, Wintfes, the annual winter festival to celebrate the Coldest of Days, was never his thing. It made no sense to him why the Ice Dragons chose to celebrate the freezing weather, give out presents, spread unconditional love, and decorate a large pine tree full of colorful lights. Why should he care about it when he could just continue his life and scoff it away completely? But after he fights with a young Ice Dragon named Holly, the queen punishes him by assigning him a present giving task. He gives the festival more thought and apologizes to Holly for his outlandish behaviour. But an evil arises as the three terrorists escape. Ramrage, the leader of the group, skillfully causes him to betray the kingdom entirely and almost ruin Wintfes for all of Iceberg Kingdom. Will Kurtiss be able to stop the terrorists, change his heart, and become a gentle present-giver all before Wintfes is over? Or will his new adventure put him through the test, and prove that his kind heart may not exist at all?

**Santa Claus** Todd Graham, 2018-12-01 Christmas has been under attack for years, thanks to the evil Ice Queen and her mother, Emma Frostbite, the Empress of the North. With the power of a troll army and Nutcracker war machine behind them, the Queen and her mother have now set their sights on the last remaining Christmas stronghold, the twin cities of Feliz and Navidad. Now that Christmas bells, songs, and the spirit have been taken away for good, this just may be the end of Christmas in the world. Sixteen-year-old orphan Nicholas Claus isn't about to let this happen. Fueled by an indomitable Christmas spirit, Nicholas embarks on a quest to seek help from a mysterious woman called Christmas Carol, stop the Ice Queen, and hopefully restore Christmas to its ultimate glory. While following clues hidden in a special snow globe, he is joined by allies as they attempt to find Christmas Carol and battle forces bent on destroying the holiday. As Nicholas and his friends set out on a hero's mission to Tannenbaum, Feliz, Navidad, and the North Pole, he has no idea that his journey is about to lead him to receive the best Christmas gift ever. *Santa Claus: The First Noel* continues the tale of a young man's quest to save Christmas from the destructive claws of an evil Ice Queen and her frosty mother.

**The True Story of Santa Claws** Kerry Coast,2016-11-21 Not so long ago, in a place not far from here, at about this time of year, there were some children - not so different from you. And each year, a man who lived alone up in the mountains came down to visit their village. On those trips he was bringing the warm furs of animals he had caught away up in the mountains. And he was always dressed in a warm suit of red fox fur. The man was somehow old. Maybe from an older time. Maybe from a time not so much longer before the time in this story. When the people herded the reindeer; moved across the plains with them; a time before they had settled down in their villages and started taming the wild goats, the wild boars, the wild birds to stay around the village too. A time before they had tamed the wild plants, to come and live with them year after year in big gardens surrounding the village. One year, the man of the mountains thought of a way to share something of his magical, mountain-top-world with the village children. He would make them toys! The story of gift-giving and toys at Christmas has grown a long way from its roots. This story is for those of us who don't want to give up Santa Claus, but don't want to keep him as he is.

*Yikes, Santa-CLAWS!* Pamela Butchart,2014-10-09 It was Christmas Eve and the dino-tots were tucked up in bed dreaming of Christmas magic . . . But where were the jolly jingle bells? The hearty "Ho!
