Apunta, enfoca y dispara Sandra Maria Martorell Fernández, 2022-04-19 La fotografía es una disciplina tan apasionante como amplia. Es arte, pero a la vez técnica, es objeto, es representación, profesión y otras muchas cosas. Y algo similar ocurre con sus funciones: igual nos documenta un hecho, nos presenta a una persona o nos permite hacer una crítica o reivindicación, que nos ayuda a curar heridas, a inventar otros mundos o a mantener vivo un recuerdo. *Apunta, enfoca y dispara* hace un recorrido por cincuenta películas que nos ayudan a aproximarnos a la fotografía en sus diferentes formas, acepciones y facetas. Y ello, gracias a la mirada de cineastas que nos sirven historias en las que la fotografía tiene algo que contar y enseñarnos, ya sea como elemento nuclear, tangencial o accesorio. Es una compilación de filmografía esencial para aproximarnos a ella, para descubrirla, pensarla, que incluye desde títulos clásicos y universales, como *La ventana indiscreta* (Hitchcock, 1954) o *Blow-Up* (Antonioni, 1966), hasta otros contemporáneos, e incluso alguna que otra rareza.

The Smelly Mystery Mercer Mayer, 1998-02 Little Monster and his assistant, Detective Kerploppus, set out to find the evil Smell Switcher.

Ronia, the Robber's Daughter Astrid Lindgren, 1985-02-05 Read the book that inspired Studio Ghibli's series, *Ronja the Robber's Daughter*! A thrilling adventure crafted by the author of *Pippi Longstocking* On the night Ronia was born, a thunderstorm raged over the mountain, but in Matt's castle and among his band of robbers there was only joy - for Matt now had a spirited little black-haired daughter. Soon Ronia learns to dance and yell with the robbers, but it is alone in the forest that she feels truly at home. Then one day Ronia meets Birk, the son of Matt's arch-enemy. Soon after Ronia and Birk become friends the worst quarrel ever between the rival bands erupts, and

Ronia and Berk are right in the middle.

Always Human Ari North, 2021-10-19 Always Human is a beautifully drawn, sapphic graphic novel about a developing relationship between two young women in a near-future, soft sci-fi setting. First serialized on the popular app and website Webtoon, Always Human amassed over 51 million views and nearly 700,000 subscribers. Now, for the first time, this incredible story has been reformatted for a print edition! Along with the sequel Love and Gravity, get ready to fall in love with this ground-breaking story of support and romance. This beautifully illustrated slice-of-life tale that shows two young women of color getting to know each other and creating a relationship is so warm and charming that readers will hardly notice how much they are learning about how to better interact with folx who are different from themselves and the importance of not making assumptions. -- Kirkus Reviews ...soft, expressive art adds a visceral charge to the couple's very human experiences, which range from excitement and affection to pain and doubt. -- Publisher's Weekly This wholesome plot focuses on building understanding, offering mutual support, and budding self-acceptance, as well as the importance of asking rather than making assumptions; avoiding othering; and regarding all those in one's orbit with compassion...A charming, sensitive story of love and acceptance. --School Library Journal In a technologically advanced near future, two young women bumble through their first dates and fights together as they enjoy the exhilaration of new love....Always Human by Ari North is an endearingly feel-good sapphic romance set against a diverting futuristic backdrop. --Samantha Zaboski, Shelf Awareness In the near-future, people use technology to give the illusion of all kinds of body modifications-but some people have Egan's Syndrome, a highly sensitive immune system that rejects these mods and are unable to use them. Those who are affected maintain a natural appearance, reliant on cosmetics and hair dye at most to

help them play with their looks. Sunati is attracted to Austen the first time she sees her and is drawn to what she assumes is Austen's bravery and confidence to live life unmodded. When Sunati learns the truth, she's still attracted to Austen and asks her on a date. Gradually, their relationship unfolds as they deal with friends, family, and the emotional conflicts that come with every romance. Together, they will learn and grow in a story that reminds us no matter how technology evolves, we will remain . . . always human. Rendered in beautiful detail and an extraordinary color palette, *Always Human* is a sweet love story told in a gentle sci-fi setting by a queer woman cartoonist, Ari North. Published in partnership with media advocacy organization GLAAD, this empowering book positively represents LGBTQ families.

Girls und Panzer: Little Army Vol. 1 GIRLS und PANZER Projekt, Tsuchii, 2019-11-14 This is the story of Miho Nishizumi in her elementary school days, taking place six years prior to the events in *Girls und Panzer*. Having been raised in a prestigious household that adheres strictly to the values of tankery, life isn't easy for young Miho. With an older sister who has already risen to great heights, Miho has some very large shoes to fill. Together with a group of new friends, and a blossoming interest in tankery, Miho will set out on a road that may very well change her future.
