Nestor and Saria Lakoba Eslinda Guliya,2012-01-13 This book is about two people who lived a wonderful life in the most amazing and secluded place and also about a country almost no one knows about. It is called Abkhazia. This book depicts what true love is and how it goes through everything even impossible. The purest love a man and a woman can experience. Nestor and Saria Lakoba is a married couple who lived in a place which once used to be a resort place for all the Soviet elite. Nestor was the leader of this country. This love is a dream for many of us however no one knows if it is ever gonna approach us or will just pass us with cold indifference. This book is also about pursuing certain dreams that one day can make you a victim of your own reality. And also who is going to stand by you at that time, even if you are not there. Is there anyone that can never let you die and keep you alive forever?

Spectacles and Weed Stuti Saria,2019-09-19 'Spectacles and Weed' is a story revolving around Love, Friendship and Pain. When Brea cannot escape the haunting memories of her only love, she decides to start a new life at an altogether different place. As misfortune finds its way into Brea's life once again, she takes refuge in her friendship with Seb, who is surrounded by the same vacuum as her. Brea is shut-in, emotional and anchored, while Seb is wild, detached and volatile. But when it comes to falling in love, do opposites always attract?

Hijras, Lovers, Brothers Vaibhav Saria,2022-11-28 Against easy framings of hijras that render them marginalized, Saria shows how hijras makes the normative Indian family possible. The book also shows that particular practices of hijras, such as refusing to use condoms or comply with retroviral regimes, reflect not ignorance or irresponsibility but rather a specific idiom of erotic asceticism arising in both Hindu and Islamic traditions. This idiom suffuses the densely intertwined registers of erotics, economics, and kinship that inform the everyday lives of hijras and offer a repertoire of self-fashioning distinct from the secularized accounts within the horizon of public health programmes and queer theory. Engrossingly written and full of keen insights, the book moves from the small pleasures of the everyday laughter, flirting, and teasing to impossible longings, kinship networks, and economies of property and of substance in order to give a fuller account of trans lives and of Indian society today.

Anabaptist Songs in African Hearts John Lapp, 2006-10-01 When church histories of Africa have been written, they've usually been done by Westerners. These writers have typically been missionaries or relief workers; their analyses and conclusions have reflected those perspectives. This book -- by contrast -- is written by Africans. Each writer is an African church leader or pastor, and they write about the emergence and development of the Mennonite and Brethren in Christ churches in the countries from which they come. The story of God's work in Africa did not begin with the arrival of the missionaries, but rather -- from the African perspective -- their arrival continued, reinterpreted and re-shaped an ancient story, begins this honest collection. Themes of the churches claiming their particular expressions of faith, of achieving self-reliance, of coping with difficult governments, of discovering their gifts despite their material poverty, thread through the book. Anabaptist Songs in African Hearts is the third edition of the first volume in the Global Mennonite History Series.

Inesperatus Kelly Varesio, 2012 Rein Pierson, Saria Kendrick and their escort Edgar Johan embark on a steamboat trip to America. Rein meets Traith Harker on board, he is a handsome man, but has lost his memory. Rein finds herself falling in love with Traith, but is frightened by his supernatural secret and heartbroken by the tragedy that disrupts her voyage.

'Nola's Island' A.D. King, 2011-10-28 'Nola's Island' is a compelling story that depicts the consequences of the male chauvinist mentality. It is an eye opening attention grabber that reflects the vitality of women's existence and worth to man-kind. It is America's worst nightmare as 85% of the mothers, wives and confidants that very well make up the back bone of the American family body decide to withdraw. Imagine the day when women take a stand against the physical, mental and economical degradation suffered for centuries. 'Nola's Island' exposes the American man's inability to function in society without women and the result is catastrophic.

Tales of Nomadic Adventures Hseham Amrahs, 2023-12-31 The stories encapsulated in this anthology are windows into the nomadic world—a realm where every step is a dance with the unpredictable, every encounter is a brush with the extraordinary, and every horizon is an invitation to explore the unknown. Each tale is a thread in the grand tapestry of nomadic lore, weaving together the experiences of those who have roamed the earth in search of freedom, wisdom, and the thrill of the undiscovered. As you delve into these narratives, you will traverse scorching deserts with Mirage Nomads, witness audacious archery challenges with Thunder striders, and join the rebellion with Liberation Nomads in the Unbridled Wastes. The nomads you encounter will be both familiar and

foreign, embodying the diversity of cultures, landscapes, and challenges that define the nomadic way of life. The allure of nomadism lies not only in the physical landscapes explored but also in the internal odysseys undertaken by these wanderers. Nomads navigate not only the external terrains of mountains, jungles, and oceans but also the vast landscapes within themselves—their fears, aspirations, and the eternal pursuit of freedom.

The Reunion Evan D. Heuker, 2023-08-22 The war with the Daigatons may have ended, but all is not what it appears to be... Twenty years have passed since the last battle against the Daigatons, and the Warriors have gone their separate ways. When Ezmer unexpectedly returns to the land of the living in spirit form, it sets off a cataclysmic chain of events. Reuniting with Kendra, their now fully-grown daughter, and the other Warriors, disaster strikes when one of their own is kidnapped. With the help of a young, inexperienced Dragon and allies old and new, Ezmer must reconcile with the past when an old foe threatens the peace and safety of everyone he loves. In this exciting conclusion to the Warriors Legacy series, secrets become known, enemies become allies, and the fate of their world hangs in the balance as their rescue mission becomes a deadly quest of hidden agendas when they uncover an evil conspiracy.
