Dethroned Branka Ćubrilo, When Gregor Truba, the God of eighties Rock, exchanged his guitar in the nineties for a machine gun, he couldn't know he was going to be dethroned not only from the centre stage which he dominated for a decade, but from his own soul as he set off on a bloody rampage with his elite troupe of Brothers in Arms. He loved a young gifted poetess Pia, the great-grandniece of Nikola Tesla, who wasn't able to return Gregor's love, for she was dethroned from love after witnessing the most shattering scene possibly staged by her father. Would she ever be able to find love on her mysterious journey from Amsterdam to London, Sydney to Japan? How many dark secrets did the Catholic Priest, Friar Marag, keep under his tightly-lipped smile, whilst purposely manipulating the faithful, shaping and sculpting their minds and realities as if he were a co-creator working in alliance with the Devil himself to generate chaos and leave his personal stamp on the existence and history of his country? Was he dethroned from humanity for his numerous and well-planned misdeeds? Was Veronika Truba dethroned from her original self when she changed her name to Nikki Barlow upon her arrival to London, where she formed an unusual friendship with a flamboyant man and the commitment-phobe Dean Bloxham? "And where do I go to be myself again?" The question no one could answer at that time, a time when everyone lost, everyone was dethroned and everything was meant to be broken.

Trembling River Andrée A. Michaud, 2023-02-07 August 1979: twelve-year-old Michael Saint-Pierre disappears in the woods near Rivière-aux-Trembles when he and his friend Marnie Duchamp encounter a sudden storm. After an extensive search, only a muddy sneaker is found. Thirty years later, in a neighboring town, little Billie Richard, who is about to celebrate her ninth birthday, fails to return home after school. Again, it's as if she's vanished into thin air. Just like Marnie, who is haunted by the trauma of Michael's disappearance, Billie's father is consumed by mourning and grief. As they come to terms with the inconceivable disappearances that have marked their lives, neither suspects that another tragedy will soon strike close to home... An atmospheric mystery and a sharp exploration of guilt and sorrow, Trembling River is a powerful work from internationally renowned novelist Andrée A. Michaud and translated by J. C. Sutcliffe.
