MARVIN WERLIN, MARK WERLIN

- 🔖 ***The Complete Plays of Jean Racine: Athaliah*** Jean Racine, Geoffrey Alan Argent, 2010 An English translation, in iambic pentameter couplets, of The Fratricides, a play by seventeenth-century French playwright Jean Racine--provided by publisher.
- 🔖 ***The Complete Plays of Jean Racine*** Jean Racine, 2015-10-27 As Voltaire famously opined, Athaliah, Racine’s last play, is “perhaps the greatest masterwork of the human spirit.” Its formidable antagonists, Athaliah, queen of Judah, and Jehoiada, high priest of the temple of Jerusalem, are engaged in a deadly struggle for dominion: she, fiercely determined to maintain her throne and exterminate the detested race of David; he, no less fiercely determined to overthrow this heathen queen and enthrone the orphan Joash, the scion of the house of David, whom Athaliah believes she slew as an infant ten years earlier. This boy represents the sole hope for the survival of the royal race from which is to spring the Christ. But in this play, even God is more about hate and retribution than about love and mercy. This is the fourth volume of a projected translation into English of all twelve of Jean Racine’s plays—only the third time such a project has been undertaken. For this new translation, Geoffrey Alan Argent has rendered these plays in the verse form that Racine might well have used had he been English: namely, the “heroic” couplet. Argent has exploited the couplet’s compressed power and flexibility to produce a work of English literature, a verse drama as gripping in English as Racine’s is in French. Complementing the translation are the illuminating discussion, intended as much to provoke discussion as to provide it, and the extensive notes and commentary, which offer their own fresh and thought-provoking insights.
- 🔖 ***Saviors*** Malcolm Mackay, 2019-08-13 An unlicensed private investigator fights crime and corruption in a Scottish city, burdened with a history that is compellingly different from the one we think we know. Saviors is two novels in one volume, a thrilling new series by award-winning author Malcolm Mackay. Darian Ross is a young PI struggling against his family legacy (father in prison, criminal brother) in the independent kingdom of Scotland. In earlier centuries, when the Scottish empire stretched all the way to Central America, Darian’s home city was one of the country’s busiest trading ports. But Scotland is not what it was, and the docks of Challaid are almost silent. The networks of power and corruption are all that survive of Challaid’s glorious past. In In the Cage Where Your Saviors Hide, Darian takes the case of the fascinating Maeve Campbell: her partner has been stabbed. The police are not very curious about the death of a man who laundered money for criminals, but Darian’s innate sense of justice and his fascination with Maeve irrevocably draw him into her world, where no one can be trusted. In A Line of Forgotten Blood, police constable Vinny Reno--both a friend and a valuable contact for Darian’s unlicensed PI firm--is desperate for help in finding his missing ex-wife, and clearing his own name. A thread of a clue leads to one of Challaid’s oldest, wealthiest banking families, the Sutherlands. But pulling one thread can unravel a whole tapestry, and soon things are moving too fast for even the most powerful people to control.
- 🔖 ***Alchemy of Christ: The Book of Revelations*** LaRoya, 2017-07-10 It has been a long tradition among the Hebrews to use the Peshet (dream interpretation code) which had encoded messages regarding two levels of information written within a story. One level was written as an allegory that told a message about morality. The other level was written about esoteric instruction and political events which mirrored inner growth. Each of the 22 chapters are inspired by the 22 Hebrew alphabet letters. In this book The Alchemy of Christ: The Book of Revelation I give a commentary on the Book of Revelations Apocalypse means revealing, and it is the revealing of the Christ within. The final battle of Armageddon takes place within us. This is an inner war that will transform us and bring us back to recovery to the state of Christ consciousness. The political struggles within the world mirror the transformation of the individual. Just as we recover, the earth as a whole will recover as well leading to an enlightened civilization.
- 🔖 ***Brown Saviors and Their Others*** Arjun Shankar, 2022-06-30 In Brown Saviors and Their Others Arjun Shankar draws from his ethnographic work with an educational NGO to investigate the practices of “brown saviors”—globally mobile, dominant-caste, liberal Indian and Indian diasporic technocrats who drive India’s help economy. Shankar argues that these brown saviors actually reproduce many of the racialized values and ideologies associated with who and how to help that have been passed down from the colonial period, while masking other operations of power behind the racial politics of global brownness. In India, these operations of power center largely on the transnational labor politics of caste. Ever attentive to moments of discomfort and complicity, Shankar develops a method of “nervous ethnography” to uncover the global racial hierarchies, graded caste stratifications, urban/rural distinctions, and digital panaceas that shape the politics of help in India. Through nervous critique, Shankar introduces a framework for the study of the global help economies that reckons with the ongoing legacies of racial and caste capitalism.

- 🔖 ***The World’s Sixteen Crucified Saviors*** Kersey Graves, 2016-03-10 Khrisna of India. Thammuz of Syria. Esus of the Celtic Druids. Mithra of Persia. Quexalcoatl of Mexico. All were crucified gods, and all met their fates hundreds of years before Jesus appeared on the scene. In this foundational work of modern atheism, American spiritualist Kersey Graves (1813-1883) breaks the Christ myth down into its component parts and ably demonstrates how the story of Jesus has its roots in the depths of antiquity. Here you’ll read about the surprising prevalence throughout global folklore of: . the miraculous and immaculate conception of the gods . stars that point out the time and place of a savior’s birth . angels, shepherds, and magi visiting an infant savior . the 25th of December as the universal birth date of gods . saviors who descend into hell . and much more. This is essential reading for students of comparative mythology and modern freethinkers. Also available from Cosimo: Graves’s The Biography of Satan and The Bible of Bible.

- 🔖 ***Judges and Saviors, Deborah and Samson*** Hillel I. Millgram, 2018-03-09 This is a book about a book: it is an in-depth yet reader friendly analysis of the Book of Judges, one of the most dramatic books of the Bible. Against the commonly-held view that this remarkable work is no more than a collection of hero tales stemming from Israel’s earliest days in its land—its “heroic age,” so to speak—this study makes the case that the Book of Judges is a unified composition with a single focused message: that it is the values held by a people and not its politics that determine its fate. Further, Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society, both inflicted from without and generated from within. And not least, that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality. The larger-than-life heroes and heroines—Ehud and Jael, Deborah and Gideon, Jephthah and Samson—who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world.

- 🔖 ***The Savior*** Lyndsay Lemon, 2021-11-19 The Savior By: Lyndsay Lemon There was a time when the planet was in harmony. The clans worked together to bring prosperity through the land. Magic flourished around the world, bringing new life and healing to all the people. The people were coming together for the greater good of their lives, until a new science developed deep underground in the catacombs of the Spade Clan. In a world torn apart by civil war, a young girl named Jade discovers that she is destined to be evil’s greatest weapon. Rescued from darkness, she finds herself accepted into The Saviors, a ragtag clan of soldiers and magic-wielders hoping to save the world. But can Jade truly outrun her destiny? Will she be the key that grants the destroyers unlimited power over the realm? Or can she harness her own power and unite the clans to stop the destroyers once and for all? The Savior is a classic fantasy adventure, with a strong female hero fighting to control the power within and to prove no one’s destiny is written in stone.
- 🔖 ***In the Cage Where Your Saviours Hide*** Malcolm Mackay, 2018-10-04 The independent kingdom of Scotland flourished until the beginning of the last century. Its great trading port of Challaid, in the north west of the country, sent ships around the world and its merchants and bankers grew rich on their empire in Central America. But Scotland is not what it was, and the docks of Challaid are almost silent. The huge infrastructure projects collapsed, like the dangerous railway tunnels under the city. And above ground the networks of power and corruption are all that survive of Challaid’s glorious past. Darian Ross is a young private investigator whose father, an ex cop, is in prison for murder. He takes on a case brought to him by a charismatic woman, Maeve Campbell. Her partner has been stabbed; the police are not very curious about the death of a man who laundered money for the city’s criminals. Ross is drawn by his innate sense of justice and his fascination with Campbell into a world in which no-one can be trusted.
