Scarlet Sails; the Elephant and the Pug Alexander Green,2016-10-31

Aleksandr Stepanovich Grinevsky (better known by his pen name, Aleksandr Grin), August 23, 1880 - July 8, 1932) was a Russian writer, notable for his romantic novels and short stories, mostly set in an unnamed fantasy land with a European or Latin American flavor (Grin's fans often refer to this land as Grinlandia). Most of his writings deal with sea, adventures, and love.

Red Sails in the Fallout Paul Kidd,2011-07-05 In the fall of 2012, scientists at the Large Hadron Collider in Geneva, Switzerland, embarked on a series of high-energy experiments. No one knows exactly what went wrong, but in the blink of an eye, thousands of possible universes all condensed into a single reality Between a desert and a dried up sea lies the town of Watering Hole, the only oasis for miles and the home of our intrepid heroes Shaani and Xoota. After some rather harrowing adventures in the desert, they are followed home by a swarm of empathic earwigs. As if a psychic bug infestation weren't enough, the town's water supply has suddenly died up. Where there was once fresh water to spare, there is only a trickle of brackish sludge. Theorizing that the water came from a source beyond the desert, Shaani proposes an expedition to re-establish the town's water supply. Xoota, of course, is voted to go with her. Crossing the desert has never been done--and with water in short supply, the task seems impossible. But the ever-helpful Shanni appeals to the town patron Benek, and his love of cryogenically frozen brides, to back the project. What follows is the adventure of a thousand lifetimes.

Crimson Sails Alexander Grin,2013-09-28 *Crimson Sails* is a classic adventure tale of love and hope in the beauty of one's dreams. Written by Russia's Alexander Grin in 1923, this short fantasy novel introduces readers to Soll, a hopeful young girl who has been ostracized in her village. When a mysterious storyteller informs her of a massive ship with crimson sails that will come for her, Soll becomes even more isolated from her neighbors, who view her as feeble-minded. In a surprising twist, her prophecy comes true in a most unexpected way. Grin is known for his prolific and adept use of metaphor, and the present translation preserves and highlights this device. *Crimson Sails* has delighted Russian readers for decades, but has enjoyed limited exposure outside of Russia. The novel is so affecting to Russians, in fact, that each year St. Petersburg holds a *Crimson Sails* Festival. In addition, the romance was made into a film in 1961. This delightful novel will fill readers - both adults and children alike - with hope and a renewed belief in the beauty of the human spirit.

Death on Crimson Sails Lee Rene,2020-04-27 Lucy Hathorne and her friends

Pyrtle, Cassie, and Velda live in the quiet fishing village of Maidenhead, Massachusetts. They are childhood chums who meet each Sunday for gossip and quilting. Their idyllic existence comes to an abrupt end when Lucy's charming and mysterious cousin makes a dramatic entrance aboard a red-sailed schooner. Sebastian Hathorne brings lethal bounty to Maidenhead: a poisoned crew and a cache of medical cadavers destined for the Harvard Medical School. His arrival during the blustery gale portends the hair-raising events to come. Nothing has prepared the girls or the young men who love them for the terrors ahead.

Largo Winch Vol. 18: Scarlet Sails, 2020-07-16 Wrongly accused of causing the recent stock market crash, Largo is in trouble. His attempt to find electronic proof of some external manipulation ends in disaster, and in the meantime the deeds to the entire group have been stolen. The body count keeps rising, and a suspicious guardian angel with golden hair is keeping a close eye on him. Largo will have to go to Saint Petersburg to unravel the multiple layers of this mystery and prove his innocence.

Maitreya. The Connection the Visible and the Invisible Elah, 2022-01-29 It's the English translation tried to make the author with the Russian language of the original book. The book has several levels of reading that correspond to levels or layers of the reality of our world. A mini-labyrinth of reflections – a fragment from the labyrinth of our multi-layered reality was hidden behind adventures of heroes of history. It has the displays – doors between different layers of reality, and the keys to open them, etc. The success in reading at all levels of the story!

Introduction to Russia Gilad James, PhD, Russia, officially known as the Russian Federation, is the largest country in the world by land area and spans two continents, Europe and Asia. It is located in Eastern Europe and Northern Asia and shares borders with Norway, Finland, Estonia, Latvia, Lithuania, Poland, Belarus, Ukraine, Georgia, Azerbaijan, Kazakhstan, Mongolia, China, and North Korea. The country has a diverse geography, from the frozen tundra of Siberia to the sunny beaches of the Black Sea coast. Russia is known for its rich culture and history, which includes famous poets, writers, composers, artists, and scientists. The country has a population of approximately 144 million people and is considered a federal semi-presidential republic. Russia's economy is one of the largest in the world and relies heavily on natural resources like oil, gas, and minerals. Its political system is often described as authoritarian due to the concentration of power in the hands of the president and the ruling party. However, the country has a complex and dynamic political landscape that includes a diversity of opinions and viewpoints. Despite its challenges, Russia continues to play a significant role in world affairs, including its involvement in Syria, Ukraine, and other global hotspots.

Scarlet on the Horizon Effie Deans, Lidia Selezneva-Eletskaia, 2014-11-24 It's June 1990 and Lena, a young student from the Soviet Union, meets David in rural Denmark. There is a mystery at the heart of their initial meeting for he senses that somehow she recognises him, though they have never met. In the few days remaining to them they find a romance that appears impossible to continue. She comes from a closed city on the Baltic while he lives across a channel she cannot cross. But a Russian fairy tale, *Scarlet Sails*, seems to hold out the possibility of a future if only they can grasp it before the

Soviet Union falls apart. A love story with intrigue, but above all with old fashioned romance, Lena and David's story will surprise all of your expectations.

Scarlet Sails Aleksandr Grin,1967 In this Russian classic of romance and adventure at sea, Arthur Grey falls in love with Asole without ever having exchanged a word with her. Also known in English translation as *Crimson Sails*.

Fandango and Other Stories Bryan Karetnyk,2019-12-31 *Fandango and Other Stories* presents a selection of essential short fiction by Alexander Grin, Russia's counterpart to Robert Louis Stevenson, Edgar Allan Poe, and Alexandre Dumas. Grin's ingenious plots explore conflicts of the individual and society in a romantic world populated by a cast of eccentric, cosmopolitan characters.

Crimson sails Alexander Grin,2021-08-27 *Novella Crimson sails* first published in 1923, is very popular in Russia. It's lyrical and romantic and almost magical. The genre of this short story, only seven chapters, is hard to define. There is no overt magic there, so it's not a typical fantasy, but the story takes place in a world made up by the author, so it's not realistic either. In fact, most Grin's stories occur in the same imaginary land his fans call Grinlandia. Grinlandia vaguely resembles Europe sometime in the 19th century. Not one specific country but an amalgam of the European glamor and mystery, as seen through the eyes of a Russian writer who never traveled to Europe. It feels far removed from the dreary reality of post-revolutionary Russia, the time when Grin wrote his stories.

In Aeternum: A Box Set Aliyah Burke,2019-09-17 *Casanova in Training* A woman who is all about rules and a man who lives to break them, their scorching passion threatens all they hold dear. Can they find a way to have it all? Lieutenant Commander Giovanni 'Casanova' Cassano is a top test pilot for the military, and is the epitome of an ace. Cocky, arrogant, handsome, and true to his call sign. His best friend's death brings a new pilot to his squadron—a woman. That's not even the real reason it's hard—she's the one who left an indelible imprint on his soul after a twenty-four hour rendezvous. Now she seems to have ice in her veins, not the fiery passion he knows rages beneath the surface. Jaydee 'Dusti' Amos is following orders, and this time they have landed her at a test facility. She's there to ascertain what caused the deadly B-2 crash. The situation becomes harder once she discovers who is stationed there—the one man she never believed she'd see again after their impulsive and passionate encounter. He pulls her focus from the job at hand and tends to make her break the stringent rules she lives her life by. They work together to unveil the truth and the feelings between them deepen. But there is a traitor in their midst. Will the fallout tear them apart, or will Gio find some way to convince Jaydee to give him a chance at forever? *Harbour of Refuge* What happens in Monte Carlo stays...with you forever...well, if you're one of the lucky ones. Enzo Cassano is the driver of a powerboat team, used to the fast life and all it includes—women, parties and popularity. Until the race in Monte Carlo when he meets a woman who is unlike any he's

met before. Her small town values and almost innocent ways charm him beyond everything. He discovers, however, that beneath her exterior she's very firm in her beliefs and won't budge. Halyn Jennings maybe from a small town but she knows a player when she sees one and Enzo is definitely that. She doesn't mind—she still likes him and enjoys spending time with him, well aware that what is happening between them is most likely temporary. She's not the supermodel type he's accustomed to being with. Enzo's life is turned upside down by an unexpected visitor from his past, he has to learn to accept racing isn't everything and not everyone wants to be the centre of attention. Halyn's own past comes to light in a most harsh revelation and he discovers things aren't always so easy. Will he be able to find a way to break back through her barriers and prove to her she's the one he wants, for forever? Protected by Shadows She's everything he wants and all he knows he shouldn't have...when danger strikes will he give it all up or is he doomed to live the rest of his life without her? Valentino Cassano is a man who lives in shadows, lies and secrets. He works for a group that he can't tell anyone about. When the ugliness from that world affects the woman he's had a thing with for a few years, he refuses to let her face it alone. Lexy Camden loves her life as a veterinarian. However when everything gets turned upside down and Valentino inserts himself into routine for more than a few days things get complicated...fast. The feelings she'd been ignoring for so long won't give her a moment's peace. As the danger to her escalates, and part of Valentino's past comes out, will they have a chance to be a real couple or will it all be shattered with the simple pull of a trigger? Valentino has lost a lot and has no plans to do so again, now if he can just convince Lexy to give him another shot. Polar Opposites Despite differences and difficulties, love is always capable of finding a way to take root and bloom. Ivan Vinokourov w
