Katie Kawa

**Scarlett Johansson** Kim R. Holston, Warren Hope, 2021-06-24 Despite her prominence as an actress, fashionista, social activist and the sexiest woman in the world, Scarlett Johansson has kept her life private. Her work ethic has been strong since her film debut in *North* (1994) at age 10. Then in 2003, *Lost in Translation* brought kudos and launched her adult career. While she never abandoned the independents, Johansson became a leading lady in very big films, including eight outings as former Russian assassin Black Widow thwarting alien incursions in *The Avengers* and other films in the Marvel Universe. This book surveys Johansson's life and films from childhood to her 2019 Academy Award nominations for *Jojo Rabbit* and *Marriage Story*. Each film entry includes a plot synopsis, extracts from contemporary reviews, behind-the-scenes information, and the author's analysis of the film. Looked at in-depth are the three Woody Allen collaborations, her role as Black Widow, and the films in which she becomes the other.

**Scarlett Johansson** Pete Delmar, 2019 Scarlett Johansson has starred in movies of all kinds. Her fame as an action movie star began with her role as Black Widow in the Marvel movies. But how did she become such a versatile star? This book looks at Scarlett's career, from her childhood appearances on TV through theater work into movies and celebrity status. Screening Scarlett Johansson is more than an account of Johansson's career; it positions Johansson as a point of reference for interrogating how femininity, sexuality, identity and genre play out through a contemporary woman star and the textual manipulations of her image. The chapters in this collection cast a critical eye over the characters Johansson has portrayed, the personas she has inhabited, and how the two intersect and influence one another. They draw out the multitude of meanings generated through and inherent to her performances, specifically looking at processes of transformation, metamorphosis and self-deconstruction depicted in her work.

**Alien in the Mirror** Maureen Foster, 2019-09-27 Directed by Jonathan Glazer (*Sexy Beast*, *Birth*) and starring Scarlett Johansson, the 2013 film *Under the Skin* contains elements of science fiction and fantasy, horror, mystery, and thriller. Arguably the most compelling of Johansson's career, the movie follows a unique tale of one woman's journey to self-discovery. This is the first book to be written about the quiet masterpiece, revisiting the film scene-by-scene through all its cinematic elements. Extensive interviews detail the challenges the filmmakers faced--from hidden filming on the streets of Glasgow to defying a blizzard in the Scottish Highlands. Readers are invited to explore connections between the movie and its science fiction cousins and discover the reasons why *Under the Skin* deserves to find a wider audience.
