**The Quotable Scouter** Edith Songer,2013-07-01 The Quotable Scouter communicates the values that have been upheld by the scouting movement ever since Robert Baden-Powell published Scouting for Boys in 1908. These values, so critical to our nation and world, are worth exploring repeatedly as we work to develop strong character in ourselves and the young people we serve. *The Scouter's Companion* David Witt,2010-03-01 For the past 100 years, boys of all ages have explored the mountains, forests, streams, and seas in the quest of fun, exploration, and service that the Boy Scouts of America has offered. The Scouter's Companion collects photographs, vintage images, posters, and advertisements from these archives in commemoration of the BSA's first 100 years. From campfire songs and survival skills, to classic quips from Boys' Life and sage advice, this is a must-have for scouts of all ages.

**Thoughts on Scouting** Clarke Green,2013-06-20 Through three decades of guiding my Scouts as a volunteer Scouter I've camped and hiked and canoed my way through some beautiful places, shared a thousand campfires and grown older (perhaps even wiser) in the company of many great Scouts and Scouters. For the past eight years I have been maintaining a blog and podcast for my fellow volunteers at Scoutmastercg.com. I have a fondness for sayings, maxims, adages, mottoes, epigrams, proverbs, and aphorisms. There's poetry and beauty in concisely expressing a complex thought in a few well-chosen words.All of the thoughts in this book were first published as 140 character long 'tweets', it's been great fun to watch them take on a life of their own. They are offered to get you thinking about your work in Scouting, and as a source of inspiration. I've based some of my Scoutmaster minutes on these thoughts and have used them to liven up training sessions. Because I don't take myself too terribly seriously and to keep things cheerful I've thrown in a joke or two.Not every idea here is new, and I doubt many are original (I haven't consciously used anyone else's material; somebody once said Good writers borrow, great writers steal.) Since people do ask consider this my permission to republish anything in this book in newsletters or any similar communication that furthers the work of Scouting. All I ask is that you let folks know where you found it!

*I Am a Scouter* Lee McCann,2014-09-26 Throughout its 102-year history, the Boy Scouts of America program has helped to shape the lives of more than 110,000,000 young men in this country alone. There have been many organizations that have tried to emulate the program but none have been as successful. Today 3.5 million youth and 1.5 million adults believe in the philosophy and values of the Scouting program. Scouting, throughout its history, has always been able to change its requirements to meet the changes in society, without changing its basic principles: Duty to your God, Duty to Country, Duty to Others and Duty to Self. All proceeds from the sale of this book belong to the Redwood Empire Council, Boy Scouts of America.

*Rocks in My Backpack* Tom Sholes,2007-01-01 Share the adventures and mishaps as a veteran Scouter and master storyteller recounts a lifetime of leading hundreds of Scouts through wild whitewater, desert canyons, or to quiet moments of reflection on mountain summits.

The Scouting Journey Clarke Green,2013-08-27 The Scouting Journey is a map for Scouters guiding Scouts on a voyage of challenge, adventure, and achievementWhen we volunteer our time to Scouting, we join a worldwide movement that simply, yet profoundly, asserts we can make the world a better place. Scouting's continued relevance hinges on the attitude of each individual Scouter. We are good, practical people concerned about the next meeting or camping trip. We have plenty of forms to fill in, records to maintain, and plans to develop. All those practicalities are meaningless if we don't strive to grasp less practical, less tangible elements of Scouting.I have shared a thousand campfires, camped many nights, hiked, and canoed many miles; I've grown older-perhaps even wiser-in the company of Scouts and Scouters. As we covered literal trails through the wilderness, my Scouts were travelling the figurative trail toward adulthood.I have seen Scouting's tremendous transformative potential at work. Scouting needs folks who are willing to get going and keep going more than it needs experts or heroes. I know the trail, here's your map-let's get going!It's up to you to take the first step!

**So Far So Good** Clarke Green,2015-01-04 With these words Chuck Grant reflects on his adventure as a new Scoutmaster - If I had a nickel for every time I thought, said or heard the phrase so far so good over the past few months I'd be a rich man! I'd served as an assistant Scoutmaster for a few years when our Scoutmaster

announced a job relocation that required his family to move. Mark Hacker, our committee chair, took me aside one evening and asked me if I would consider being the new Scoutmaster. I was stunned. I love Scouting, it's great fun. But, really? My wife Anne and I discussed the commitments involved, she appreciated what Scouts did for our son and believes in the program. She agreed I ought to give it a try. I called Mark and told him I would take the job in the fall. I had three months to prepare, so I started reading everything I could find about Scouting. I felt a combination of excitement and dread. It was like stepping off the edge and jumping into a volcano; no turning back now!

**Men of Schiff, A History of the Professional Scouters Who Built the Boy Scouts of America** Winston Davis,2013-03 The book tells the stories of the men who were paid professionals in the Boy Scouts of America in the first half of the Twentieth Century. They had personal struggles and sometimes conflict among themselves. These men worked tirelessly to create the largest Scouting organization in the world and one of the largest youth movements of all time. The book gives some insight into their stories and the impact of their contributions toward the country we live in today.
