Thoroughbred of the Sea, the Sea Stallion from Glendalough Vibeke Bischoff,Tinna Damgard-

Sorensen,Merete Ettrup,Louise Kaempe Henriksen,Soren Nielsen,2016-06-30 The reconstructed longship Sea Stallion from Glendalough sailed from Roskilde to Dublin and back in the summers of 2007 and 2008, with an international volunteer crew of 60 men and women. The first results of this extraordinary voyage on the track of the Vikings are now available. This volume gives an account of the methodological considerations behind a trial voyage as experimental archaeology. The course of the voyage is mapped out historically, based on the weather conditions and the waters navigated. The book provides a fascinating insight into the issues involved in the reconstruction of the ship's steering system, a description of life on board and the experiences of handling a longship, including its travel speed and sailing capabilities.

Phantom Stallion: Wild Horse Island #6: Sea Shadow Terri Farley,2008-04-22 When an earthquake sets off a tsunami on the shores of Wild Horse Island, the mustangs of Crimson Vale are chased by the waves and left stranded on a dangerous hilltop. Darby knows the lead mare, Medusa, will do anything to save her herd—but will she let the ranch hands bring her to safety? Or is it up to

Darby to save Medusa and her band—before they're lost forever?

I Sea Horses Dawn Van Zant,2004 Pegasus, a beautiful white stallion, leads his herd to find a new home in the ocean.

Welcome on Board! Jan Bill,2007 The Sea Stallion from Glendalough is the nearest that we can come today to experiencing a complete longship from the time when this type of ship reached its peak of design. At the same time the ship is an experiment. Here is documented an experiment between the reconstructed ship and the forces of nature to understand the prerequisites for the expansion of territory in the Viking Age.

The Horse from the Sea Victoria Holmes,2005-05 In 1588 in western Ireland, fourteen-year-old Nora risks her own life to rescue a boy and a stallion from a Spanish vessel shipwrecked on the beach.

Phantom Stallion: Wild Horse Island #6: Sea Shadow Terri Farley,2009-03-24 When an earthquake sets off a tsunami on the shores of Wild Horse Island, the mustangs of Crimson Vale are chased by

the waves and left stranded on a dangerous hilltop. Darby knows the lead mare, Medusa, will do anything to save her herd—but will she let the ranch hands bring her to safety? Or is it up to Darby to save Medusa and her band—before they're lost forever?

The Sign of the Seahorse Graeme Base, 1998-06-01 Romance, mystery and intrigue revolve around the Seahorse Cafe, where the beautiful Pearl Trout falls in love with Corporal Bert the Soldiercrab. But Reeftown is in danger, and soon Pearl, Bert, and Pearl's brother Finneus must journey through the ocean depths to find the source of the deadly poison that is destroying the coral reef. Graeme Base's witty rhymes and dynamic, radiantly colored illustrations, should keep both reader and audience immensely entertained.—Publishers Weekly. Base will surely delight his many fans with this latest high-color, high-action, high-density composition, with a high-minded ecological message—School Library Journal
