

# Seahorse

**Helen Scales Ph.D.**

*Mister Seahorse* Eric Carle, 2022-05-03 When Mrs. Seahorse lays her eggs, she does it on Mr. Seahorse's belly! She knows he will take good care of them. While he swims waiting for the eggs to hatch, he meets some other underwater fathers caring for their babies: Mr. Tilapia, who carries his babies in his mouth; Mr. Kurtus, who keeps his on his head; and Mr. Catfish, who is baby-sitting his young hatchlings. Eric Carle has done it again, with astonishingly beautiful collage illustrations and a story that introduces the very young to the wonders of aquatic life . . . and some very special daddies. A hide and seek feature with acetate overlays adds a colorful surprise.

*Seahorses* Sara Lourié, 2016-05-06 An accessible, authoritative look at seahorses, their evolution, biology, habitat, and behavior. Absolutely captivating creatures, seahorses seem like a product of myth and imagination rather than of nature. They are small, elusive, and are named for their heads, which are shaped like miniature ponies with tiny snouts. They swim slowly upright by rapidly fanning their delicate dorsal fin, coil their tails to anchor themselves in a drift, and spend days in a dancing courtship. Afterward, it is the male who carries the female's eggs in his pouch and hatches the young. Seahorses are found worldwide, and they are highly sensitive to environmental destruction and disturbance, making them the flagship species for shallow-water habitat conservation. They are as ecologically important as they are beautiful. *Seahorses* celebrates the remarkable variety of seahorse species as well as their exquisiteness. Fifty-seven species, including seadragons and pipefish, are presented in lush, life-size photographs alongside descriptive drawings, and each entry includes detailed and up-to-date information on natural history and conservation. Sara Lourié, a foremost expert on seahorse taxonomy, presents captivating stories of species that range from less than an inch to over a foot in height, while highlighting recent discoveries and

ecological concerns. Accessibly written, but comprehensive in scope, this book will be a stunning and invaluable reference on seahorse evolution, biology, habitat, and behavior. Masters of camouflage and rarely seen, seahorses continue to be a fascinating subject of active research. This visually rich and informative book is certain to become the authoritative guide to these charming and unusual wonders of the sea, beloved at aquariums the world over. Praise for *Seahorses* “This guide covers every one of the 42 known species of seahorses, plus 15 additional relatives, including the seadragon. In addition to beautiful color photographs of all but the rarest species, the descriptions nicely summarize what is known about the distribution, reproduction, and identifying characters of each. The really striking feature, however, is an elegantly simple one: inclusion of a life-sized shadow/silhouette of each species. It is rather astounding to see that some of the pygmy seahorses are literally no larger than the average housefly! . . . Highly recommended.” —Choice

**Seahorses** Elizabeth Laskey, 2003 Readers swim with some exciting sea creatures as this series explores a particular animal group's natural history, adaptations, population status, interactions with humans and other animals, and conservation efforts on their behalf.

**Seahorse** Chris Butterworth, 2015-11 Synopsis coming soon.....

*This Is a Seahorse* Cassandra Federman, 2020-09-01 ILA 2021 Children's and Young Adults Book Award - Primary Nonfiction A disgruntled seahorse fact-checks a school report about him. When a child writes a report about a seahorse, the creature himself has a few things to say about the animals he's compared to. First of all, he is nothing like a land horse. His tail is much more useful than an opossum's tail. And his snout fits his face perfectly—unlike an anteater's snout. Delivering fascinating facts along the way, the seahorse sets the record straight about what makes his species so special.

**Seahorses** Catherine Wallis, 2004 Seahorses are one of nature's most unusual and beautiful creatures. Illustrated throughout, this volume looks at the science and myth behind a now endangered animal

**Poseidon's Steed** Helen Scales Ph.D., 2009-08-27 A fascinating journey with the sea creature that has captured human imagination for thousands of years Poseidon's Steed trails the seahorse through secluded waters across the globe in a kaleidoscopic history that mirrors man's centuries-old fascination with the animal, sweeping from the reefs of Indonesia, through the back streets of Hong Kong, and back in time to ancient Greece and Rome. Over time, seahorses have surfaced in some unlikely places. We see them immortalized in the decorative arts; in tribal folklore, literature, and ancient myth; and even on the pages of the earliest medical texts, prescribed to treat everything from skin complaints to baldness to flagging libido. Marine biologist Helen Scales eloquently shows that seahorses are indeed fish, though scientists have long puzzled over their exotic anatomy, and their very strange sex lives — male seahorses are the only males in the animal world that experience childbirth! Our first seahorse imaginings appeared six thousand years ago on cave walls in Australia. The ancient Greeks called the seahorse hippocampus (half-horse, half-fish) and sent it galloping through the oceans of mythology, pulling the sea god Poseidon's golden chariot. The seahorse has even been the center of a modern-day international art scandal: A two-thousand-year-old winged seahorse brooch was plundered by Turkish tomb raiders and sold to the Metropolitan Museum of Art in New York. A book that is as charming as the seahorse itself, Poseidon's Steed brings to life an aquatic treasure. Seahorses lead quiet lives, tucked away out of sight on the seafloor. It is rare to catch a glimpse of a seahorse in its natural habitat. But even if few have seen one live, these exotic, seemingly prehistoric creatures exist quite vividly in our imaginations and they have mesmerized

scientists, artists, and storytellers throughout time with their otherworldly rarity. Poseidon's Steed is a sweeping journey that takes us from the coral reefs and seagrass meadows of Indonesia where many seahorses make their natural habitat to the back streets of Hong Kong where a thriving black market seahorse trade is concealed. Throughout history, seahorses have surfaced in some unexpected places and Scales also follows the seahorse back in time, from our most rudimentary seahorse imaginings six thousand years ago on cave walls in Australia, to the myths of ancient Greece. Scientists have long puzzled over seahorses' unusual anatomy and their very strange sex lives. And male seahorses are the only males in the animal world that experience childbirth! Seahorses are not what scientists call a keystone species. They rely on a healthy ocean to survive, but the marine ecosystem does not rely on them. But their delicate beauty reminds us that we rely on the seas not only to fill our dinner plates, but also to feed our imaginations.

**The Curious World of Seahorses** Till Hein, 2023-10-24 With the whimsy and heart of *The Soul of an Octopus* and the surprising details of the very best science writing, *The Curious World of Seahorses* brilliantly captures the ocean's most charismatic and mysterious inhabitant. When God created the seahorse, says one marine biologist, he may have had one too many. Of all the creatures in the ocean, there are none more charming and magical—or more strange—than the seahorses. Masters of disguise, graceful dancers, and romantic lovers, seahorses are found not only in the seagrass meadows and mangroves of the world, but also throughout the annals of human history and culture—surfacing everywhere from chess and Greek mythology to Disney movies like *The Little Mermaid* and Pokémon games. Equipped with a pouch like a kangaroo, a long snout like an anteater, and complete with a crown unique as a human fingerprint, the seahorse defies easy categorization. The only fish to swim in an upright position, seahorses are terrible swimmers, but they make up for

it with an incredible talent for holding onto seagrass or coral. They have no stomach or teeth—only intestines. Most seahorses are monogamous, and meet with their life partner every few weeks to perform a dance that can last up to nine hours. The most unique aspect of the seahorse is their reproductive cycle, as it is the male of the species who becomes pregnant. In this entertaining and informative book, science writer Till Hein shares the most tantalizing findings from the world of seahorses, and the role they have played in human culture. He reveals their secrets, from their intriguing biological features and hunting strategy to their use in medicine throughout history, their appearances in Greek and Celtic mythology, and even the medieval belief that they descended from dragons. Endlessly fascinating and charmingly approachable, *The Curious World of Seahorses* will captivate any reader looking to learn more about one of the most incredible creatures on Earth.

**Secret Seahorse** Stella Blackstone, 2019-09-01 Descend into the depths of the vast blue sea to meet all kinds of aquatic creatures. This hide-and-seek, rhyming selection follows the search for a speedy seahorse through the astonishing coral reef. The paperback edition includes educational notes at the end with information about seahorses and coral reefs and the creatures that live there.

*Sully the Seahorse* Natalie Pritchard, 2019-10-15 Sully the Seahorse is a heart-warming, beautifully illustrated rhyming picture book which encourages children to believe in themselves and to be proud of who they are. It's the day of the Sea School Stars annual talent contest and little Sully really wants to win!! Oh, how he longs to be a super-fast fish or a gigantic, strong whale. Poor Sully never wins ANYTHING! This heart-warming story follows Sully on his race for victory - where he comes across a BIG challenge and discovers his own very special talents. ON YOUR MARKS, READY.....GET SET GO!!! The ocean is buzzing with excitement practising their performances for the competition....all except for Sully who doesn't feel very good at anything at all. The contest starts

soon, reminded Miss Trout. Sully felt worried and started to shout: Do I have to take part, Miss? Please say no. Yes, she replied. You should give it a go. Poor Sully becomes disheartened as he loses some of the races, but the contest comes to a halt when a dark shadow descends upon Sea School and threatens to change Sully's future forever! Will Sully find his sparkle before it's too late? The book explores the issue of self-esteem in a fun and heart-warming way and encourages children to celebrate differences and appreciate their own talents and qualities. It's sometimes hard for children to understand that they can't always be the best at everything. One of life's most important lessons is learning how to deal with making mistakes and being able to lose! Children sometimes find it difficult to understand why they came last in the race, or why they never win the writing contest. Sully discovers in the story that if you keep on trying then you'll find your own special talents - and that's the message for children too - just keep trying and be proud of who you are! It encourages children to become resilient so that they can bounce back from challenges and failure. This is the second book in my Sea School Stories series. The first book, Monty the Manatee, focuses on kindness and anti-bullying and has sold thousands of copies around the world.

**The Sea Hides a Seahorse** Sara T. Behrman, 2024-04-09 In lyrical prose with beautifully rendered illustrations, this gorgeous picture book introduces young readers to the amazing world of seahorses. This saltwater standout will have librarians, parents, and mini marine biologists hooked. —School Library Journal, starred review Hidden in the ocean of colorful fish, octopus, kelp, sea sponges, and other sea life is a most unique creature: the seahorse. Featuring different species of seahorses and seadragons across the world, *The Sea Hides a Seahorse* is a subtle seek-and-find story that journeys underwater to provide a glimpse into the secrets of seahorses as they swim, hide, hunt, court, mate, and more. Included at the back is more information about seahorses and how to support

their protection and conservation.

Seahorse Reef Sally M. Walker, 2002 Describes a sea horse living in the coral reefs of the central Philippines, its habitat, life cycle, food, and how it protects itself from predators.

One Lonely Seahorse Saxton Freymann, Joost Elffers, 2000 One lonely sea horse learns that she has a lot of friends--friends she can really count on to help. Full-color illustrations.

Seahorse Fry Ruth Owen, 2012-08-01 Deep under the ocean, a father seahorse gets ready to do something astonishing—he is going to give birth to his babies. Hundreds of them! The tiny seahorse fry emerge from their father's pouch and swim off. So begins the life of a baby seahorse! In this coming-of-age introduction to these unusual fish, readers will learn how seahorse pairs bond for life, how dad gives birth to the couple's babies, and how the little seahorses must take care of themselves as soon as they are born. The colorful interior spreads and gorgeous photos of seahorses are sure to delight emergent readers.

Seahorse Cove Randy James White, 2011-10 A previously unknown species of seahorse is discovered by oceanologist Drew Boone and his daughter, Karissa, in the small New England town of Seaside Cove. Karissa has been withdrawn and troubled since her parents' divorce, and is spending the summer with her father. Karissa becomes the first kid to make contact with Star, a sea creature that is a unique hybrid of seahorse and normal horse. Her father believes Star is the result of seismic activity near an offshore oil drilling platform. Karissa is brought out of her shell by her friendship with Star and becomes the envy of the other children. Before long, other seahorses join Star on land, coming from an underwater passage at Seahorse Cove. All the kids claim their own seahorse as a family pet. One day, Martin Thompson, owner of the local offshore drilling site, sees a child riding his seahorse in the ocean. Thompson tracks down all the seahorses, confiscating them as his own

property. He puts the seahorses in glass tanks and plans to open a theme park. The children are heartbroken as are the seahorses. Karissa organizes a peaceful protest of the theme park. What happens next is truly unbelievable. About the Author: Randy James White lives in Anaheim, California. This story came to me as a dream. I saw a little girl on a beach stroking the muzzle of a creature that looked to be a hybrid of a Shetland pony and a seahorse. I was going through a divorce myself at the time. A lot of the book is about how children of divorce can become disconnected from their parents. Publisher's website: <http://www.sbpra.com/RandyJamesWhite>

**In Search of a Name . . . a Seahorse Story** Jr. J. David Bise, 2011-06-01 A tiny seahorse is given a quest to find his name. His friends help him on his mission, but the seahorse makes an enemy. His enemy turns out to be the scary great white shark Phineas, who tries to stop the seahorse from getting his name bestowed upon him by the King of the Sea. From the seahorse's birth - to a shipwreck reef to a forest of anemone trees, a whale graveyard and on to the King's palace - the baby seahorse travels onward toward his destiny. His friends include Zuriel the sea turtle, who always wears a red baseball cap, the clownish porcupine fish Gifford, and with guidance and direction, Lucinda the lionfish. This little creature will not be defeated, even by a big bad shark! In Search of a Name: A Seahorse Story is about one of God's tiny creatures finally getting a name that reflects his true nature. This wonderful children's story teaches us that even when bad things happen, God gives us the grace to make a positive impact on the world by living up to our good names.

Seahorses and Sea Dragons Mary Jo Rhodes, 2005 An introduction to seahorses and sea dragons and their world.

**In the Company of Seahorses** Steve Trehwella, Julie Hatcher, 2017-07-31 Seahorses are

instantly recognisable and have been a part of our culture for millennia, yet we still know very little about these enigmatic creatures. Steve Trehwella and Julie Hatcher have spent hundreds of hours in British waters observing native seahorses, witnessing at first hand how they behave in the wild, and how they interact with the other plants and animals in their underwater realm. With stunning photography, *In the Company of Seahorses* paints a rich picture of a mysterious world amongst swaying seagrass and colourful seaweeds. The accompanying text is packed with personal anecdotes describing the authors' journey of discovery, illustrating for the first time the secretive lives of these elusive animals in British waters. By sharing one couple's passion for an entrancing ocean icon, this book aims to inspire, inform and create a better understanding of the seahorse and its often vulnerable habitats around the British coastline.

*The Little Seahorse* Sheri Fink, 2012-05-14 Bravery Book about Overcoming Shyness and Asking for Help The bashful Little Seahorse discovers a mysterious object during his adventures and has to learn to speak up for himself and ask for help in order to bring his mother this amazing gift. In the process, he increases his self-confidence and makes wonderful new friends. Themes include: Shyness, Giving, Friendship, Tolerance, Generosity The Little Seahorse won a Bronze Medal for Best K-3rd Fable in the Readers Favorite International Book Awards.

**Counting Sea Life with the Little Seahorse** Sheri Fink ,Derek Taylor Kent, 2021-03-31 Dive under the waves with the Little Seahorse as he takes you on a magical underwater adventure while counting the beautiful sea creatures that he encounters. Children will delight in the amazing variety of sea life they can learn about and have fun finding and counting them as more and more appear with each turn of the page. Grown-ups are sure to laugh along with their children at the hilarious illustrations and tongue-twisting wordplay. And wait until you see the special surprise at the end!

Delve into the emotional tapestry woven by Crafted by in Experience **Seahorse** . ## Seahorse Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular

platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Seahorse free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by

providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide

range of subjects.

Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Seahorse free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role

in finding free PDF files.

Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Seahorse free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Seahorse. In conclusion, the

internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Seahorse any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Seahorse Books

1. Where can I buy Seahorse books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.  
Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?  
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and

more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Seahorse book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).  
Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.  
Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of

Seahorse books? Storage: Keep them away from direct sunlight and in a dry environment.

Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them?  
Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or

manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections.

Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Seahorse audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms:

Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers.

Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Seahorse books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
