**The Book of Selkie** Briana Corr Scott, 2020 The 2022 Shortlists for the CCBC Book Awards Honour Excellence in Canadian Books for Young People Oh to be a Selkie, And live between two worlds Half your days spent as a seal, And the other half, a girl... Stories about the selkie have been told for hundreds of years by those who live near the North Atlantic and North Sea. Sometimes called seal folk, the selkie, as humans, are tall and strong with dark hair and eyes. Extremely private, they keep their seal coats hidden away until they get restless and are called to the sea, and take on their seal forms. In her lyrical follow-up to *She Dreams of Sable Island*, artist and author Briana Corr Scott explores the Selkie legend in a book of short, whimsical poems. Find out what Selkie likes to eat, where she lives, how she spends her time on land and in the sea, and learn a Selkie lullaby. Lifting and lyrical, with acrylic paintings that recall the ocean's depths, this magical book is ideal for both bedtime and playtime. Features a paper doll, clothes, and seal.

Secrets of Selkie Bay Shelley Moore Thomas, 2015-07-07 In their present-day tourist trap of an Irish seaside town, famed for its supposed involvement with selkies in the past, three sisters are faced with the sudden disappearance of their mother. Crushed by the loss, their father is struggling to carry on. To make matters worse, there are rumors afloat in the village that their mother herself is a selkie who has now shed her human form and gone back to sea. As Cordie Sullivan, the oldest daughter, tries to learn more about her mother's vanishing, she must find the strength to help her family move ahead, even as she discovers an increasing number of clues that point to a hidden island off the coast—a mythical kingdom of the selkies.

Uncharted Waters: A Selkie Story Andi Lee, 2021-01-10 Have you ever had a secret so deep – even you didn't know it? When Aveny discovers an old seal skin tucked amongst the bric-a-brac of her grandmother's attic, she realizes something is amiss. After all, what is her kindly, midwestern grandmother doing with a seal skin? Is that really ethical? Or even legal?! Soon, the skin's mysterious origin is the least of Aveny's concerns. Strange occurrences start happening with increasing frequency, causing her to question her own sanity (which is especially concerning, considering what happened to her great aunt). But as the haunting nightmares and unexplainable occurrences accelerate, Aveny finds herself in a new and especially horrifying situation; she wakes one morning, not in the comfort of her own bed, but laying on a distant beach, clutching the sealskin, and \*gasp\* completely naked. Grappling with the possibility that she has finally succumbed to the insanity that has plagued her family for generations, Aveny discovers something even more extraordinary; the seal skin is more than a politically incorrect family heirloom – it's a Selkie skin, capable of transforming her into a mythological selkie. Or maybe she's just crazy. Even she's not sure which it is. And as she ventures deeper and further into the sea, she's not even sure she cares. But when a nearly fatal close-call lands Aveny in the hospital with no explanation and no alibi, she finds herself caught in her own web of lies. Her closely guarded secret threatens to tear her family apart. Aveny must choose whether to trade her newfound liberation for safety – or risk everything by following her heart into Uncharted Waters. Are you ready to dive into the adventure? “Uncharted Waters: A Selkie Story” is available free of charge, one chapter or “episode” at a time at SelkieStory.com. You can also sign up for each chapter to be delivered straight to your email inbox. So, what's a Selkie? Selkie stories have long been told throughout the emerald isles of Ireland and Scotland, extending as far as Iceland and Scandinavia. The ancient myths tell of “seal folk,” seals with the ability to transform into humans. These beings are so alluring, the rare person fortunate (or unfortunate) enough to stumble across one's path often falls immediately and madly in love with them. However, these love stories are generally ill-fated. At their heart, these mythological adventurers are far too in love with the wild sea, to ever remain on land. The old Celtic tales are just myths, right? Maybe, maybe not. After all, some legends are true and the biggest of secrets are often hidden within. Visit SelkieStory.com to read the full book.

**The Selkie of San Francisco** Todd Calgi Gallicano, 2018 When a selkie appears in the San Francisco bay, Sam London and the guardian Tashi are summoned by Dr. Vance Vantana of the Department of Mythical Wildlife to help track the creature down--except unbeknownst to them, other forces are at work and the secret that mythical creatures exist and live amongst humans is in even bigger danger than ever before--

Selkie Gillian McClure, 2010-03-01 Peter has heard of the legend of the Selkie seals who can turn into humans, but he can't believe it when he rescues a real, live Selkie from the oysterman's nets. The two become friends, and Selkie teaches Peter the language of the sea. But someone else has his eye on the Selkie, and danger threatens Peter and his new friend.

As time goes on, these two very different interpretations of events grow into an insurmountable silence, and troubled waters quickly become stormy seas...

*Selkie Girl* Laurie Brooks, 2010-11-09 When sixteen-year-old Elin Jean finds a seal pelt hidden at home and realizes that her mother is actually a selkie, she returns the pelt to her mother, only to find her life taking many unexpected turns.

The old place in the small town of Folk Haven is a reminder of her father’s mental decline in the last few years of his life. She’s just come to town to clear the thing out and get it ready to sell. Delta never even planned to dip a toe in the water until a prone body floating has her diving in to save the swimmer. A selkie will know their mate when they are rescued. Calder MacNamara wasn’t in need of saving, but he certainly appreciates the effort. Especially when the hands on his bare skin warm him to his core. The moment he meets the woman’s piercing stare, his gut tells him she’s his life partner. But he soon finds that if Delta feels anything toward him, it’s annoyance. Accidentally insulting her dog doesn’t help his case. With Delta’s focus on the road out of town, Calder scrambles to discover what, if anything, could make her stay. He’s willing to use all means of pleasure at his disposal to convince his mate that Folk Haven is the perfect place to call home. Especially if you’re a mythical creature. Discover the magical town of Folk Haven, where many of the townsfolk know their neighbors are creatures of legend. This 40k word novel is book 1 in the series, a standalone story perfect for fans of Molly Harper, Kresley Cole, and Gena Showalter.

**Irish Selkie** Christina Holloway,2008-07 Celtic folklore speaks of a people that are part human/part seal. They are called Selkies; sometimes they come to shore to sunbathe, removing their seal skin and leaving them prey for fisherman to steal and hide. If this happens they have to marry him and have his children. Though many Selkies are happily married they still always seem to feel drawn back to the sea and their seal families, even at the cost of leaving behind ones they love on land. After years of searching many find their hidden skin and return to the sea as a seal staying close, keeping watch over them from the great sea. The children left behind are sometimes called Darkies because of their dark eyes and hair with pale skin from the Selkie bloodline. Most descendants of the Selkie feel a very strong connection with the ocean, the call of its waves, and a kinship with the seal.

**The Selkie Girl** Janis Mackay,2014 A classic Scottish folktale, retold with hauntingly beautiful illustrations.

*The Selkie* Melanie Jackson,2013-07-23 A USA Today Bestselling Author While the technology of the wars had changed the face of Europe, some things stayed the same; the tempestuous Scottish coast and the surrounding sea remained a place of unquenchable magic and mystery. Sequestered at Fintry Castle by the whim of her mistress, Hexy Garrow spared seven tears for her past--all of which were swallowed by the waves. By joining the water, those tears completed a ritual, and that ritual summoned a prince. He came for Hexy--and for something she didn't know she had stolen. His very nature went against all Hexy had ever believed, but his love was everything she'd ever desired. And he'd come not to collect her for the insatiable ocean, but for himself.

*Selkie Zine 7: the Hairy Selkie* Blurb, Incorporated,2018-09-06 In a rendition of the selkie tale by Clarissa Pinkola Estés, the selkie--a mythical being that is part woman and part seal--has a son with a fisherman. The son discovers his mother's sealsuit one day, and as he hugged the sealskin to his face and inhaled her scent, her soul slammed into him like a sudden summer wind. We love this issue of the zine because it asks, in a beautiful variety of ways, What is the relationship between our hairy skinsuits and us? Does one harbor the other, fend off would-be attackers, carry her to the tops of mountains? Or is it more tangled than that--does our fur carry secrets of the soul, expressions of our inner wild? Some selkies found freedom and redemption in growing out their hairs, others found it in chopping hairs off. All these pieces explore the most magical and confusing relationship we all have--our relationship with our breathing, sweating, bag-of-chemicals self. Keep at it, selkies, you are gorgeous, resplendent, bulletproof.

**Call of the Selkie** Jean Bennett,2001-01-01 Ryan's parents aren't getting on and, sadly, he isn't sure if they ever will. His one comfort is finding a mother seal and her pup, which Ryan names Selkie, in a hidden bay. Ryan spends the summer with his new friends, and becomes accepted by Selkie. But the happy days with the seals may soon come to an end with the arrival of a mysterious fisherman--Back cover. Suggested level: primary.

**The Boy with a Bird in His Chest** Emme Lund,2023-01-03 Longlisted for The Center for Fiction 2022 First Novel Prize A “poignantly rendered and illuminating” (The Washington Post) coming-of-age story about “the ways in which family, grief, love, queerness, and vulnerability all intersect” (Kristen Arnett, New York Times bestselling author). Perfect for fans of The Perks of Being a Wallflower and The Thirty Names of Night. Though Owen Tanner has never met anyone else who has a chatty bird in their chest, medical forums would call him a Terror. From the moment Gail emerged between Owen’s ribs, his mother knew that she had to hide him away from the world. After a decade spent in isolation, Owen takes a brazen trip outdoors and his life is upended forever. Suddenly, he is forced to flee the home that had once felt so confining and hide in plain sight with his uncle and cousin in Washington. There, he feels the joy of finding a family among friends; of sharing the bird in his chest and being embraced fully; of falling in love and feeling the devastating heartbreak of rejection before finding a spark of happiness in the most unexpected place; of living his truth regardless of how hard the thieves of joy may try to tear him down. But the threat of the Army of Acronyms is a constant, looming presence, making Owen wonder if he’ll ever find a way out of the cycle of fear. “An honest celebration of life and everything we need right now in a book” (Andrew Sean Greer, Pulitzer Prize-winning author), The Boy with a Bird in His Chest grapples with the fear, depression, and feelings of isolation that come with believing that we will never be loved for who we truly are and learning to live fully and openly regardless.
