Don Hoesel

The Worship of the Serpent Traced Throughout the World, and Its Traditions Referred to the Events in Paradise John Bathurst Deane,1830

The Worship of the Serpent Traced Throughout the World John Bathurst Deane,1833

Serpent of Moses (A Jack Hawthorne Adventure Book #2) Don Hoesel,2012-07-01 A Fast-Paced Follow-up to the Bestselling Suspense *Elisha's Bones*! Just three years after the recovery of Elisha's bones, Dr. Jack Hawthorne has given up teaching and resumed the practice of archaeology, although his frequent absences have put a strain on his relationship with Esperanza. Things heat up when Esperanza receives a call from an antiquities dealer with troubling news about Jack, and her fears are confirmed. Jack has gone to Libya in search of another biblical artifact: the Nehushtan, the serpent staff of Moses. After Jack arrives in Libya, he soon discovers he isn't the only one searching for the Nehushtan. Later, in attempting to steal it, he finds himself in the hands of a man who just might be his match. Jack and his friends must stay one step ahead of the Libyan government, an overambitious member of the Vatican hierarchy, and an Egyptian assassin--if they stand any chance of staying alive long enough to recover the staff.

Eden's Serpent: It's Mesopotamian Origins Walter Mattfeld,2010-10-24 Several pre-biblical protagonists appearing in Mesopotamian myths are identified as being fused together and recast as the Garden of Eden's serpent.

The Worship of the Serpent John Bathurst Deane,

The Serpent Gift Lene Kaaberbol,2007-10-02 Originally published in Danish under the title: Slangens gave.

The Family at Serpiente Raymond Tolman,2017-12-26 In this first volume in *The Serpent Trilogy*, Penny Anderson, a high school junior, escapes an untenable home situation and flees across the country to join her Uncle and Aunt in Serpiente, New Mexico. The Navajo Hidalgo, a detective, tries to warn Penny of the dangers of Serpiente but she persists and in the end wins the confidence and hearts of a unique family. Together they uncover the mysterious creatures that have, throughout history, enjoyed vexing and manipulating humans to evolve into warring creatures for their own evil reasons. Using the tools of science and Indian folklore, the detectives discover the secret to making peace with the serpents. Unfortunately, antiquity thieves discover and attack the serpents, sparking a war. The family conducts historical research that reveals the ultimate goals and truth about the serpents. Includes Readers Guide.

Gloucester's Sea Serpent Wayne Soini,2010-10-15 In 1817, as Gloucester, Massachusetts, was recovering from the War of 1812, something beneath the water was about to cause a stir in this New England coastal community. It was a misty August day when two women first sighted Gloucester's sea serpent, touching off a riptide of excitement among residents that reached a climax when Matt Gaffney fired a direct shot at the creature. Local historian Wayne Soini explores the depths of Gloucester harbor to reveal a treasure-trove of details behind this legendary mystery. Follow as he tracks Justice of the Peace Lonson Nash's careful investigation, the world's first scientific study of this marine animal, and judges the credibility of numerous reported sightings.

The Encircled Serpent M. Oldfield Howey,1926

The Sun and the Serpent Charles Frederick Oldham,1905 *The Sun and the Serpent: A Contribution to the History of Serpent-Worship* by Charles Frederick Oldham, first published in 1905, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a

new generation to appreciate it.

Serpent in the Sky John Anthony West, 2012-12-19 John Anthony West's revolutionary reinterpretation of the civilization of Egypt challenges all that has been accepted as dogma concerning Ancient Egypt. In this pioneering study West documents that: Hieroglyphs carry hermetic messages that convey the subtler realities of the Sacred Science of the Pharaohs. Egyptian science, medicine, mathematics, and astronomy were more sophisticated than most modern Egyptologists acknowledge. Egyptian knowledge of the universe was a legacy from a highly sophisticated civilization that flourished thousands of years ago. The great Sphinx represents geological proof that such a civilization existed. This revised edition includes a new introduction linking Egyptian spiritual science with the perennial wisdom tradition and an appendix updating West's work in redating the Sphinx. Illustrated with over 140 photographs and line drawings.

The Serpent Jane Gaskell, 1985-01-01 Imprisoned by her mother, the Dictatress, in a tower for seventeen years, Cija is released and given the task of seducing Zerd, the half-man, half-serpent commander of an invading army

The Serpent and the Serpent Slayer Andrew David Naselli, 2020-10-06 Although a story with a serpent, a damsel in distress, and a serpent slayer may sound like just another fairy tale, it is, in fact, part of the greatest true account ever told—the Bible. Epic tales resonate with readers because they echo the greatest story. In this new addition to the Short Studies in Biblical Theology series, Andrew David Naselli traces the theme of snakes and dragons from the serpent in the garden to the devouring dragon in Revelation, culminating with the return of the King. New and seasoned Christians alike will experience afresh the captivating unifying narrative behind all stories as they embark on a journey through the Bible with a trusted biblical scholar.

The Essex Serpent Sarah Perry, 2017-06-06 NOW AN APPLE TV+ SERIES A Washington Post Notable Work of Fiction * Winner of the British Book Awards Fiction Book of the Year and overall Book of the Year * A Kirkus Reviews Best Book of The Year * Waterstones Book of the Year * Costa Book Award Finalist “A novel of almost insolent ambition—lush and fantastical, a wild Eden behind a garden gate...it's part ghost story and part natural history lesson, part romance and part feminist parable. I found it so transporting that 48 hours after completing it, I was still resentful to be back home.” —New York Times London, 1893. When Cora Seaborne's brilliant, domineering husband dies, she steps into her new life as a widow with as much relief as sadness: her marriage was an unhappy one, and she never suited the role of society wife. Seeking refuge in fresh air and open space, she leaves the metropolis for coastal Essex, accompanied by her inquisitive and obsessive eleven-year-old son, Francis, and the boy's nanny, Martha, her fiercely protective friend. Once there, they hear rumors that after nearly three hundred years, the mythical Essex Serpent, a fearsome creature that once roamed the marshes, has returned. When a young man is mysteriously killed on New Year's Eve, the community's dread transforms to terror. Cora, a keen amateur naturalist with no patience for religion or superstition, is immediately enthralled, certain that what locals think is a magical sea beast may be a previously undiscovered species. Eager to investigate, she is introduced to parish vicar William Ransome, who is equally suspicious of the rumors but for different reasons: a man of faith, he is convinced the alarming reports are caused by moral panic, a flight from the correct and righteous path. As Cora and William attempt to discover the truth about the Essex Serpent's existence, these seeming opposites find themselves inexorably drawn together in an intense relationship that will change both of them in ways entirely unexpected. And as they search for answers, Cora's London past follows her to the coast, with striking consequences. Told with exquisite grace and intelligence, *The Essex Serpent* masterfully explores questions of science and religion, skepticism and faith, but it is most of all a celebration of love, and the many different—and surprising—guises it can take.

Serpent's Wake L. E. Daniels, 2018-03-18 After twelve years trapped in the throat of a serpent, a girl escapes. She returns to her village naked

with a monstrous snakeskin trailing behind her. One decision at a time, she reclaims her life. Each character she encounters by land and sea—brute, healer, orphan, mystic, lover—reflects an unhealed aspect of herself and plots her recovery through symbolic milestones. *Serpent's Wake* is intended for adults and young adults exploring how, once fractured, we may mend.

Them That Believe Ralph Hood, W. Paul Williamson, 2008-09-02 Explores the religious practice of serpent handling in churches of Alabama, Georgia, Tennessee, Kentucky, North Carolina, and West Virginia. This book provides an analysis of this phenomenon from historical, social, religious, and psychological perspectives. It deals with the near-death experiences of individuals who were bitten but survived.

The Feathered Serpent Edgar Wallace, 2008-01-11 Peter Derwin suspects the card left in the bag of actress, Ella Creed, is a publicity stunt. But other people have found them as well. Leicester Crewe opens his front door & a dead man falls into the hall. In his hand is the card of the Feathered Serpent.

The Serpent and the Swan Boria Sax, 1998 *The Serpent and the Swan* is a history and analysis of animal bride tales from antiquity to the present. The animal bride tale, the author argues, is an enduring expression of humankind's need to remain close to and a part of nature. Boria Sax traces the idea of the animal bride through history by drawing upon legends and literary works from throughout the world. He pays particular attention to Eurasian sources which support his thesis that the animal bride theme originated among the serpent cults of Mesopotamia and southeastern Europe. Through time, the details of the animal bride theme changed as a result of mankind's changing perceptions of the natural world. In general, this study is an account of myths and beliefs that have surrounded animals--and women--during the rise of modern humankind. *The Serpent and the Swan* identifies and explains images of the animal bride that pervade, enliven, and enrich our culture. The bride becomes Eve taking an apple from the serpent, Medea casting spells, Cinderella riding to the royal ball in a pumpkin coach, and the Little Mermaid rising from the waves. The Author: Boria Sax, who holds a doctorate in German and intellectual history, is the author of *The Frog King* and *The Parliament of Animals*, among other books.

The Shaman and the Water Serpent Jennifer Dewey, 2007 This book demonstrates how ancient Puebloan peoples lived their daily lives
Serpent-worship Charles Staniland Wake, 1888

Discover tales of courage and bravery in *Explore Bravery* with this empowering ebook, *Unleash Courage in Serpent*. In a downloadable PDF format (PDF Size: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
