**United States. Congress. House. Committee on Science and Technology.  
Subcommittee on the Environment and the Atmosphere**

*Bill's Service Station* Peter Spier, 1981 Text and pictures present a day's activities at a service station. On heavy board pages cut in the shape of a service station.

**Establishing and Operating a Service Station ...** Charles Henry Sevin, 1945

Retail Service Station Act of 1976 (Council Act No. 1-220) United States. Congress. House. Committee on the District of Columbia. Subcommittee on Economic Development and Regional Affairs, 1972

*The Gas Station in America* John A. Jakle, Keith A. Sculle, 1994 The first architect-designed gas station - a Pittsburgh Gulf station in 1913 - was also the first to offer free road maps; the familiar Shell name and logo date from 1907, when a British mother-of-pearl importer expanded its line to include the newly discovered oil of the Dutch East Indies; the first enclosed gas stations were built only after the first enclosed cars made motoring a year-round activity - and operating a service station was no longer a seasonal job; the system of octane rating was introduced by Sun Oil as a marketing gimmick (74 for premium in 1931). As the number of true gas stations continues its steady decline - from 239,000 in 1969 to fewer than 100,000 today - the words and images of this book bear witness to an economic and cultural phenomenon that was perhaps more uniquely American than any other of this century.--Jacket.

**The American Gas Station** Michael Karl Witzel, 1999 The American Gas Station is a nostalgic history of the service station and the American car culture it helped create. An exceptional chronicle of the birth of roadside architecture, the development of gasoline pumps, corporate trademarks, and gas station memorabilia.

**Service Station Management** Charles Landon Jones, 1922

*Fill 'er Up* Jim Draeger, Mark Speltz, 2012-12-01 Step back to the day when a visit to the gas station meant service with a smile, a wash of the windshield, and the cheerful question, Fill 'er up? Since their unremarkable beginnings as cheap shacks and curbside pumps at the dawn of the automobile age, gas stations have taken many forms and worn many guises: castles, cottages and teepees, Art Deco and Streamline Moderne, clad with wood, stucco, or gleaming porcelain in seemingly infinite variety. The companion volume to the Wisconsin Public Television documentary of the same name, *Fill 'er Up: The Glory Days of Wisconsin Gas Stations* visits 60 Wisconsin gas stations that are still standing today and chronicles the history of these humble yet ubiquitous buildings. The book tells the larger story of the gas station's place in automobile culture and its evolution in tandem with American history, as well as the stories of the individuals influenced by the gas stations in their lives. *Fill 'er Up* provides a glimpse into the glory days of gas stations, when full service and free oil changes were the rule and the local station was a gathering place for neighbors. More importantly, *Fill 'er Up* links the past and the present, showing why gas stations should be preserved and envisioning what place these historic structures can have in the 21st century and beyond.

*Starting and Managing a Service Station* United States. Small Business Administration, 1961

**Automotive Service Station Attendant (driveway Salesman)** W. W. Chambers, 1968

*Tales from the Gas Station: Volume Two* Jack Townsend, Nightshift clerk and high-functioning

insomniac Jack is back to work, trying his best to keep out of trouble. But when his chain-smoking coworker discovers a mysterious radio signal revealing the guarded secrets of their town, Jack will learn that an annoying new dayshift manager is far from the worst of his problems. In this second installment of the Gas Station saga, Jack finds himself entangled in his most harrowing adventure yet. With the newest crew of coworkers along for the ride and the resident psychopath out for his blood, our hero(?) must navigate the drama of small-town murder conspiracies, vigilante justice, and demonic summoning rituals...whether he wants to or not.
