History of Soynuts, Soynut Butter, Japanese-Style Roasted Soybeans (Irimame) and Setsubun (with Mamemaki) (1068-2012) William Shurtleff, Akiko Aoyagi, 2012-12

Celebrating Life Customs around the World [3 volumes] Victoria R. Williams, 2016-11-21
This book documents hundreds of customs and traditions practiced in countries outside of the United States, showcasing the diversity of birth, coming-of-age, and death celebrations worldwide. From the beginning of our lives to the end, all of humanity celebrates life's milestones through traditions and unique customs. In the United States, we have specific events like baby showers, rites of passage such as Bat and Bar Mitzvahs and sweet 16 birthday parties, and sober end-of-life traditions like obituaries and funeral services that honor those who have died. But what kinds of customs and traditions are practiced in other countries? How do people in other cultures welcome babies, prepare to enter into adulthood, and commemorate the end of the lives of loved ones? This three-volume encyclopedia covers more than 300 birth, life, and death customs, with the books' content organized chronologically by life stage. Volume 1 focuses on birth and childhood customs, Volume 2 documents adolescent and early-adulthood customs, and Volume 3 looks at aging and death customs. The entries in the first volume examine pre-birth traditions, such as baby showers and other gift-giving events, and post-birth customs, such as naming ceremonies, child-rearing practices, and traditions performed to ward off evil or promote good health. The second volume contains information about rites of passage as children become adults, including indigenous initiations, marriage customs, and religious ceremonies. The final volume concludes with coverage on customs associated with aging and death, such as retirement celebrations, elaborate funeral processions, and the creation of fantasy coffins. The set features beautiful color inserts that illustrate examples of celebrations and ceremonies and includes an appendix of excerpts from primary documents that include legislation on government-accepted names, wedding vows, and maternity/paternity leave regulations.

Japan Pop: Inside the World of Japanese Popular Culture Timothy J. Craig, 2015-04-08 A fascinating illustrated look at various forms of Japanese popular culture: pop song, jazz, enka (a popular ballad genre of music), karaoke, comics, animated cartoons, video games, television dramas, films and idols -- teenage singers and actors. As pop culture not only entertains but is also a reflection of society, the book is also about Japan itself -- its similarities and differences with the rest of the world, and how Japan is changing. The book features 32 pages of manga plus 50 additional photos, illustrations, and shorter comic samples.

Introduction to Japanese Culture Daniel Sosnoski, 2013-05-21 Featuring full-color photographs and illustrations throughout, this text is a comprehensive guide to Japanese culture. The richness of Japan's history is renowned worldwide. The heritage of culture that its society has produced and passed on to future generations is one of Japan's greatest accomplishments. In *Introduction to Japanese Culture*, you'll read an overview, through sixty-eight original and informative essays, of Japan's most notable cultural achievements, including: Religion, Zen Buddhism, arranged marriages and Bushido Drama and Art—from pottery, painting and calligraphy to haiku, kabuki and karate Cuisine—everything from rice to raw fish Home and Recreation, from board games such as Go to origami, kimonos and Japanese gardens The Japan of today is a fully modern, Westernized society in nearly every regard. Even so, the elements of an earlier age are clearly visible in the country's arts, festivals, and customs. This book focuses on the essential constants that remain in present-day Japan and their counterparts in Western culture. Edited by Daniel Sosnoski, an American writer who has lived in Japan since 1985, these well-researched articles, color photographs, and line illustrations provide a compact guide to aspects of Japan that often puzzle the outside observer. *Introduction to Japanese Culture* is wonderfully informative, a needed primer on the cultural make-up and behaviors of the Japanese. This book is certain to fascinate the student, tourist, or anyone who seeks to know and understand Japanese culture, Japanese etiquette, and the history of Japan.

Geisha Liza Dalby, 2008-12-10 Discusses the geisha--practioners of music and dance and unmarried companions to the Japanese male elite.

Geisha Liza Carihfield Dalby, Liza Dalby, 1983-01-01 The author, an American anthropologist,

describes her experiences during the year she spent as a Japanese geisha, and looks at the role of women, and geishas, in modern Japan

They Do What? Javier A. Galván, 2014-06-19 This single-volume work covers many traditions, customs, and activities Westerners may find unusual or shocking, covering everything from the Ashanti people's funeral celebrations to wife-carrying competitions in Finland. In Maharashtra, India, a tradition exists to throw newborn babies off the tops of buildings. At the Vegetarian Festival in Phuket, Thailand, some people ritualistically pierce their cheeks and faces with swords and knives. How did these surprising customs come to be? From camel wrestling to cheese-rolling competitions to a tomato-throwing festival, this fascinating single-volume encyclopedia examines more than 100 customs, traditions, and rituals that may be considered strange and exotic to U.S. readers. This work provides high school and undergraduate students with a compelling and fascinating exploration of world customs and traditions. Comprising entries by anthropologists, religious leaders, scholars, dancers, musicians, historians, and artists from almost every continent in the world, this encyclopedia provides readers a truly global and multidisciplinary perspective. The entries explore the origins of the custom, explain how it was established as a tradition, and describe how and where it is practiced. A thematic guide enables readers to look up entries by the type of tradition or custom, such as birth, coming of age, courtship and wedding, funeral, daily customs, holidays, and festivals.

Japan And Things Japanese Mock Joya, 2017-07-12 First published in 2006. For over fifty years, the Japanese-born Western-trained author of this remarkable volume devoted himself to explaining Japanese traditions and customs to foreigners through his newspaper columns, talks and four short books. The comprehensive work presented here, drawn from all these sources deals with all aspects of Japanese life and material culture - apparel and utensils; cures and medicines; houses and buildings; fetes and festivals; fish, birds and animals; folk tales; food, sake and tobacco; living habits; marriage, funerals and memorials; natural phenomena; plants and flowers; popular beliefs and traditions; recreation and entertainment; religious rites and social customs. With over seven hundred and thirty separate entries, this unique volume is the definitive work on all Japanese things.

History of Tofu and Tofu Products (965 CE to 1984) William Shurtleff; Akiko Aoyagi, 2022-06-03 The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographic index. 640 photographs and illustrations - many color. Free of charge in digital PDF format.

History of Miso and Its Near Relatives William Shurtleff; Akiko Aoyagi, 2021-05-05 The world's most comprehensive, well documented and well illustrated book on this subject. With extensive subject and geographical index. 363 photographs and illustrations - many in color. Free of charge in digital PDF format.

Religion in Japanese Daily Life David C. Lewis, 2017-09-22 Are Japanese people religious - and, if so, in what ways? David Lewis addresses this question from the perspective of ordinary Japanese people in the context of their life cycles, and explores why they engage in religious activities. He not only discusses how Japanese people engage in different religious practices as they encounter new events in their lives but also analyses the attitudes and motivations behind their behaviour. Activities such as fortune-telling, religious rites in the workplace, ancestral rites and visits to shrines and temples are actually engaged in by many people who view themselves as 'non-religious' but express their motivations in terms other than the conventional 'religious' ones. This book outlines the religious options available, and assesses why people choose particular religious activities at various times in their lives or in specific circumstances. The author challenges some widespread assumptions about religion in urban and industrial contexts and also shows how some of the underlying motivations behind Japanese behaviour are expressed both in religious and non-religious forms.

Medical Materialities Aaron Parkhurst, Timothy Carroll, 2019-01-14 Medical Materialities investigates possible points of cross-fertilisation between medical anthropology and material culture studies, and considers the successes and limitations of both sub-disciplines as they attempt to understand places, practices, methods, and cultures of healing. The editors present and expand upon a definition of 'medical materiality', namely the social impact of the agency of often mundane, at

times non-clinical, materials within contexts of health and illness, as caused by the properties and affordances of this material. The chapters address material culture in various clinical and biomedical contexts and in discussions that link the body and healing. The diverse ethnographic case studies provide valuable insight into the way cultures of medicine are understood and practised.

Religions of the World [6 volumes] J. Gordon Melton, Martin Baumann, 2010-09-21 This masterful six-volume encyclopedia provides comprehensive, global coverage of religion, emphasizing larger religious communities without neglecting the world's smaller religious outposts. *Religions of the World, Second Edition: A Comprehensive Encyclopedia of Beliefs and Practices* is an extraordinary work, bringing together the scholarship of some 225 experts from around the globe. The encyclopedia's six volumes offer entries on every country of the world, with particular emphasis on the larger nations, as well as Indonesia and the Latin American countries that are traditionally given little attention in English-language reference works. Entries include profiles on religion in the world's smallest countries (the Vatican and San Marino), profiles on religion in recently established or disputed countries (Kosovo and Nagorno-Karabakh), as well as profiles on religion in some of the world's most remote places (Antarctica and Easter Island). *Religions of the World* is unique in that it is based in religion on the ground, tracing the development of each of the 16 major world religious traditions through its institutional expressions in the modern world, its major geographical sites, and its major celebrations. Unlike other works, the encyclopedia also covers the world of religious unbelief as expressed in atheism, humanism, and other traditions.

Chado the Way of Tea Sasaki Sanmi, 2011-10-18 *Chado the Way of Tea: A Japanese Tea Master's Almanac* is a translation of the Japanese classic *Sado-saijiki*, first published in 1960. Covering tea-related events in Japan throughout the year, Master Sasaki provides vignettes of festivals and formal occasions, and as well as the traditional contemplative poetry that is a part of the tea ceremony. Each chapter covers variations in the tea ceremony appropriate for a single month, including: Themes and sentiments—tea gatherings at night, under the moon, on snowy days, and many others. Special events—describing major tea festivals such as Hina-matsuri and yasurai-matsuri. Flowers with tea—a list of 250 flowers, divided by season with an explanation of how they are incorporated into the tea ceremony. Cakes—descriptions and ingredients of moist and dry cakes and toffees used in the tea ceremony. Meals for tea—the meal, *kaiseki*, accounts for almost a third of any formal tea ceremony. This section includes at least two proven menus for each month. Words—seasonal words, poetic names for utensils, and nature words used in the tea ceremony. The book also includes reproductions of almost 100 Japanese paintings produced by the famous tea practitioner Hara Sankei, with over 1,000 Japanese poems, and a glossary of over 500 specialized terms related to the tea ceremony.

The Japan Magazine, 1917

The River Imp and the Stinky Jewel and Other Tales, 2023-06-20 In Edo-period Japan, readers relished works known as *kibyōshi* that combined text and illustration on the same page, much like comic books and manga. Monsters often took center stage in these stories. This book presents a selection of Edo monster comics in English for the first time, introducing readers to a captivating, humorous, and eye-opening genre of popular fiction. *The River Imp and the Stinky Jewel and Other Tales* collects five *kibyōshi* published between 1778 and 1807, chosen for both entertainment value and stylistic variety. Their authors reinvent traditional Japanese monsters as contemporary characters who mirror the foibles of the human world. They tell stories such as: The lover of the long-necked *rokuro-kubi* makes a ridiculous attempt to rescue her from her human captor. A mischievous river creature steals a jewel lodged deep inside a boy's buttocks, setting off a curious chain of events involving a historical samurai and a real-life "fart man." A demon girl from hell is sent to the world of the living in order to destroy a sacred Buddhist statue—but things don't go quite as she plans. Exploring the grotesque, comic, bumbling, salacious, and charming world of these creatures, the stories also provide a glimpse into the society and culture of Edo-period Japan through the monsters' distorted lens. The *kibyōshi* are reproduced in their entirety, conveying the feel of the original comics and allowing readers to experience the full visual impact of the monsters.

The Intrigues of Haruhi Suzumiya (light novel) Nagaru Tanigawa, 2012-09-04 After closing a time

loop fiasco in *The Disappearance of Haruhi Suzumiya* (Vol. 5), our protagonist Kyon is ready to start a new year with a blank slate--no time travel, no apocalyptic worries, and maybe some actual peace and quiet with the SOS Brigade, a club comprised of his high school's most extraordinary students. Their leader is Haruhi, a bold, brash girl who doesn't realize that she's actually a powerful goddess whose moods can easily change the balance of the universe. Just as Kyon starts to get comfortable, he gets a visit from his friend Mikuru. Except this isn't his Mikuru; it's a Mikuru from eight days in the future! Time traveling shenanigans start all over again as Kyon, guided by the future Mikuru, attempts to stop a terrible future from becoming a reality.

The Book of Yokai Michael Dylan Foster, 2015-01-14 Monsters, ghosts, fantastic beings, and supernatural phenomena of all sorts haunt the folklore and popular culture of Japan. Broadly labeled yokai, these creatures come in infinite shapes and sizes, from tengu mountain goblins and kappa water spirits to shape-shifting foxes and long-tongued ceiling-lickers. Currently popular in anime, manga, film, and computer games, many yokai originated in local legends, folktales, and regional ghost stories. Drawing on years of research in Japan, Michael Dylan Foster unpacks the history and cultural context of yokai, tracing their roots, interpreting their meanings, and introducing people who have hunted them through the ages. In this delightful and accessible narrative, readers will explore the roles played by these mysterious beings within Japanese culture and will also learn of their abundance and variety through detailed entries, some with original illustrations, on more than fifty individual creatures. *The Book of Yokai* provides a lively excursion into Japanese folklore and its ever-expanding influence on global popular culture. It also invites readers to examine how people create, transmit, and collect folklore, and how they make sense of the mysteries in the world around them. By exploring yokai as a concept, we can better understand broader processes of tradition, innovation, storytelling, and individual and communal creativity.

Saint Young Men 9 Hikaru Nakamura, 2021-02-09 The ultimate combination of God and Buddha lead a divinely-inspired life that might just be a little too humble. Setsubun, Hinamatsuri, pollen allergies, upgrading phone models, even appearing on the radio... Jesus and Buddha's familiarity with the lower world is reaching extreme levels!! Including a special bonus story where the fisherman brothers, Peter and Andrew, are almost entirely useless.
