🔒 *Shadow Blade* Seressia Glass,2010-01-26 For Kira Solomon, normal was never an option. Kira’s day job is as an antiques expert, but her true calling is as a shadowchaser. Trained from youth to be one of the most lethal chasers in existence, Kira serves the Gilead Commission, dispatching the fallen who sow discord and chaos. Of course, sometimes Gilead bureaucracy is as much a thorn in her side as anything the fallen can muster against her. Right now, though, she’s got a bigger problem. Someone is turning the city of Atlanta upside down in search of a millennia-old Egyptian dagger that just happens to have fallen into Kira’s hands. Then there’s Khefar, the dagger’s true owner -- a near-immortal 4,000-year-old Nubian warrior who, Kira has to admit, looks pretty fine for his age. Joining forces is the only way to keep the weapon safe from the sinister shadow forces, but now Kira is in deep with someone who holds more secrets than she does, the one person who knows just how treacherous this fight is. Because every step closer to destroying the enemy is a step closer to losing herself to shadow forever....

Phoenix has become ground zero in a magical war, and an army of wercreatures, blood sorcerers, and necromancers has made Jay its number one target. When he is hired to track down a woman who has gone missing with her two young children, he has a hunch that the dark ones are to blame. But then he’s also brought in by the police to help with a murder investigation, and all the evidence implicates this same woman. Soon he is caught up in a deadly race to find not only the young family, but also an ancient weapon that could prove decisive in the looming conflict. Can he keep himself alive long enough to reach the woman and her kids before his enemies do? And can he claim the weapon before the people he loves, and the world he knows, are lost in a storm of flame, blood, and darkest sorcery?
