Arlene Stein

Shameless, 2012 Meet Frank Gallagher, a working-class patriarch who loves his six kids almost as much as he loves booze, cigarettes, his monthly disability check and booze. So he leaves it to eldest daughter Fiona to hold the family together and make sure everyone (except Frank) works to keep the lights on and food on the table. William H. Macy and Emmy Rossum lead a brilliant cast in the complete first season of *Shameless*, a big-hearted, irreverent, outrageous and outrageously funny series in the tradition of...well, nothing. There's never been anything like *Shameless* on American TV, says the Chicago Sun-Times. Break some ground, break some rules with the breakthrough smashed hit about good times, bad times, crazy times - our times.

Shameless Nadia Bolz-Weber, 2019-01-29 NEW YORK TIMES BESTSELLER • Raw, intimate, and timely—a no-holds-barred celebration of our bodies that flies in the face of antiquated ideas about sex and gender. “A triumph.”—Glennon Doyle • “One of the most important, life-changing books I’ve ever read.”—Rachel Held Evans, author of *Searching for Sunday* and *Inspired* Negative messages about sex come from all corners of society: from the church, from the media, from our own families. As a result, countless people have suffered pain, guilt, and judgment. In this instant bestseller, Nadia Bolz-Weber unleashes her critical eye and her vulnerable yet hopeful soul on the harmful conversations about sex that have fed our shame. Bolz-Weber offers no simple amendments or polite compromises. Instead, this modern-day reverend calls for an inclusivity that empowers us to be loyal to people and, perhaps most important, ourselves. “Christianity is not a program for avoiding mistakes,” she writes. “It is a faith of the guilty.” With an alternative understanding of Scripture passages that have been weaponized against Christians for decades, Bolz-Weber reminds us that sexual flourishing can and should be for all genders, all bodies, and all humans. She shares stories, poetry, and Scripture that wage war on perpetual anxiety around sex by celebrating sexuality in all its forms and recognizing it for the gift that it is. If you’ve been mistreated, confused, angered, and/or wounded by shaming sexual messages, this one is for you.

Shameless Sociology Jennifer Beggs Weber, Pamela M. Hunt, 2020-09-23 In 2011, Showtime premiered *Shameless*, a comedy-drama about the audacious behaviors of the Gallaghers, a white, working-class family living in Chicago’s South Side. In 2020, the series headed into the production of its eleventh and final season, making it the longest-running original scripted program in Showtime’s history. *Shameless* explores topics such as poverty, alcoholism, teen pregnancy, and mental illness. The series has been credited with “reinventing working-class TV” and for humanizing groups that are typically “othered” or simply laughed at. However, others have critiqued the show for relying on and promoting stereotypes, and for the cavalier ways in which it portrays controversial social issues like rape and abortion. *Shameless Sociology: Critical Perspectives on a Popular Television Series* offers a critical eye toward topics such as gentrification, pregnancy and abortion, racial and gender inequality, and homophobia, and illustrates the ways in which *Shameless* sometimes confronts and topples stereotypes, yet, at other times, serves to reinforce and perpetuate them. Given the broad appeal of the show and the diverse topics it covers, this book will appeal to the general public, as well as researchers of media, culture, and social inequalities, and undergraduate and graduate students at institutions of higher education.

Shameless Karen Robards, 2011-02-15 Lady Elizabeth, the youngest and most headstrong of the three Banning sisters, has been engaged three times, and has most scandalously broken off all three engagements. Neil Severin is a wicked rogue, black of heart and black of reputation. A man of no morals, devoid of compassion, he is a government-sanctioned assassin. When circumstances most unexpectedly throw the two together, Beth's life is in danger and Neil finds himself in the unexpected role of hero, racing to save her

before it's too late.

Shameless Steve Geyer, 2016-01-27 Are you plagued with memories of past failures? Do you ever feel like everything that goes badly is your fault? Do words like worthless and unacceptable describe how you feel about yourself? You’re not alone. Millions of people struggle with these same thoughts, including people who might surprise you. These thoughts and feelings cause people to put on a variety of masks to cover up the dark and hidden places inside that they are terrified others may see. This book seeks to shed light on shame—the shadowy force that has controlled people’s thoughts, actions, and lives for centuries. Comedian and pastor Steve Geyer will take you on a personal and poignant journey as he peels back his own mask and shares insights, life lessons, and a few well-timed laughs along the way. Reading *Shameless* will help you reader feel the weight of shame less and less. “Steve, I’m sitting in a questionable carwash in a less than desirable neighborhood and reading your book for the third time. The ‘ugly cry’ that happened with the first two readings has surfaced again and is scaring my fellow patrons. Thank you for your candor and transparency.” —Cameron Winton, Pastor of Discipleship Woodlawn United Methodist Church, Panama City, FL

The Roommate Rosie Danan, 2020-09-15 Warmly funny and gorgeously sexy.—New York Times Book Review A LibraryReads Pick House Rules: Do your own dishes Knock before entering the bathroom Never look up your roommate online The Wheatons are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She’s the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara’s childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it’s also too good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there’s a good chance he and Clara could have survived sharing a summer sublet if she hadn’t looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton’s most scandalous story yet. His professional prowess inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they’re lucky, they’ll help everyone else get lucky too.

Shameless Jennifer Blake,1994 Haunted by rumors about his mysterious CIA past and a champion of local industry, Reid Sayers finds romance with the sensuous Camilla Greenley, herself hounded by a fortune-hunting ex-husband and an environmental crusader.

A Shameless Little Lie (Shameless #2) Meli Raine,2018-03-27 I did it. I admit it. I fell in love with Silas. My bodyguard. My protector. My new informant. We're playing a cat-and-mouse game. I'm not sure whether I'm the cat or the mouse, but I can definitely tell I'm in a trap. A trap with no way out. I'm not who everyone thought I was. The truth is out there, finally turning the lie about me inside out. I am the shameless little lie. It's finally been revealed, and now even more people want to kill me. As a presidential campaign hangs in the balance, a delicate web of international relations and economic stability at risk, power becomes more important than anything else. Even my life. Especially my life. I'm a nothing. A no one. Just a tool, remember? But tools can be used to open locks. Cracking open the truth and exposing it could change the balance of power. Tip the scales. Make a presidential campaign turn on a dime. Too bad Silas doesn't believe me when I tell the truth. And that may make him the biggest tool of all. Shameless Arlene Stein, 2006-07 Shame, a powerful emotion, leads individuals to feel vulnerable, victimized, rejected. In *Shameless*, noted scholar and writer Arlene Stein explores American culture's attitudes toward shame and sexuality. Some say that we live in a world without shame. But American culture is a curious mix of the shameless and the shamers, a seemingly endless parade of Pamela Andersons and Jerry Falwells strutting their stuff and wagging their fingers. With thoughtful analysis and wit, *Shameless* analyzes these clashing visions of sexual morality. While conservatives have brought back sexual shame—by pushing for abstinence-only sex education, limitations on abortion, and prohibitions of gay/lesbian civil rights—progressives hold out for sexual liberalization and a society beyond "the closet." As these two Americas compete with one another, the future of family life, the right to privacy, and the very meaning of morality hang in the balance.

Shameless Zee Shine Storm, 2020-12-26 Spin-off novel. (Book 4 of the FORBIDDEN series.) Zi I've always been good at everything. Soccer. Girls. Grades. I don't even have to try. My dad says I get it from him. That I remind him of the teenage version of himself. None of it really matters to me though. I value relationships more. My friends. My family. I'd do anything for them. And in their eyes, I can never do wrong. Except that one autumn. When I forgot my place and ended up in bed with someone I never should have looked at the wrong way. But it felt so good. So good that I didn't care if I got a little carried away. Being respectable started to seem like a chore. So I decided to find out what it would feel like to be a little...shameless. Trigger warning: Infidelity. **Contains mature themes meant for 18+ readers only.

Shameless Futhi Ntshingila, 2008 Thandiwe lives by her own rules. She shamelessly sells her body on the South African streets of Yeoville and views her job as no different from those of young black graduates who take up affirmative action posts as perpetual juniors under soul-destroying mentors. Thandiwe's searing views on the post-apartheid corporate world become public when she is approached by Kwena, a young film-maker who is interested in telling the stories of prostitutes and the shameful secrets of many. For Thandiwe, that personal story begins in the poor, rural village where Thandiwe and her best friend Zonke grew up, facing the many challenges of a vulnerable childhood together. They both fend off unwanted sexual attention and Thandiwe loses her mother in a freak accident, leaving her an orphan.

When she runs away from her guardians to avoid circumcision, Thandiwe arrives in Jo'burg and soon launches her unconventional career. While Zonke pursues a more sheltered and conventionally successful course of action, Thandiwe has to fight fiercely for her independence, even at the risk of endangering her own life.

But faced with Jimmy's killer cowboy charm, Deb's awfully tempted to settle in with him for the duration... Jimmy is looking for a wife—really. Only he can't seem to keep his mind off sassy city gal, Deb Strickland. He knows Deb wouldn't be much good on a ranch—but he'd bet she's incredible in bed! And as much as he wants the sexy, smart-mouthed beauty, he knows he'll never find out—unless he makes Deb an offer she can't refuse. An offer that's absolutely shameless...

The third series serves up a heady cocktail of sex, drugs, gratuitous violence, love, and scams, so there's something for absolutely everyone!

Drawn into bitter family rivalries and feeling like an interloper in her new home, Pippa rides out into the wilderness and meets an intriguing stranger and his pet wolf. The wolf doesn't scare her, but she's very much afraid to trust another man with her heart. Devon Flynn knows all about going it alone. He lives in an isolated cabin, away from his domineering father and the scandal surrounding his family. Devon's attraction to Pippa is intoxicating and undeniable, but when he tries to get close, she's as wary as his once-wild wolf.
