The Last Kings of Shanghai Jonathan Kaufman,2021-06-01 In vivid detail... examines the little-known history of two extraordinary dynasties.--The Boston Globe Not just a brilliant, well-researched, and highly readable book about China's past, it also reveals the contingencies and ironic twists of fate in China's modern history.--LA Review of Books An epic, multigenerational story of two rival dynasties who flourished in Shanghai and Hong Kong as twentieth-century China surged into the modern era, from the Pulitzer Prize-winning journalist The Sassoons and the Kadoories stood astride Chinese business and politics for more than one hundred seventy-five years, profiting from the Opium Wars; surviving Japanese occupation; courting Chiang Kai-shek; and nearly losing everything as the Communists swept into power. Jonathan Kaufman tells the remarkable history of how these families ignited an economic boom and opened China to the world, but remained blind to the country's deep inequality and to the political turmoil on their doorsteps. In a story stretching from Baghdad to Hong Kong to Shanghai to London, Kaufman enters the lives and minds of these ambitious men and women to forge a tale of opium smuggling, family rivalry, political intrigue, and survival.

The Old Shanghai A-Z Paul French,2010-11-01 This richly anecdotal guide to every street in Shanghai details many landmarks and stories associated with its best-known avenues. A definitive index to the street names of Shanghai, some of which have disappeared or been removed, allows historians, researchers, tourists, and the just plain curious to navigate the city in its pre-1949 incarnations, through the former International Settlement, French Concession, and External Roads area with a detailed map and alphabetical entry for every road. The book is lavishly illustrated with old advertising, images, and postcards of the streets and businesses, the bars and nightclubs, the people and characters of old Shanghai bringing alive the city in its previous heyday as the Pearl of the Orient. *The Old Shanghai A-Z* should become the standard reference work as well as being an easy-to-use guide for researchers and visitors looking to recapture the glamour and uniqueness of old Shanghai. Paul French is an analyst and writer who has worked in Shanghai for many years as a founder of Access Asia. His books include *Carl Crow: A Tough Old China Hand* and *Through the Looking Glass: China's Foreign Journalists from Opium War to Mao*.

Shanghai 1937 Peter Harmsen,2015-10-20 The New York Times bestseller that inspired the documentary *Shanghai 1937: Where World War II Began* on Public Television. At its height, the Battle of Shanghai involved nearly a million Chinese and Japanese soldiers while sucking in three million civilians as unwilling spectators—and often victims. It turned what had been a Japanese imperialist adventure in China into a general war between the two oldest and proudest civilizations of the Far East. Ultimately, it led to Pearl Harbor and to seven decades of tumultuous history in Asia. The Battle of Shanghai was a pivotal event that helped define and shape the modern world. In its sheer scale, the struggle for China's largest city was a sinister forewarning of what was in store only a few years later in theaters around the world. It demonstrated how technology had given rise to new forms of warfare and had made old forms even more lethal. Amphibious landings, tank assaults, aerial dogfights, and—most important—urban combat all happened in Shanghai in 1937. It was a dress rehearsal for World War II—or, perhaps more correctly, it was the inaugural act in the war, the first major battle in the global conflict. Actors from a variety of nations were present in Shanghai during the three fateful autumn months when the battle raged. The rich cast included China's ascetic Generalissimo Chiang Kai-shek and his Japanese adversary, General Matsui Iwane, who wanted Asia to rise from disunity, but ultimately pushed the continent toward its deadliest conflict ever. Claire Chennault, later of "Flying Tiger" fame, was among the figures emerging in the course of the campaign, as was First Lady Eleanor Roosevelt. In an ironic twist, Alexander von Falkenhausen, a stern German veteran of the Great War, abandoned his role as a mere advisor to the Chinese army and led it into battle against the Japanese invaders. *Shanghai 1937* fills a gaping chasm in our understanding of the War of Resistance and the Second World War.

Shanghai Splendor Wen-hsin Yeh,2007-09-03 Rich with details of everyday life, this multifaceted social and cultural history of China's leading metropolis in the twentieth century offers

a kaleidoscopic view of Shanghai as the major site of Chinese modernization. Engaging the entire span of Shanghai's modern history from the Opium War to the eve of the Communist takeover in 1949, Wen-hsin Yeh traces the evolution of a dazzling urban culture that became alternately isolated from and intertwined with China's tumultuous history. Looking in particular at Shanghai's leading banks, publishing enterprises, and department stores, she sketches the rise of a new maritime and capitalist economic culture among the city's middle class. Making extensive use of urban tales and visual representations, the book captures urbanite voices as it uncovers the sociocultural dynamics that shaped the people and their politics.

This is Shanghai Alexander Barrett, 2015-10-19 This is Shanghai is a first hand account of expat life in China's (and the world's) largest city. Like a guidebook, it helps newcomers and visitors discover the city; but instead of making quickly-outdated lists of restaurants and museums, Alexander Barrett takes you on a tour of the essential facets of existence in Shanghai. Follow him through the sometimes incredibly old, sometimes futuristic, and often just plain strange sights, sounds, and experiences he's come across in the first year of exploring the city. With its light, humorous style and sharp eye for those key details that explain the sprawling reality of a huge metropolis, this book is perfect for anyone who wants a friendly guide to Shanghai or just a window onto another, fascinating world.

Once Upon a Time in Shanghai, 2019-11-19 China is poised to become the world's largest film market, fed by an expansive state-supported movie and television industry. These photographs document the many larger-than-life outdoor film sets and the tourist industry that has developed around them.

Shanghai Girls Lisa See, 2010-02-02 NEW YORK TIMES BESTSELLER • "A gifted writer . . . explores the bonds of sisterhood while powerfully evoking the often nightmarish American immigrant experience."—USA Today In 1937, Shanghai is the Paris of Asia, a city of great wealth and glamour, the home of millionaires and beggars, gangsters and gamblers, patriots and revolutionaries, artists and warlords. Thanks to the financial security and material comforts provided by their father's prosperous rickshaw business, twenty-one-year-old Pearl Chin and her younger sister, May, are having the time of their lives. Though both sisters wave off authority and tradition, they couldn't be more different: Pearl is a Dragon sign, strong and stubborn, while May is a true Sheep, adorable and placid. Both are beautiful, modern, and carefree . . . until the day their father tells them that he has gambled away their wealth and that in order to repay his debts he must sell the girls as wives to suitors who have traveled from California to find Chinese brides. As Japanese bombs fall on their beloved city, Pearl and May set out on the journey of a lifetime, one that will take them through the Chinese countryside, in and out of the clutch of brutal soldiers, and across the Pacific to the shores of America. In Los Angeles they begin a fresh chapter, trying to find love with the strangers they have married, brushing against the seduction of Hollywood, and striving to embrace American life even as they fight against discrimination, brave Communist witch hunts, and find themselves hemmed in by Chinatown's old ways and rules. At its heart, *Shanghai Girls* is a story of sisters: Pearl and May are inseparable best friends who share hopes, dreams, and a deep connection, but like sisters everywhere they also harbor petty jealousies and rivalries. They love each other, but each knows exactly where to drive the knife to hurt the other the most. Along the way they face terrible sacrifices, make impossible choices, and confront a devastating, life-changing secret, but through it all the two heroines of this astounding new novel hold fast to who they are: Shanghai girls. Praise for *Shanghai Girls* "A buoyant and lustrous paean to the bonds of sisterhood."—Booklist "A rich work . . . as compulsively readable as it is an enlightening journey."—Denver Post

New Shanghai Pamela Yatsko, 2001 Weaving anecdotes with analysis, author Pamela Yatsko's lively narrative addresses key aspects of the city's rebirth: the building spree of the 1990s; Shanghai's resurrection as a financial center; its drive to remain a manufacturing powerhouse; its cultural reawakening; the growing divide between rich and poor; the return of fortune-hunting foreign business; and the revival of notorious Old Shanghai vices: nightlife, drugs and prostitution.

The author breaks through the hype surrounding Shanghai's re-emergence to present a realistic picture of the legendary city and the challenges it faces fulfilling its aspirations. *New Shanghai: The Rocky Rebirth of China's Legendary City* is a work of exceptional richness and observation.

The History of Shanghai George Lanning, Samuel Couling, 1923

The Shanghai Taotai Yuen-sang Leung, Yuansheng Liang, 1990 This is a study of the circuit intendant or taotai under the Ch'ing, particularly the Shanghai taotai. It examines the institutional and historical settings within which the taotai operated and traces the development of the Shanghai taotai office from 1730 through the nineteenth century. The focus of investigation is in examining the adjustment of functions and responsibilities of the taotai and his changing role in the post-Opium War era, particularly in the contexts of foreign relations, modernisation, and local politics. Central to the author's interpretation is the concept of linkage man or linkage position. The Shanghai taotai as a linkage man provides vital connection and channel of communication and interaction between two or more separate worlds or value systems and often works as a conflict manager.

Shanghai Gone Qin Shao, 2013 Shanghai has been demolished and rebuilt into a gleaming megacity in recent decades, now ranking with New York and London as a hub of global finance. But that transformation has come at a grave human cost. This compelling book is the first to apply the concept of domicile--the eradication of a home against the will of its dwellers--to the sweeping destruction of neighborhoods, families, and life patterns to make way for the new Shanghai. Here we find the holdouts and protesters, men and women who have stubbornly resisted domicile and demanded justice. Qin Shao follows, among others, a reticent kindergarten teacher turned diehard petitioner; a descendant of gangsters and squatters who has become an amateur lawyer for evictees; and a Chinese Muslim who has struggled to recover his ancestral home in Xintiandi, an infamous site of gentrification dominated by a well-connected Hong Kong real estate tycoon. Highlighting the wrenching changes spawned by China's reform era, Shao vividly portrays the relentless pursuit of growth and profit by the combined forces of corrupt power and money, the personal wreckage it has left behind, and the enduring human spirit it has unleashed. To see the author's blog post on Asia Society, please [click here](#).

Shanghai Girls and Dreams of Joy: Two Bestselling Novels Lisa See, 2013-08-26 Across two critically acclaimed linked novels, now together in this eBook bundle, Lisa See unfolds a captivating saga of the bonds between women—mothers and daughters, sisters and friends—while illuminating the events of China's tumultuous history. *SHANGHAI GIRLS* "As in *Snow Flower and the Secret Fan* and *Peony in Love*, [See] has . . . created ordinary women who, through willfulness and resiliency, accomplish extraordinary things."—Miami Herald In 1937 Shanghai—the Paris of Asia—twenty-one-year-old Pearl Chin and her younger sister, May, are beautiful, modern, and carefree . . . until the day their father tells them that he has gambled away their wealth. To repay his debts, he must sell the girls as wives to suitors from Los Angeles. As Pearl and May set out from the Chinese countryside to the shores of America, they face impossible choices and confront a life-changing secret, but through it all the two sisters hold fast to who they are—Shanghai girls. *DREAMS OF JOY* "Astonishing . . . a story with characters who enter a reader's life, take up residence, and illuminate the myriad decisions and stories that make up human history."—Los Angeles Times Reeling from newly uncovered family secrets, Pearl's nineteen-year-old daughter, Joy, runs away to Shanghai in early 1957 to find her birth father—an artist with whom both May and Pearl were once in love. Dazzled by him, and blinded by idealism, Joy throws herself into the New Society of Red China, heedless of the dangers in the Communist regime. Terrified for Joy's safety, Pearl returns to Shanghai, determined to save her daughter. Yet even as Joy's and Pearl's journeys converge, one of the most tragic episodes in China's history threatens their very lives. Praise for Lisa See "Explores the bonds of sisterhood while powerfully evoking the often nightmarish American immigrant experience."—USA Today, on *Shanghai Girls* "As compulsively readable as it is an enlightening journey."—The Denver Post, on *Shanghai Girls* "See is a gifted historical novelist. . . . The real love story, the one that's artfully shown, is between mother and daughter, and aunt and daughter."—San Francisco Chronicle, on *Dreams of Joy* "See's research feels impeccable, and she has created an

authentic, visually arresting world.”—The Washington Post, on *Dreams of Joy*

Shanghai: City for Sale Ernest O. Hauser, 1940 Map on lining-papers. First edition.

The Rough Guide to Shanghai Simon Lewis, 2011-03-01 The Rough Guide to Shanghai is the ultimate insider's guide to China's brash new megacity. With the extravagant 2010 World Expo serving as its coming out party, Shanghai is muscling forward to take its place alongside such financial powerhouses as Tokyo and London. But it's no longer just about China's rising business clout; in everything from fashion and art to cutting edge architecture, Shanghai is making waves. All the major and off beat sights of this notoriously fast changing city are covered, from the gleaming new World Financial Centre - China's highest viewing point, to avant-garde arts centre Moganshan Lu, and hip new restoration district Taikang Lu. Cutting through the hype, The Rough Guide to Shanghai reveals the best places to shop, from mall to backstreet tailor; to sleep, whether you want a youth hostel, achingly trendy boutique hotel or luxury pad; and to eat, from the destination restaurants on the Bund to the best street dumplings. When the pace of the city gets too frenetic, there's all you need to know for great day-trips to tranquil canal towns such as Tongli or pretty Suzhou. Easy to read maps are provided throughout the guide, plus there's a handy colour subway map, and the pinyin and Chinese characters are given for all destinations.

Last Boat Out of Shanghai Helen Zia, 2019 The dramatic, real-life stories of four young people caught up in the mass exodus of Shanghai in the wake of China's 1949 Communist Revolution--a precursor to the struggles faced by emigrants today. Shanghai has historically been China's jewel, its richest, most modern and westernized city. The bustling metropolis was home to sophisticated intellectuals, entrepreneurs, and a thriving middle class when Mao's proletarian revolution emerged victorious from the long civil war. Terrified of the horrors the Communists would wreak upon their lives, citizens of Shanghai who could afford to fled in every direction. Seventy years later, the last generation to fully recall this massive exodus have opened the story to Chinese American journalist Helen Zia, who interviewed hundreds of exiles about their journey through one of the most tumultuous events of the twentieth century. From these moving accounts, Zia weaves the story of four young Shanghai residents who wrestled with the decision to abandon everything for an uncertain life as refugees in Hong Kong, Taiwan, and the U.S. Young Benny, who as a teenager became the unwilling heir to his father's dark wartime legacy, must choose between escaping Hong Kong or navigating the intricacies of a newly Communist China. The resolute Annuo, forced to flee her home with her father, a defeated Nationalist official, becomes an unwelcome young exile in Taiwan. The financially strapped Ho fights deportation in order to continue his studies in the U.S. while his family struggles at home. And Bing, given away by her poor parents, faces the prospect of a new life among strangers in America--

Shanghai Considered Socially H. Lang, 2024-03-16 Reprint of the original, first published in 1875.

Life and Death in Shanghai Cheng Nien, 2010-12-14 A woman who spent more than six years in solitary confinement during Communist China's Cultural Revolution discusses her time in prison. Reissue. A New York Times Best Book of the Year.

Historic Shanghai Carlos Augusto Montalto Jesus, 1909

Shanghai Love Layne Wong, 2013-04-01 Henry Winkler - actor, producer, writer - praised this debut novel: Two cultures collide in a romantic brew of herbs and heart. Layne Wong creates a compelling tale. Shanghai Love is a gripping drama about the unlikely relationship that develops between a Chinese herbalist and a Jewish refugee in China during World War II. Peilin is betrothed to Kwan Yao, the only son of a wealthy pearl farmer. However, months before their wedding, Yao is killed by the Japanese in the Nanjing Massacre. The Kwans insist on proceeding with the wedding and beautiful Peilin is married to a ghost husband. When an uncle passes away, Peilin is sent to Shanghai to manage the Kwan family herbal shop. Meanwhile, in Berlin, Henri graduates from medical school just as Hitler rises to power and unleashes the horrible history of prejudice and violence against the Jewish population. Fleeing the Holocaust to the one place that would accept him without a visa, Henri escapes to Shanghai where he's befriended by Ping, a young disfigured

rickshaw driver. Ping introduces Henri to his sister Peilin. Through her kindness, Henri becomes fascinated with Chinese herbs as well as the exotic culture surrounding him. Shanghai Love is a classic romance fiction that handsomely showcases love's triumph over adversity. Visit Laynewong.com to learn more. Order your copy from Amazon today!

Shanghai Betty Peh-T'i Wei, 1987 Using published and unpublished sources from Asia, Europe, and North America, Wei has created an impressive study of Shanghai from before its founding as a county at the beginning of the 13th century to 1949, after the entry of the People's Liberation Army. Unlike other histories of the city which focus on foreign influences, Wei pays particular attention to the Chinese contribution to development.

Unveiling the Magic of Words: A Report on "Shanghai"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Shanghai Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shanghai has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shanghai has opened up a world of possibilities. Downloading Shanghai provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With

the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shanghai has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shanghai. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shanghai. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical

downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shanghai, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shanghai has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shanghai Books

1. Where can I buy Shanghai books?
 Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
 Online Retailers:

- Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
 3. How do I choose a Shanghai book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of Shanghai books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Shanghai audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Shanghai books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
