The Lyrical Wings of the Two Bards Subrata Ray, Sharon Corr, 2015-12-25 Poetry the Unconscious reality of the conscious and the sub-conscious finds reflection through the monitor of the poets . At its root it is the divine revelation of the self . The song-writer , the musicians , the singers , and the poets ,display through their art the beauty of the Divine . The Lyrical Wings Of The Two Bards , -presents some fragments of the devotional ,and spiritual-cum mystic wings that take bed in the feelings of Poet Subrata Ray , and poetess , -Sharon Corr . This is a joint venture by the two bards , and herein ,the readers , the authors hold with conviction , would find their own reflections .The lyrics and the songs included in this volume are not mere poetry . There lies the live-transcendence , and magic trance ,trapped in the feelings of the poems . A reader here, while reading a poem, would be unconsciously drawn to the intimation of the immortality, and the discovery of the infinity in his or her limited finite.

The marketing press calls Beck's Toronto firm, Social Good, "an edgy, dynamic shop catering to charities and interest groups." Together with a team comprised of talented political organizers, social media sages, and newcomers seeking success, Beck attempts to carve her way through both personal and professional challenges in the murky waters of modern-day faith, hope, and charity. She Bop II Lucy O'Brien,2003-10-16 Popular music grew out of ragtime, vaudeville and the blues to become global mass entertainment. Women like Ma Rainey and Bessie Smith were the original pop divas, yet eighty years after they blazed a trail, have their successors achieved the recognition and affirmation they deserve? Or has the only way to success been to slot into saleable images of the cute baby or sexy chanteuse? This is the story of women as creators and innovators, aiming to provide a history of women in rock, pop and soul - on stage, on camera and working behind the scenes in a

male-dominated industry. This edition contains an extra chapter and interviews covering trends such as Girlpower.
