**Frances Poletti, Kristina Yee**

Love Across the Atlantic Barbara Jane Brickman,2020-02-14 From romantic novelist Elinor Glyn in the 1920s to Prince Harry and Meghan Markle today, this collection examines some of the BG, contemporary manifestations and enduring appeal of US-UK romance across popular culture.

**The Methuen Drama Book of Comic Monologues for Women** Katy Wix,2015-10-09 A comedian and writer, Wix has for the past few years been writing audition speeches for students at drama schools including RADA, LAMDA, Drama Centre and The Royal Welsh College of Music and Drama. A book of contemporary comedy monologues does not exist for today's actor or indeed a book comprising solely of showcase speeches. This is a collection of very funny and original audition speeches filling a significant gap in the market: made up of monologues for various age ranges, each with a running time of two to three minutes. The brevity in length makes these ideal for auditions or showcases and the variety in age and style encompasses different comedic approaches; from the very quirky to the more traditional - perfect for every type of performer.

**The Girl who Ran** Frances Poletti,Kristina Yee,2017 In 1966, the world believed it was impossible for a woman to run the Boston Marathon. Bobbi Gibb was determined to prove them wrong-- Jacket.

**Creating Comedy Narratives for Stage and Screen** Chris Head,2021-01-14 This accessible and engaging text covering sketch, sitcom and comedy drama, alongside improvisation and stand-up, brings together a panoply of tools and techniques for creating

short and long-form comedy narratives for live performance, TV and online. Referencing a broad range of comedy from both sides of the Atlantic, spanning several decades and including material on contemporary internet sketches, it offers all kinds of useful advice on creating comic narratives for stage and screen: using life experience as raw material; constructing comedy worlds; creating comic characters, their relationships and interactions; structuring sketches, scenes and routines; and developing and plotting stories. The book's interviewees, from the UK and the USA, feature stand-ups, sketch comics, improvisers and TV comedy producers, and include Steve Kaplan, Hollywood comedy guru and author of *The Hidden Tools of Comedy*, Will Hines teacher and improviser from the Upright Citizens Brigade Theatre and Lucy Lumsden TV producer and former Controller of Comedy Commissioning for BBC. Written by “the ideal person to nurture new talent” (The Guardian), *Creating Comedy Narratives for Stage & Screen* includes material you won't find anywhere else and is a stimulating resource for comedy students and their teachers, with a range and a depth that will be appreciated by even the most eclectic and multi-hyphenated writers and performers.

*Contemporary Irish Popular Culture* Anthony P. McIntyre, 2022-02-23 This book uses popular culture to highlight the intersections and interplay between ideologies, technological advancement and mobilities as they shape contemporary Irish identities. Marshalling case studies drawn from a wide spectrum of popular culture, including the mediated construction of prominent sporting figures, Troubles-set sitcom *Derry Girls*, and poignant drama feature *Philomena*, Anthony P. McIntyre offers a wide-ranging discussion of contemporary Irishness, tracing its entanglement with notions of mobility, regionality

and identity. The book will appeal to students and scholars of Irish studies, cultural studies, as well as film and media studies.

*Out There* Kate Folk, 2022-03-29 A thrilling new voice in fiction injects the absurd into the everyday to present a startling vision of modern life, “[as] if Kafka and Camus and Bradbury were penning episodes of Black Mirror” (Chang-Rae Lee, author of *My Year Abroad*). “Stories so sharp and ingenious you may cut yourself on them while reading.”—Kelly Link, author of *Get In Trouble* With a focus on the weird and eerie forces that lurk beneath the surface of ordinary experience, Kate Folk’s debut collection is perfectly pitched to the madness of our current moment. A medical ward for a mysterious bone-melting disorder is the setting of a perilous love triangle. A curtain of void obliterates the globe at a steady pace, forcing Earth’s remaining inhabitants to decide with whom they want to spend eternity. A man fleeing personal scandal enters a codependent relationship with a house that requires a particularly demanding level of care. And in the title story, originally published in *The New Yorker*, a woman in San Francisco uses dating apps to find a partner despite the threat posed by “blots,” preternaturally handsome artificial men dispatched by Russian hackers to steal data. Meanwhile, in a poignant companion piece, a woman and a blot forge a genuine, albeit doomed, connection. Prescient and wildly imaginative, *Out There* depicts an uncanny landscape that holds a mirror to our subconscious fears and desires. Each story beats with its own fierce heart, and together they herald an exciting new arrival in the tradition of speculative literary fiction.

**Carrie Fisher: A Life on the Edge** Sheila Weller, 2019-11-12 A remarkably candid

biography of the remarkably candid—and brilliant—Carrie Fisher In her 2008 bestseller, *Girls Like Us*, Sheila Weller—with heart and a profound feeling for the times—gave us a surprisingly intimate portrait of three icons: Carole King, Joni Mitchell, and Carly Simon. Now she turns her focus to one of the most loved, brilliant, and iconoclastic women of our time: the actress, writer, daughter, and mother Carrie Fisher. Weller traces Fisher's life from her Hollywood royalty roots to her untimely and shattering death after Christmas 2016. Her mother was the spunky and adorable Debbie Reynolds; her father, the heartthrob crooner Eddie Fisher. When Eddie ran off with Elizabeth Taylor, the scandal thrust little Carrie Frances into a bizarre spotlight, gifting her with an irony and an aplomb that would resonate throughout her life. We follow Fisher's acting career, from her debut in *Shampoo*, the hit movie that defined mid-1970s Hollywood, to her seizing of the plum female role in *Star Wars*, which catapulted her to instant fame. We explore her long, complex relationship with Paul Simon and her relatively peaceful years with the talent agent Bryan Lourd. We witness her startling leap—on the heels of a near-fatal overdose—from actress to highly praised, bestselling author, the Dorothy Parker of her place and time. Weller sympathetically reveals the conditions that Fisher lived with: serious bipolar disorder and an inherited drug addiction. Still, despite crises and overdoses, her life's work—as an actor, a novelist and memoirist, a script doctor, a hostess, and a friend—was prodigious and unique. As one of her best friends said, "I almost wish the expression 'one of a kind' didn't exist, because it applies to Carrie in a deeper way than it applies to others." Sourced by friends, colleagues, and witnesses to all stages of Fisher's life, *Carrie Fisher: A Life on the Edge* is an empathic and even-handed

portrayal of a woman who—as Princess Leia, but mostly as herself—was a feminist heroine, one who died at a time when we need her blazing, healing honesty more than ever.

**Finance Law of Australia** Sharon Horgan, 2001 Focuses on the new forms of financing and the various areas of law which impact on financing. Goes through an overview of the financial systems in Australia, the various forms of corporate and non corporate finance available, risk management and the role of financial intermediaries.

The Wicked Wit of Ireland Myles Byrne, 2019-02-21 'An Irishman will always soften bad news, so that a major coronary is no more than a bad turn and a near hurricane that leaves thousands homeless is good drying weather.' Hugh Leonard The people of Ireland are renowned for their wit, and they have migrated from Ireland to most corners of the world, taking that famous sense of humour with them. Modern comedians and comic writers as varied as Dylan Moran, Sharon Horgan, Tommy Tiernan, Alison Spittle, Graham Linehan and Ed Byrne have their own distinctive ways of celebrating and mocking their origins while still occasionally acknowledging the traditional 'paddywackery' (meaning the rain-soaked, Guinness-sodden Oirish stereotype of old). The roots of Irish humour are much more complex: for centuries classic Irish writers have used black humour and sarcasm, ranging from the satires of Jonathan Swift, George Bernard Shaw and Oscar Wilde through to the hilarity of J.P. Donleavy and the sublime nonsense of Flann O'Brien and Spike Milligan ('Many people die of thirst but the Irish are born with one.') This collection combines a pinch of traditional Irish humour, from shamrocks to limericks, and blarney stones to drinking stories, mixed with distinctly modern one-liners, quips and

quotes from the best of the current crop of humorists, along with sections on the Irish mammy, literary feuds and putdowns and epitaphs.

Postcards From the Edge Carrie Fisher, 2011-11-10 \*\* THE NEW YORK TIMES-  
BESTSELLING CULT CLASSIC NOVEL \*\* \*\* In a new edition introduced by Stephen Fry  
\*\* 'I don't think you can even call this a drug. This is just a response to the conditions we live in.' Suzanne Vale, formerly acclaimed actress, is in rehab, feeling like 'something on the bottom of someone's shoe, and not even someone interesting'. Immersed in the sometimes harrowing, often hilarious goings-on of the drug hospital and wondering how she'll cope – and find work – back on the outside, she meets new patient Alex. Ambitious, good-looking in a Heathcliffish way and in the grip of a monumental addiction, he makes Suzanne realize that, however eccentric her life might seem, there's always someone who's even closer to the edge of reason. Carrie Fisher's bestselling debut novel is an uproarious commentary on Hollywood – the home of success, sex and insecurity – and has become a beloved cult classic. 'This novel, with its energy, bounce and generous delivery of a loud laugh on almost every page, stands as a declaration of war on two fronts: on normal and on unhappy' STEPHEN FRY 'A single woman's answer to Nora Ephron's Heartburn . . . the smart successor to Joan Didion's Play It as It Lays' Los Angeles Times 'A cult classic . . . A wonderfully funny, brash and biting novel' Washington Post 'A wickedly shrewd black-humor riff on the horrors of rehab and the hollows of Hollywood life' People 'Searingly funny' Vogue

One Two Another Tim Burgess, 2019-11-14 A Rough Trade Book of the Year 'From lists to experiences and stories, there are no rules. A good song is a good song whoever writes

it and however the writing happens.' Over the past three decades, Tim Burgess has cultivated a lyrical style that is equal parts searing, elusive and raw. Brimming with nods to an eclectic array of influences, from French chanson to East Coast rap, his words provide vivid snapshots of modern life, its highs and lows, and the things we do to get by. For the first time Tim's collected lyrics are accompanied by his revealing commentary, featuring backstage anecdotes, advice on how to conjure up the music muse, poignant reflections - and insight into a very idiosyncratic songwriting process. One Two Another chronicles the evolution of Tim's songwriting and reveals the method behind the madness. 'Tim Burgess is a crusader and vinyl's epic voyager. He knows why pop's art, a culture and a cure. Learn and listen. He knows good things' Johnny Marr 'You can't feel blue around Tim. He makes you feel happy, not just about music but about life. Even the most cynical of souls (mine) become infected by his gorgeous energy. Plus he gives good vinyl' Sharon Horgan

**Love Across the Atlantic** Brickman Barbara Jane Brickman, 2020-02-14 Winston Churchill famously described the political alliance between the US and UK as a 'special relationship', but throughout the cultural history of these two countries there have existed transatlantic 'special relationships' of another kind - affairs between British and American citizens who have fallen in love, with one another but often too with the idea(l) of that other place across the ocean. From romantic novelist Elinor Glyn in the 1920s to Prince Harry and Meghan Markle today, this collection examines some of the history, contemporary manifestations and enduring appeal of US-UK romance across popular culture. Looking at both historical and contemporary case-studies, drawn from across film,

television, music, literature, news and politics, this is a timely intervention into the popular romantic discourse of US-UK relations, at a critical and transitional moment in the ongoing viability of the special relationship.

*The Definitive Desert Island Discs* Ian Gittins, 2022-11-03 Eight tracks. Endless stories. Allow yourself to be cast away in eight glorious decades of the most iconic show on radio. To mark this momentous occasion, *The Definitive Desert Island Discs* focuses on 80 of the most powerful and unforgettable interviews, revisiting every era of Desert Island Disc's storied history. Reflecting on how times have changed, the book will feature brand new material as castaways are interviewed about their experiences - did the conversation go how they expected? Would Sir Patrick Stewart still take his beloved billiards table (and a shed to keep it in, of course)? And does Hilary Devey stick by her endless supply of Cointreau? Get lost in lists of the weirdest and most wonderful luxury items, most popular tracks and books throughout the years, and more. Introduced by Lauren Laverne, *The Definitive Desert Island Discs* is a must-have gem, celebrating an incredible institution that has captured the hearts of a nation for 80 years.

*Woman on the Verge of a Nervous Breakdown* Lorna Martin, 2008 Self Help.

**Tim Book Two** Tim Burgess, 2016-07-19 *Tim Book Two* is the follow-up to *Telling Stories*, the hugely successful memoir of Tim Burgess, singer of the Charlatans. In 2012, Tim published his hugely successful and critically acclaimed memoir, *Telling Stories*. Tim really enjoyed his new role as an author, and so here it is: *Tim Book Two* - a tale of Tim's lifelong passion for records, the shops that sell them, and the people who make them. In some ways, the biggest events in Tim's life happened in the couple of years after he had

finished writing his first book rather than in the forty years before. So he had more to say, but instead of another autobiography he chose a different way of telling the story. Tim set himself a quest. He would get in touch with people he admired, and ask them to suggest an album for him to track down on his travels, giving an insight into what makes them tick. It would also offer a chance to see how record shops were faring in the digital age - one in which vinyl was still a much-treasured format. Tim assembled his cast of characters, from Iggy Pop to Johnny Marr, David Lynch to Cosey Fanni Tutti. Texts, phone calls, emails and handwritten notes went out. Here is the tender, funny and surprising story of what came back.

Off the Road Carolyn Cassady, 2008-10-15 This memoir by the woman at the center of the Beat movement is “a great book as well as a wonderful autobiography” (The Washington Post Book World). Written by the woman who loved them all—as wife of Cassady, lover of Kerouac, and friend of Ginsberg—this riveting and intimate memoir spans one of the most vital eras in twentieth-century literature and culture, including the explosive successes of Kerouac’s *On the Road* and Ginsberg’s *Howl*, the flowering of the Beat movement, and the social revolution of the 1960s. Artist, writer, and designer Carolyn Cassady reveals a side of Neal Cassady rarely seen—that of husband and father, a man who craved respectability, yet could not resist the thrills of a wilder, and ultimately more destructive, lifestyle. “To the familiar history of the Beat generation, Carolyn Cassady adds a proprietary chapter marked with newness, self-exposure, love and poignancy.” —Publishers Weekly “Rich with gossip, historically significant photographs, intimate memories, [and] unpublished letters.” —The New York Times “A poignant

recollection—truthful, coarse, and inviting—teeming with the spirit of the men who inspired and symbolized the dreams of a generation.” —San Francisco Chronicle

*How to Be a Boss at Ageing* Anniki Sommerville, 2021-03-31 'I loved this book. Full of wit and wisdom, Anniki tells it like it is.' Clover Stroud Do you find yourself fighting the urge to go to bed at 8pm? Do you look at your laughter lines and wonder what was ever so funny? Do you listen to the charts and not have a clue who's singing? Do images of celebrities over forty in swimsuits just make you want to drink more wine? If you answered yes to any of the above, then this is the book for you. Funny, honest, and packed with advice, this is a must-read for any woman experiencing – and not particularly relishing – the effects of ageing. Anniki Sommerville shares her own experiences with those of other women as well as advice from experts – Sali Hughes, Ciriad Lloyd, Meg Mathews, Emma Gannon and Dr Karen Gurney among others – to help you navigate this journey including: Demystifying the menopause and how to deal with fluctuating moods and hormones. Breaking the taboo of cosmetic surgery and why we need to start having honest conversations about ageing and beauty. Exploring the reality of fertility treatment and motherhood including what happens when you're peri-menopausal and parenting small kids. How feeling bad about our bodies can often be a barrier to feeling good about sex and tips on how you can change that. Why ambition is not a dirty word in middle age and how to stop feeling invisible in the workplace. How to deal with grief and losing loved ones as we age. How to be a Boss at Ageing will show you how not to give up when ageing creeps up. It's time to rip up the rule book on what it means to grow older as a woman and embrace midlife. There's no need to retire into cardigans and comfy slacks just yet. Read

what everyone is saying about How to Be a Boss at Ageing: 'I LOVED this book...a book I couldn't put down...so refreshingly honest...The language used made the book feel like I was talking to a friend...really helpful and full of useful advice...such a brilliant read!' NetGalley reviewer [REDACTED] 'Laugh-out-loud funny! As a woman in her 40s, I thoroughly enjoyed this book...Spot-on for many of the thoughts & worries & oddities running through my head too...' NetGalley reviewer [REDACTED] 'A laugh out loud look at aging in the modern era...really relatable for any of us in middle age who are exhausted (oh those young kids!) and feel like we have to be everything and do everything at all times...chuckled in more than one place (ok, a lot of places)...' NetGalley reviewer [REDACTED] 'For anyone who feels like they just keep running and getting nowhere (and still gaining weight), this book is your permission to relax...' NetGalley reviewer [REDACTED] 'An amusing guide to the realities of ageing... excellent...' NetGalley reviewer [REDACTED]

Warriors' Wives Emma Bridges, 2023-08-22 Epic poetry and tragic drama provide us with some of the richest ancient Greek depictions of women who are married to soldiers. In tales of the Trojan War, as told by Homer, Aeschylus, Sophocles, and Euripides, we encounter these mythical warriors' wives: Penelope, isolated but resourceful as she awaits the return of Odysseus after his lengthy absence; the war widow Andromache, enslaved and displaced from her homeland after the fall of Troy; the unfaithful and murderous Clytemnestra; and Tecmessa, a war captive who witnesses her partner's breakdown and suicide in the aftermath of battle. Warriors' Wives compares the experiences of these mythical characters with those of contemporary military spouses. Emma Bridges traces aspects of the lives of warriors' wives—mythical and real, ancient and modern—from the

moment of farewell, through periods of separation and reunion, to the often traumatic aftermath of war, to consider the emotional, psychological, and social impacts of life as a military spouse. By unearthing a wealth of contemporary evidence for the lives of the often silenced and unacknowledged partners of those who serve in the military, and by examining this alongside the ancient stories of warriors' wives, *Warriors' Wives* sheds fresh light on the experience of being married to the military.

**Independent Women** Claire Perkins, Michele Schreiber, 2021-06-07 *Independent Women: From Film to Television* explores the significance for feminism of the increasing representation of women on and behind the screen in television contexts around the world. *Independent* has functioned throughout film and television history as an important euphemism for feminist. This volume investigates how this connection plays out in a contemporary environment that popular feminist discourse is constructing as a golden age of television for women. The original essays in the volume offer insights into how post-network television is being valued as a new site of independent production for women. They also examine how these connotations of creative control influence perceptions of both female creators and their content as feminist. Together, they provide a compelling perspective on the feminist consequences of how independence and indie have intensified as cultural sensibilities that coincide and engage with the digital transformation of television during the first decades of the 21st century. The chapters in this book were originally published in a special issue of *Feminist Media Studies*.

## **Sharon Horgan Introduction**

In today's digital age, the availability of Sharon Horgan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sharon Horgan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sharon Horgan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sharon Horgan versions, you eliminate the need to

spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Sharon Horgan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no

loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sharon Horgan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sharon Horgan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts

millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sharon Horgan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of

acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sharon Horgan books and manuals for download and embark on your journey of knowledge?

### **FAQs About Sharon Horgan Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a

more immersive learning experience. Sharon Horgan is one of the best book in our library for free trial. We provide copy of Sharon Horgan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sharon Horgan. Where to download Sharon Horgan online for free? Are you looking for Sharon Horgan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sharon Horgan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking

for free books then you really should consider finding to assist you try this. Several of Sharon Horgan are for sale to free while some are payable. If you are not sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sharon Horgan. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology

Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sharon Horgan To get started finding Sharon Horgan, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sharon Horgan So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sharon Horgan. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sharon Horgan, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the

afternoon, instead they juggled with some harmful bugs inside their laptop. Sharon Horgan is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sharon Horgan is universally compatible with any devices to read.
