Fighter: The Unauthorized Biography of Georges St-Pierre, UFC Champion Jerry Langton,2011-03-17 St-Pierre is two-time and current champion of the UFC's most desired and hotly contested weight class. He has forced other fighters to go to great lengths in an effort to unseat him. But he's more than that. He's ramping up the popularity of the sport itself and the culture around it. St-Pierre is a marketer's dream. He's handsome, charismatic and funny in a self-effacing way. He's Canadian, fluently bilingual, came up from a difficult background with a few personal tragedies and has never been involved with drugs or crime or had his love life make any headlines. He's the man that the UFC is going to ride on in its quest to transform itself from niche market to mainstream. It's already beginning. While other UFC fighters have sponsors like gyms and equipment suppliers, St-Pierre has signed multi-million-dollar deals with brands such as Under Armour and is even following in the footsteps of such luminaries as Michael Jordan, Peyton Manning and Sidney Crosby as a spokesman for Gatorade. Fighter details the life of St-Pierre: how his talent, hard work and perseverance have paid off handsomely, and how his star has risen in the psyche of mixed martial arts fans around the world. It describes how he is held in high esteem by a huge number of Canadians despite the fact that his profession is looked down upon by many and is even illegal in several US States and Canadian Provinces. St-Pierre's ascent and fame have become a democratizing force, pressuring the establishment to take Mixed Martial Arts and Ultimate Fighting seriously in ways that it would not have without him.

Le combattant Jerry Langton,2012-10-03T00:00:00-04:00 Le combattant est le premier livre relatant l'ascension de Georges St-Pierre au titre de champion poids mi-moyen de l'Ultimate Fighting Championship (UFC), la plus importante organisation d'arts martiaux mixtes au monde. L'auteur, Jerry Langton, nous dresse dans ce livre le portrait d'un athlète doté d'une force physique hors du commun doublée d'une force mentale à toute épreuve. Nous faisons connaissance avec le petit gars aux allures frêles de Saint-Isidore, sur la Rive-Sud de Montréal, qui s'intéresse aux sports dès son plus jeune âge. Aux abords de l'adolescence, il jette son dévolu sur le karaté pour se diriger par la suite vers les arts martiaux mixtes où sa suprématie est reconnue. St-Pierre est plus qu'un champion, il est un modèle incarné pour le monde du marketing: bel homme charismatique, drôle et réservé tout à la fois. Il est bilingue, entretient des liens solides avec sa famille et a toujours travaillé très fort pour atteindre ses buts. Il fait partie de l'équation pour faire des arts martiaux mixtes un sport reconnu et apprécié. L'ouvrage est le résultat de longues recherches et d'interviews menées par l'auteur. Il nous ouvre les portes des arts martiaux mixtes et celles de la UFC pour nous faire découvrir ce monde parfois méconnu du grand public.

Unlovable Shawn Spencer,2017-09-27 No time in my life had ever been good within the time I had spent on this earth at the age of ten, except for when I lived with my grandmother in a west African county called Liberia. You see, my parents had me at a young age, and when my mothers father, who is my grandfather, found out that my mom was pregnant with me, he threw her out after finding out that my dad was the one she claimed was the father. My grandfather, being a high-ranking military man, went to my dad and told him to deny the baby and get on with his life, and if my father was to agree to this proposal, my granddad told my father he would not go and report him to my dads oldest brother, whom they called Mr. Spencer and who was also my grandfathers best friend whom my dad lived with. However, he was treated more like a servant than a family member because of Mrs. Spencer was my dads brothers wife.
