Serenity Volume 3: The Shepherd's Tale Joss Whedon,Various,2010-11-02 One of Serenity's greatest mysteries is finally revealed in The Shepherd's Tale, filling in the life of one of the show's most beloved characters—Shepherd Book! Who was Book before meeting Mal and the rest of the Serenity crew? How did he become one of their most trusted allies? And how did he find God in a bowl of soup? Answers to these and more questions about Book's past are uncovered in this original graphic novel by rising stars Zack Whedon (Dr. Horrible, Terminator, Fringe) and Chris Samnee (Blackest Night: Tales of the Corps, Daredevil). A pivotal chapter in the ongoing Serenity saga, The Shepherd's Tale is also a rollicking, action-packed epic in its own right! • Dark Horse's Serenity displays the key ingredients of the series in a substantial and entertaining way.—BrokenFrontier.com

The Shepherd Frederick Forsyth,2012-10-30 Christmas Eve, 1957: An RAF pilot needs a miracle to make it home as his fighter jet begins to fail, in a story by the #1 New York Times—bestselling author. It is Christmas Eve, 1957, and there are cozier places to be than the cockpit of a de Havilland Vampire fighter plane. But for the Royal Air Force pilot who has just taken off from West Germany, this single-seat jet is the only way to make it back to England for Christmas morning. His flight plan is simple; the fuel tank is full. In sixty-six minutes, he will be back in Blighty. But then the plane begins to fail. First the compass goes haywire, then the radio dies. Lost and alone above the English coast, the pilot is searching for a landing strip when the fog closes in, signaling certain death. He has given up hope when a second shadow appears—a Mosquito fighter-bomber of World War II vintage. The plane is a “shepherd,” guiding the Vampire to a safe landing, and its appearance is a gift from fate, a miracle out of time—but for one lonely pilot, the mystery has just begun. A classic bestseller, beloved by aviation fans (including actor John Travolta, who calls it “one of my favorites because it personalizes the two planes”) and general readers alike, The Shepherd is a gripping, heartwarming tale for a cold winter's night.

A Certain Small Shepherd Rebecca Caudill,1997-09-15 Jamie wins the coveted role of a shepherd in the school Christmas play. When a blizzard cancels the show he is heartbroken.

The Last Commandment Scott Shepherd,2022-02-03 A transatlantic serial killer thriller with a twist of Biblical proportions. Christmas in London: a period of joy and togetherness. Not for Metropolitan Police Commander Austin Grant, though. Three dead bodies have turned up on his patch, and the only thing they have in common is a number carved into their foreheads. With the victims including a professor of ancient mythology, a sculptor of curious idols, and lead vocalist of The Blasphemers. It seems the killer is meting out their own version of Biblical justice, punishing those who transgress the Ten Commandments. With seven commandments left, Grant puts the Met's best detectives on the case. But soon enough, a fourth victim turns up. In New York City. It appears Grant has a transatlantic manhunt on his hands. Can he stop this terrifying zealot before they strike again? Reviews for The Last Commandment: 'Gory but gripping.' Daily Mail 'An enthralling mystery.' Karin Slaughter 'A gem of a thriller, not to be missed.' Michael Koryta 'A real corker.' Booklist 'A riveting and wondrously satisfying thriller.' May Cobb 'Ingeniously constructed and breathlessly told... Scott Shepherd at his gripping best.' Charles Ardai

The Star Shepherd Dan Haring,MarcyKate Connolly,2019-09-10 For fans of Neil Gaiman and How to Train Your Dragon comes a beautifully illustrated, fast-paced adventure about eleven year old Kyro, his best friend Andra, his trusted dog Cypher, and their race to save the stars. When the world first formed, the night was black and filled with dark creatures. The Elders knew their people couldn't survive under such a threat. So they made the ultimate sacrifice: they gave their hearts to the sky in the form of brightly shining stars to keep evil away. Now, eleven year old Kyro is a Star Shepherd like his father. He's spent his life tucked away in the outskirts of the small town of Drenn. There they watch the night sky for falling stars—and rush to rescue them when they do. Then one night, too many stars fall at once, and terrible dark creatures start to appear in the forest by their home. Kyro's father journeys to the Star Shepherd Council to report the threat. But when he doesn't return Kyro must figure out how to save them himself before enough stars fall for the dark creatures to make their return. Kyro, along with his trusty dog, Cypher, and his friend, Andra, must find the cause of the threat before it's too late. Perfect for 5th graders and boys 10-14, young readers will devour this fun, fantasy adventure if they love stories with: Drawings and illustrations Trusty sidekicks (especially the furry kind) Evil, mythical creatures Ancient robots

Welcome to Subirdia John M. Marzluff,2014-09-30 Welcome to Subirdia presents a surprising discovery: the suburbs of many large cities support incredible biological diversity. Populations and communities of a great variety of birds, as well as other creatures, are adapting to the conditions of our increasingly developed world. In this fascinating and optimistic book, John Marzluff reveals how our own actions affect the birds and animals that live in our cities and towns, and he provides ten specific strategies everyone can use to make human environments friendlier for our natural neighbors. Over many years of research and fieldwork, Marzluff and student

assistants have closely followed the lives of thousands of tagged birds seeking food, mates, and shelter in cities and surrounding areas. From tiny Pacific wrens to grand pileated woodpeckers, diverse species now compatibly share human surroundings. By practicing careful stewardship with the biological riches in our cities and towns, Marzluff explains, we can foster a new relationship between humans and other living creatures—one that honors and enhances our mutual destiny.

The Way of the Shepherd Kevin Leman,William Pentak,2009-05-26 Discover a fresh perspective on the art of leading in Dr. Kevin Leman's story about a young reporter who lands the meeting of a lifetime and walks away with the keys to exceptional leadership. The Way of the Shepherd points you beyond dated trends and out-of-touch management techniques to the strategies that will make you a truly outstanding leader. When William Pentak had the once-in-a-lifetime opportunity to interview Ted McBride, one of the most respected CEOs in America, he was shocked by what McBride was willing to share. McBride taught him the seven secrets he inherited long ago from his mentor--an eccentric but brilliant professor who passed on these time-tested management principles that, while ancient in their origin, are still applicable in today's fast-paced, high-tech world. Throughout The Way of the Shepherd, you'll learn how to infuse your work with meaning, no matter your role, title, industry, or the size of your team. Uncover the tried-and-true best practices for how to engage, energize, and ignite your workforce by: Getting to know your team, one person at a time Relentlessly communicating your values and your mission Defining the cause for your people and showing them where they fit in Having a heart for the people that you're leading Understanding that great leadership isn't just professional, it's personal If you're ready to transform your team, create a culture of belonging, and truly learn to lead by example, it's time to discover The Way of the Shepherd.

From This Shepherd's Heart Vonnie Pratt,2022-04-15 We often quote Psalm 23, "The Lord is my Shepherd..." But, what does this mean in our 21st century life? Didn't shepherds live only in Bible times? I mean, really...how many shepherds have you met recently? David, a shepherd boy, wrote Psalm 23. How does this apply to me? What is a shepherd? A farmer who has a flock of sheep, right? Not exactly. According to a middle-eastern shepherd, one must have a heart for it. Shepherds love and care for their sheep, day and night. Shepherds guard and protect, in sunshine and thunder storms. Shepherds never desert their sheep...ever. Journey into the pasture as you read "From This Shepherd's Heart". You will gain a new understanding of what it means to be a shepherd...what it means to be a sheep...and...what it means to belong to the gentle Shepherd, Jesus, the One who states, "I will never leave you." (Hebrews 13:5).

Eighth Shepherd Bodie Thoene,Brock Thoene,2008 Zachai, the chief tax collector of Jericho, is the most hated man in all of Judea.

The Shepherd of the Hills Harold Bell Wright,1907 The Shepherd of the Hills is the classic story of the stranger who takes the Old Trail deep into the Ozark Mountains, many miles from civilization. His appearance signals intellect and culture, yet his countenance is marked by grief and disappointment. What is his purpose in taking on the lowly work of tending local sheep? And how is it that he befriends these simple hill folk, despite his coming from the world beyond the ridges? Mystery and romance envelop this gentle yet compelling story as the identity and purpose of the stranger-turned-shepherd is gradually unveiled.

If That Ever Happens to Me Lois Shepherd,2009-06-01 Every day, thousands of people quietly face decisions as agonizing as those made famous in the Terri Schiavo case. Throughout that controversy, all kinds of people--politicians, religious leaders, legal and medical experts--made emphatic statements about the facts and offered even more certain opinions about what should be done. To many, courts were either ordering Terri's death by starvation or vindicating her constitutional rights. Both sides called for simple answers. If That Ever Happens to Me details why these simple answers were not right for Terri Schiavo and why they are not right for end-of-life decisions today. Lois Shepherd looks behind labels like starvation, care, or medical treatment to consider what care and feeding really mean, when feeding tubes might be removed, and why disability groups, the faithful, and even the dying themselves often suggest end-of-life solutions that they might later regret. For example, Shepherd cautions against living wills as a pat answer. She provides evidence that demanding letter-perfect documents can actually weaken, rather than bolster, patient choice. The actions taken and decisions made during Terri Schiavo's final years will continue to have repercussions for thousands of others--those nearing death, their families, health-care professionals, attorneys, lawmakers, clergy, media, researchers, and ethicists. If That Ever Happens to Me is an excellent choice for anyone interested in end-of-life law, policy, and ethics--particularly readers seeking a deeper understanding of the issues raised by Terri Schiavo's case.
