The Haunted Bookstore - Gateway to a Parallel Universe (Light Novel) Vol. 5 Shinobumaru,2023-04-27 Kaori and Suimei have finally realized how they feel about each other, but their love will have to wait--the bookstore is in terrible danger. One day, a fox spirit called Hakuzousu storms in, screaming, The spirit realm has no use for such an unscrupulous bookstore! He blames his daughter's love for a human on the influence of human books. Shinonome can't just shrug off such an insult, and Kaori fears that a fight between her father and the fox will reduce the store to ashes. So, she sets out to seek help from the Three Great Tanukis of Japan to quell Hakuzousu's anger, but whether they'll answer her call is another story...

Old Kyoto Diane Durston,2005 A completely revised version of the classic guidebook to Kyoto, with a foreword by Donald Richie. Down the cobbled paths and behind the tranquil noren curtains of Kyoto, the old way of life goes on, nurtured in the restrained furnishings of the traditional inns and in the old shops where fine handmade items still add a touch of quality to life. Since the first edition appeared in 1986, this lovingly written travelogue-cum-guidebook has become de rigueur for knowledgeable travelers seeking to find the real Kyoto behind the modern face of the city's constantly changing boulevards. Old Kyoto focuses on the family establishments that have been in business for at least a hundred years, and in some cases for over ten generations. Astonishingly, many of the old shops and inns of Kyoto can still be found on narrow backstreets, under the heavy, tiled rooftops of traditional machiya dwellings. Here, the adventurous traveler will uncover treasures: the way in which a hand-crafted calligraphy brush is bound, a miniature garden tended, a bamboo basket woven. For critics and travelers alike, Old Kyoto has long been regarded the essential guidebook to Japan's most cherished city. This second edition of Old Kyoto is completely updated. Shops have been added, and maps, prices, directions, descriptions, and general information have all been thoroughly revised.

Japan Michelle Mackintosh,Steve Wide,2022-10-04 There is something about Japan that works its way into every fibre of your being. No matter how many times you visit, you'll always uncover new experiences and life-altering adventures. Pack your bags and travel with us to a country rich in cultural history and full of fascinating contrasts, from the frantic pace of Tokyo and Osaka, to the wintry soul of Hokkaido in the north and the natural wonders of Kyushu in the south. Navigate the dynamic cities, walk the roads of old Japan in Kyoto, Nara, Kanazawa and Nikko, or go off-grid to smaller, far-flung towns, each with their own unique traditions, crafts, sights, food and art. Packed with cultural insights and stunning photography, this experiential and eclectic guide takes you on a deeper journey into Japan. Read up on history and local knowledge before you go, learn how to navigate the Shinkansen (bullet train), contemplate modern art and architecture, lose yourself in gardens, shrines and temples, and indulge in the best food tourism of your life. This tightly curated list of must-see places and experiences is for people who want to get an up close and personal look at the real Japan. This is a specially formatted fixed-layout ebook that retains the look and feel of the print book.

Japan Quarterly ,2000

The Monster Theory Reader Jeffrey Andrew Weinstock,2020-01-15 A collection of scholarship on monsters and their meaning—across genres, disciplines, methodologies, and time—from foundational texts to the most recent contributions Zombies and vampires, banshees and basilisks, demons and wendigos, goblins, gorgons, golems, and ghosts. From the mythical monstrous races of the ancient world to the murderous cyborgs of our day, monsters have haunted the human imagination, giving shape to the fears and desires of their time. And as long as there have been monsters, there have been attempts to make sense of them, to explain where they come from and what they mean. This book collects the best of what contemporary scholars have to say on the subject, in the process creating a map of the monstrous across the vast and complex terrain of the human psyche. Editor Jeffrey Andrew Weinstock prepares the way with a genealogy of monster theory, traveling from the earliest explanations of monsters through psychoanalysis, poststructuralism, and cultural studies, to the development of monster theory per se—and including Jeffrey Jerome Cohen’s foundational essay “Monster Theory (Seven Theses),” reproduced here in its entirety. There follow sections devoted to the terminology and concepts used in talking about monstrosity; the relevance of race, religion, gender, class, sexuality, and physical appearance; the application of monster theory to contemporary cultural concerns such as ecology, religion, and terrorism; and finally the possibilities monsters present for envisioning a different future. Including the most interesting and important proponents of monster theory and its progenitors, from Sigmund Freud to Julia Kristeva to J. Halberstam, Donna Haraway, Barbara Creed, and Stephen T. Asma—as well as harder-to-find contributions such as Robin Wood’s and Masahiro Mori’s—this is the most extensive and comprehensive collection of scholarship on monsters and monstrosity across disciplines and methods ever to be assembled and will serve as an invaluable resource for students of the uncanny in all its guises. Contributors: Stephen T. Asma, Columbia College Chicago; Timothy K. Beal, Case Western Reserve U; Harry Benshoff, U of North Texas; Bettina Bildhauer, U of St. Andrews; Noel Carroll, The Graduate Center, CUNY; Jeffrey Jerome Cohen, Arizona State U; Barbara Creed, U of Melbourne; Michael Dylan Foster, UC Davis; Sigmund Freud; Elizabeth Grosz, Duke U; J. Halberstam, Columbia U; Donna Haraway, UC Santa Cruz; Julia Kristeva, Paris Diderot U; Anthony Lioi, The Julliard School; Patricia MacCormack, Anglia Ruskin U; Masahiro Mori; Annalee Newitz; Jasbir K. Puar, Rutgers U; Amit A. Rai, Queen Mary U of London; Margrit Shildrick, Stockholm U; Jon Stratton, U of South Australia; Erin Suzuki, UC San Diego; Robin Wood, York U; Alexa Wright, U of Westminster.

Global Clay John A. Burrison,2017-06-16 For over 25,000 years, humans across the globe have shaped, decorated, and fired clay. Despite great differences in location and time, universal themes appear in the world’s ceramic traditions, including religious influences, human and animal representations, and mortuary pottery. In Global Clay: Themes in World Ceramic Traditions, noted pottery scholar John A. Burrison explores the recurring artistic themes that tie humanity together, explaining how and why those themes appear again and again in worldwide ceramic traditions. The book is richly illustrated with over 200 full-color, cross-cultural illustrations of ceramics from prehistory to the present. Providing an introduction to different styles of folk pottery, extensive suggestions for further reading, and reflections on the future of traditional pottery around the world, Global Clay is sure to become a classic for all who love art and pottery and all who are intrigued by the human commonalities revealed through art.

Kitaro and The Great Tanuki War Shigeru Mizuki,2021-03-17 Kitaro faces off against a swamp monster, a paper screen come to life, and an army of mythical raccoon dogs Kitaro and the Great Tanuki War features adventures of Shigeru Mizuki’s beloved yokai boy. In the epic title story, Kitaro battles the tanuki, a Japanese animal that features prominently in the country’s yokai legends. The furry beasts draw on the power of the blood moon to awaken the monstrous catfish that lives in the depths of the Earth. The twisting of the catfish causes earthquakes that threaten to destroy all of Japan. With his yokai allies captured, Kitaro is the only one left who can take on the great tanuki and his army. Will he be up for the challenge? This volume contains two additional stories about traditional folklore monsters as seen through Mizuki’s whimsical and genre-defining lens. In “Mokumokuren,” Kitaro faces off against a paper screen come to life, while “The Obebenuma Yokai” introduces a grisly swamp creature. Kitaro and the Great Tanuki War showcase the golden age of Gegege no Kitaro series from the 1960s – and have never appeared in English before. D+Q’s Kitaro series celebrates Mizuki’s expert blend of folklore, comedy, and horror, sharing the all-ages stories that made Kitaro one of Japan’s most beloved characters. This kid-friendly edition also features a “History

of Kitaro” essay by award-winning series translator and Mizuki scholar Zack Davisson. Translated from the Japanese by Zack Davisson.

The Rising of the Shield Hero Volume 05 Aneko Yusagi,2020-07-13 Naofumi is off to the Cal Mira islands, where he plans to continue leveling up. Soon after arriving he meets a mysterious young man named L’Arc Berg. But how will this curious new character impact Naofumi’s adventures? Surrounded by mystery and intrigue, Glass makes her second appearance. Aneko Yusagi's epic fantasy continues in volume 5!

Shapeshifters John B. Kachuba,2019-06-10 There is something about a shapeshifter—a person who can transform into an animal—that captures our imagination; that causes us to want to howl at the moon, or flit through the night like a bat. Werewolves, vampires, demons, and other weird creatures appeal to our animal nature, our “dark side,” our desire to break free of the bonds of society and proper behavior. Real or imaginary, shapeshifters lurk deep in our psyches and remain formidable cultural icons. The myths, magic, and meaning surrounding shapeshifters are brought vividly to life in John B. Kachuba’s compelling and original cultural history. Rituals in early cultures worldwide seemingly allowed shamans, sorcerers, witches, and wizards to transform at will into animals and back again. Today, there are millions of people who believe that shapeshifters walk among us and may even be world leaders.

Featuring a fantastic and ghoulish array of examples from history, literature, film, TV, and computer games, *Shapeshifters* explores our secret desire to become something other than human.

The Fox & Little Tanuki, Volume 5 Tagawa Mi,2022-04-13 Confronted by a dark memory from his past, Senzou loses control of his powers, going into a wild rage. While the wolves and foxes struggle to deal with the dark miasma before it can corrupt the countryside around them, Manpachi and Koyuki team up with an unexpected new friend in an attempt to calm Senzou's anxious heart. Manpachi is sure their love will reach Senzou... if only they have enough time!

Festival of American Folklife ,1986

The Fox & Little Tanuki, Volume 4 Tagawa Mi,2021-11-01 Legends say that Senzou the Black Fox is one of the most vicious and powerful supernatural beasts to ever roam the land. At least, he used to be. Now, 300 years after he was imprisoned by the Sun Goddess for his bad behavior, Senzou is back — in the form of a small black fox with no powers! Tasked with protecting a young tanuki called Manpachi as he fulfills various tasks for the gods, Senzou must earn his powers back by learning how to be a good guardian to the energetic little pup. Though Senzou is a grumpy and reluctant companion at first, even a hard-hearted fox can be tamed by cuteness... and the little tanuki quickly learns there are some family ties that aren't decided by blood.

Japan Review ,2007

The Fox & Little Tanuki, Volume 6 Tagawa Mi,2023-05-16 After 300 years, the gods that imprisoned Senzou the black fox for his arrogance finally set him free. There is only one condition — he can't have any of his supernatural abilities back until he successfully helps a tanuki pup named Manpachi become one of their magical assistants. Unfortunately for Senzou, there's no cheating when it comes to completing his task! The magic beads around his neck make sure he can't wander too far from his charge or shirk his duties, and so... Senzou the once-great Fox Spirit must now figure out how to be an actually-great babysitter to a mischievous little tanuki or risk being stuck without his powers forever!

The Book of Yokai Michael Dylan Foster,2015-01-14 Monsters, ghosts, fantastic beings, and supernatural phenomena of all sorts haunt the folklore and popular culture of Japan. Broadly labeled yokai, these creatures come in infinite shapes and sizes, from tengu mountain goblins and kappa water spirits to shape-shifting foxes and long-tongued ceiling-lickers. Currently popular in anime, manga, film, and computer games, many yokai originated in local legends, folktales, and regional ghost stories. Drawing on years of research in Japan, Michael Dylan Foster unpacks the history and cultural context of yokai, tracing their roots, interpreting their meanings, and introducing people who have hunted them through the ages. In this delightful and accessible narrative, readers will explore the roles played by these mysterious beings within Japanese culture and will also learn of their abundance and variety through detailed entries, some with original illustrations, on more than fifty individual creatures. The Book of Yokai provides a lively excursion into Japanese folklore and its ever-expanding influence on global popular culture. It also invites readers to examine how people create, transmit, and collect folklore, and how they make sense of the mysteries in the world around them. By exploring yokai as a concept, we can better understand broader processes of tradition, innovation, storytelling, and individual and communal creativity.
