Dorohedoro, Vol. 1 Q Hayashida, 2012-09-11 In a city so dismal it's known only as the Hole, a clan of Sorcerers have been plucking people off the streets to use as guinea pigs for atrocious experiments in the black arts. In a dark alley, Nikaido found Caiman, a man with a reptile head and a bad case of amnesia. To undo the spell, they're hunting and killing the Sorcerers in the Hole, hoping that eventually they'll kill the right one. But when En, the head Sorcerer, gets word of a lizard-man slaughtering his people, he sends a crew of cleaners into the Hole, igniting a war between two worlds. -- VIZ Media

Al Capone Does My Shirts Gennifer Choldenko, 2006-04-20 The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most famous criminals in our history. Al Capone Does My Shirts has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turds and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. A Newbery Honor Book A New York Times Bestseller A People magazine Best kid's Book An ALA Book for Young Adults An ALA Notable Book A School Library Journal Best Book of the Year A Kirkus Reviews Editor's Choice A San Francisco Chronicle Best Book of the Year A Publishers Weekly Best Book of the Year A Parents' Choice Silver Honor Book A New York Public Library 100 Titles for Reading and Sharing Selection A New York Public Library Best Book for the Teen Age *Choldenko's pacing is exquisite. . . . [A] great read.—Kirkus Reviews, starred review *Exceptionally atmospheric, fast-paced and memorable!—Publishers Weekly, starred review *The story, told with humor and skill, will fascinate readers.—School Library Journal, starred review Al is the perfect novel for a young guy or moll who digs books by Gordon Korman, or Louis Sachar.—Time Out New York for Kids Funny situations and plot twists abound!—People magazine Heartstopping in some places, heartrending in others, and most of all, it is heartwarming.—San Francisco Chronicle

Beautiful Bastard Christina Lauren, 2013-02-12 An ambitious intern. A perfectionist executive. And a whole lot of name calling. Discover the story that garnered more than two million reads online. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has

only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as *The Office* by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release.

The Road to Wigan Pier George Orwell, 2021-01-07 *The Road to Wigan Pier* is Orwell's 1937 study of poverty and working-class life in northern England.

The Five People You Meet in Heaven Mitch Albom, 2007-04-01 Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his meaningless life, and revealing the haunting secret behind the eternal question: Why was I here?

A Long Way Gone Ishmael Beah, 2007-02-13 My new friends have begun to suspect I haven't told them the full story of my life. "Why did you leave Sierra Leone?" "Because there is a war." "You mean, you saw people running around with guns and shooting each other?" "Yes, all the time." "Cool." I smile a little. "You should tell us about it sometime." "Yes, sometime." This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty.

Devilman: The Classic Collection Vol. 1 Go Nagai, 2018-05-22 Go Nagai's groundbreaking horror classic that inspired the genre for decades. Hordes of demons, once thought entombed forever in the underworld, have now returned to Earth. Evil and corruption begin to seep into our world, as demons seize human hosts. Mankind's only hope for salvation is to use the demons' power against them--and only a pure-hearted man like Fudo Akira can do so without losing his humanity. Once little more than a crybaby, Akira now wields the terrible power of a devil, yet holds the innocent soul of a man--Devilman!

Typeset in the Future Dave Addey, 2018-12-11 A designer's deep dive into seven science fiction films, filled with "gloriously esoteric nerdery [and] observations as witty as they are keen" (Wired). In *Typeset in the Future*, blogger and designer Dave Addey invites sci-fi movie fans on a journey through seven genre-defining classics, discovering how they create compelling visions of the future through typography and design. The book delves deep into 2001: A Space Odyssey, Star Trek: The Motion Picture, Alien, Blade Runner, Total

Recall, WALL·E, and Moon, studying the design tricks and inspirations that make each film transcend mere celluloid and become a believable reality. These studies are illustrated by film stills, concept art, type specimens, and ephemera, plus original interviews with Mike Okuda (Star Trek), Paul Verhoeven (Total Recall), and Ralph Eggleston and Craig Foster (Pixar). Typeset in the Future is an obsessively geeky study of how classic sci-fi movies draw us in to their imagined worlds.

Critical Theory Today Lois Tyson, 2012-09-10 Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

And the next Thing You Know . . . Chase Taylor Hackett, 2018-02-06 Two men discover that there's a fine line between irritating and irresistible in this charming romance from the author of *Where Do I Start?* Jeffrey Bornic is getting over his ex. Really. So what if the rising-star attorney is angrily sleeping his way through most of Manhattan's male population? When the time is right, the perfect partner will show up. And Jeffrey knows exactly what he'll be like: an ambitious, polished professional who'll make the ideal other half of a fabulous power couple. Theo McPherson is definitely not that guy. He's a short, fiery redhead who works in the arts and wears sneakers held together with duct tape. If it weren't for the fact that Theo is his best friend's little (literally) brother, Jeff would be crossing the street to avoid him. Theo, meanwhile, has nothing but contempt for guys in suits, and seems to have deliberately set out to make Jeff's life miserable, all while grinning at him in that exasperating—some might say irresistible—way that he has. At least it's hard for Jeff to keep moping over his ex when he's butting heads with Theo—and suddenly wondering if the last guy he'd ever fall for might be exactly that . . .

The Language Instinct Steven Pinker, 2010-12-14 A brilliant, witty, and altogether satisfying book. — New York Times Book Review The classic work on the development of human language by the world's leading expert on language and the mind In *The Language Instinct*, the world's expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. *The Language Instinct* received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since *The Language Instinct* was first published.

A Very Large Expanse of Sea Tahereh Mafi, 2018-10-16 Longlisted for the National Book Award for Young People's Literature! From the New York Times and USA Today bestselling author of the *Shatter Me* series comes a powerful, heartrending contemporary novel about fear, first love, and the devastating impact of prejudice. It's 2002, a year after 9/11. It's an extremely turbulent time politically, but especially so for someone like Shirin, a sixteen-

year-old Muslim girl who's tired of being stereotyped. Shirin is never surprised by how horrible people can be. She's tired of the rude stares, the degrading comments—even the physical violence—she endures as a result of her race, her religion, and the hijab she wears every day. So she's built up protective walls and refuses to let anyone close enough to hurt her. Instead, she drowns her frustrations in music and spends her afternoons break-dancing with her brother. But then she meets Ocean James. He's the first person in forever who really seems to want to get to know Shirin. It terrifies her—they seem to come from two irreconcilable worlds—and Shirin has had her guard up for so long that she's not sure she'll ever be able to let it down.

Dear Mr. Henshaw Beverly Cleary,1983-08-22 Dear Mr. Henshaw, I wish somebody would stop stealing the good stuff out of my lunchbag. I guess I wish a lot of other things, too. I wish someday Dad and Bandit would pull up in front in the rig ... Dad would yell out of the cab, Come on, Leigh. Hop in and I'll give you a lift to school. Leigh Botts has been author Boyd Henshaw's number one fan ever since he was in second grade. Now in sixth grade, Leigh lives with his mother and is the new kid at school. He's lonely, troubled by the absence of his father, a cross-country trucker, and angry because a mysterious thief steals from his lunchbag. Then Leigh's teacher assigns a letter-writing project. Naturally Leigh chooses to write to Mr. Henshaw, whose surprising answer changes Leigh's life.

Dai Dark Vol. 1 Q Hayashida,2021-04-27 Zaha Sanko's body has great and terrible powers--they say that possessing his bones will grant you any wish, even the desire to become ruler of the universe. But Sanko is still a teenage dude with his own life, and he isn't about to let every monstrous lowlife in the galaxy rip him limb from limb. He and his skeletal buddy Avakian will use their dark powers to fend off any murder attempts while they search space for whomever put this curse on Sanko's bones...because killing them might end the madness. (And then Sanko can celebrate with his favorite spaghetti.) Don't miss this hilariously twisted and gruesome new series from the unique mind of Q Hayashida, creator of the manga and Netflix anime Dorohedoro!

Handbook of Financial Risk Management Thierry Roncalli,2020-04-23 Developed over 20 years of teaching academic courses, the Handbook of Financial Risk Management can be divided into two main parts: risk management in the financial sector; and a discussion of the mathematical and statistical tools used in risk management. This comprehensive text offers readers the chance to develop a sound understanding of financial products and the mathematical models that drive them, exploring in detail where the risks are and how to manage them. Key Features: Written by an author with both theoretical and applied experience Ideal resource for students pursuing a master's degree in finance who want to learn risk management Comprehensive coverage of the key topics in financial risk management Contains 114 exercises, with solutions provided online at www.crcpress.com/9781138501874
