### Shinshin-Igami the Bastard Torn and the Succubus They Slept With DARA ODOE

SOK,2010-09-20 My Hypocrisy Knows No End! Ive fallen weary to the unyielding lustful grips of being a Sodomite for as long as I could remember; I Bite! its what I do best and Ive taken a big chunk out of my Beloved ShinShins life. Its taken some time to work this out; Ive been selfishly contemplating while struggling on how I go about explaining this piece to you, You; the General Public. Thousands of pages full of written documents and recorded records that had been left behind for me to find, sort through and tell stories of. Volume Three will be about that of ShinShin-Igami; who has been an infectious thorn in my side all these past many years. ShinShin hasnt been as careless and reckless or a bastard like myself and although he tries many time to change the way he is; its seems that no one ever change who they really are; no matter how hard or how much theyve sacrificed to do so. People only find ways of covering up for who they really are and established a fictitious persona in faces of their associates. This piece will detail the relationship that ShinShin has been involved with a

contagious succubus who drained him of his youth and vitality, where his World was turned upside down by a bitch of a mother and her conniving whored daughter. Although ShinShin recovered from his misfortunes with the opposite sex; he bears the scars and scabs that she left embedded all over his body and this unfortunate situation has made him realized that life is sometime filled with ill-hearted and untruthful people who will take advantage of an ignorant giving person like himself. The eighteen months relation that ShinShin had been involved only gave him few moments of pleasures and much headaches and heartaches that eventually led to his unfortunate unresolved comatose death these past months. The person that came up with the phrase, The apple doesnt fall very far from the tree! was absolutely correct in uttering that statement; ShinShin have found that to be very true in his personal life because he was involved with a dishonest female who took after her evil-hearted mother. ShinShins relationship with this deceiving female was complicated with lies and deceptions where a sinful mother and ignorant daughter took advantage of his ever giving heart and good nature. During their relations, ShinShin loved the contagious succubus absolutely, only to find that he was being

played and used after an 18 months long devotions and commitments; she was seeing one other or more while they were intimately and passionately involved. Personally, I feel that ShinShin have been the victim of an ugly hearted person. ShinShin had given up much for this contagious ugly unruly person; financially and emotionally; shunning his extended family; good friends and their family, giving up on promotions and putting aside higher education to make time for what he thought was true love. Although their relationships has taken the intimate/involved couples on several trips locally and internationally and got the two to participate in various events and outings together where they have crossed the Atlantic and Pacific and during that entire time there were signs of her deceits and lies; and yet, being a Pagan Christian; ShinShin was so gullible that he ignored what was happening in front him. He was ignorantly in love and like they say, Love is blind, and blind like an asshole ShinShin was during that entire year and a half. He was much into this ugly-heart female and gave her his all and what he got in return wasnt nearly reciprocal. She has given him much heartache thats complicated with various mental/physical diseased infections. Ive had my share of ups and down in

life; my early childhood was spent imprisoned, escaping and hiding away from the tyranny of the Khmer Rouge. After many years of relocating and moving around in various Refugee Encampments with my family, my early years in

ENGAGEMENT IN PERIL DARA ODOE SOK, 2011-12-12 It's funny; it takes your death for people to realize what you were trying to tell them while you were still living!" Engagement in Peril is Dara Odoe Sok's third book in a series of three. This selection is his longest and most detailed published work. Here Sok features the life of his beloved Shin-Shin Igami and uncovers the many trials and tribulations that Igami had endured in the hands of betrayal, deceit and lies. This shocking and provocative piece takes readers to the sharp and double-edged sword that describes the ambivalence, the inconsistencies and ironies that was bequeathed into Sok's and Igami's lives. With blatant expressions, this brave and bold read holds nothing back. The author bluntly shares his experiences in the identical image that is reflected in his mind, void of any pretensions or sugar-coating. This book is

*War and Peace* Leo Tolstoy,2016-08-17 The novel charts the history of the French invasion of Russia, and the impact of the Napoleonic era on Tsarist society, through the stories of five Russian aristocratic families. Newsweek in 2009 ranked it first in its Top 100 Books. In 2007, Time magazine ranked War and Peace third in its poll of the 10 greatest books of all time while Anna Karenina was ranked first. Tolstoy himself said that War and Peace was not a novel, even less is it a poem, and still less a historical chronicle. Large sections, especially in the later chapters, are philosophical discussion rather than narrative. He also said that the best Russian literature does not conform to standards and hence hesitated to call War and Peace a novel. Instead, he regarded Anna Karenina as his first true novel. According to the Encyclopædia Britannica, no single English novel attains the universality of Leo Tolstoy's War and Peace.

War and Peace graf Leo Tolstoy,Louise Maude,1998 Often called the greatest novel ever written, War and Peace is at once an epic of the Napoleonic Wars, a philosophical study, and a celebration of the Russian spirit. Tolstoy's genius is seen clearly in the multitude of characters in this massive chronicle--all of them fully realized and equally memorable. Out of this complex narrative emerges a profound examination of the individual's place in the historical process, one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed War and Peace in the same category as the Iliad To read him . . . is to find one's way home . . . to everything within us that is fundamental and sane.
