30 Things Every Woman Should Have and Should Know by the Time She's 30 Pamela Pamela Redmond Satran,The Editors of Glamour,2012-04-24 Featuring advice, wisdom, and observations from an array of prominent and beloved women, 30 Things Every Woman Should Have and Should Know by the Time She's 30 is an essential guide (and perfect gift) for women on the brink of thirty--and for those who are already there! Fifteen years ago, Glamour published a list of distinctive yet universally true must-haves and must-knows for women on the cusp of and beyond the age of thirty titled, 30 Things Every Woman Should Have and Should Know by the Time She's 30. It became a phenomenon. Originally penned by Glamour columnist Pamela Redmond Satran, The List found a second life when women began to forward it to one another online, millions of times. It became a viral sensation, misattributed to everyone from Maya Angelou to Hillary Clinton--but there's only one original list, and it stands the test of time. Quirky and profound, The List defines the absolute must-haves (#11: A set of screwdrivers, a cordless drill, and a black lace bra) and must-knows (#1: How to fall in love without losing yourself) for grown-up female happiness. Now, Glamour magazine has gathered together its editors and an incredible group of notable women to expand on each of the items on The List in wise, thoughtful, and intimate essays. Kathy Griffin meditates on knowing when to try harder and when to walk away. Lisa Ling explores the idea that your childhood may not have been perfect, but it's over, and Lauren Conrad shares what she has learned about what she would and wouldn't do for money or love. Other personal insights come from Maya Angelou, Rachel Zoe, Taylor Swift, Katie Couric, Portia de Rossi, Kelly Corrigan, ZZ Packer, Bobbi Brown, Padma Lakshmi, Angie Harmon, and many more. Along with essays based on The List, writers share their feelings about what the milestone of turning thirty meant to them. 30 Things Every Woman Should Have and Should Know by the Time She's 30 is the one book women of all ages will turn to for timely and timeless wisdom.

The 30 Rock Book Mike Roe,2021-11-30 The hilarious true story of the making of the cult classic hit show 30 Rock It's hard to remember a time when Tina Fey wasn't a star, but back in the early 2000s, she was an SNL writer who was far from a household name. It's even harder to remember when Fey's sitcom 30 Rock was tanking, but it was—it premiered in the fall of 2006, and by November, the New York Times wrote that 30 Rock was "perilously close to a flop." But despite all expectations (including those of some of the cast and crew), Tina Fey's eccentric buddy comedy lasted 138 episodes, spanning seven seasons. It resurrected the career of Alec Baldwin, survived an extended absence by Tracy Morgan, and permeated the culture— its breakneck pacing, oddball characters, and extremely rich joke writing are deeply beloved by millions of fans. Through more than fifty original interviews with cast, crew, critics, and more, culture writer Mike Roe brings to life the history of the gloriously goofy show that became an

all-time classic. The 30 Rock Book has everything in it, from tales of the amazing music still stuck in our heads, to the iconic bit characters that make the show, to all the love and drama of the backstage crew . . . and the creative failures and successes along the way. So grab your night cheese and muffin tops, cuddle up with your slanket against your Japanese body pillow, and settle in for the story of one of the funniest shows in television history.
