

Shirakawa

Kouko Shirakawa,Ayuko

Shirakawa Stan Flewelling, 2002 The White River Valley is part of a fertile crescent between Seattle and Tacoma, Washington, the largest metropolitan region in the Pacific Northwest. As the cities grew, the Valley was their breadbasket. Japanese migrants called the area Shirakawa, an exact translation of the English White River. They first arrived in the late 19th century and worked as itinerants, but some Japanese workers leased farms in the Valley and settled in. They brought wives from the old country and encouraged countless other fortune-seekers to follow. By the 1920s, the Japanese were the majority ethnic group in the Valley farm belt and over half of all Japanese farms in Washington State were in the White River Valley. Part community history, part anthology, *Shirakawa* details how the first-generation Issei overcame waves of organized opposition to forge a viable, cohesive community. It is the story of their efforts to develop job opportunities, family support systems, cultural outlets, community organizations, and centers for worship and education. Above all, it tells how they paved the way for their American-born children, the Nisei, and descendant generations to succeed as citizens and bring honor to their heritage. Out of this environment came leaders like Tom Iseri, chairman of the Japanese American Citizens League, Pacific Northwest District, and Gordon Hirabayashi, famed resister of the wartime incarceration of Japanese Americans. More than forty Nisei who grew up in the White River Valley were interviewed for the book, and their voices resound in its pages. Just as *Shirakawa* chronicles the growth of a community, it also examines its swift demise after Pearl Harbor. The government swept Issei leaders out of the community and into detention camps. *Shirakawa* follows their fate, using rare documents from the National Archives to try to understand the unwarranted allegations of subversion against them.

Tumultuous Times Masaaki Shirakawa, 2021 A rare insider's account of the inner workings of the Japanese economy, and the Bank of Japan's monetary policy, by a career central banker The Japanese economy, once the envy of the world for its dynamism and growth, lost its shine after a financial bubble burst in early 1990s and slumped further during the Global Financial Crisis in 2008. It suffered even more damage in 2011, when a severe earthquake set off the Fukushima Daiichi nuclear disaster. However, the Bank of Japan soldiered on to combat low inflation, low growth, and low interest rates, and in many ways it served as a laboratory for actions taken by central banks in other parts of the world. Masaaki Shirakawa, who led the bank as governor from 2008 to 2013, provides a rare insider's account of the workings of Japanese economic and monetary policy during this period and how it challenged mainstream economic thinking.

Nishi-Shirakawa-gun shi Nishi-Shirakawa, Japan. County office, 1915

The Cambridge History of Japan John Whitney Hall, Donald H. Shively, 1988 This volume provides the most comprehensive treatment in Western literature of the Heian period, the Japanese imperial court's golden age.

Tumultuous Times Masaaki Shirakawa, 2021-08-10 A rare insider's account of the inner workings of the Japanese economy, and the Bank of Japan's monetary policy, by a career central banker The Japanese economy, once the envy of the world for its dynamism and growth, lost its shine after a financial bubble burst in early 1990s and slumped further during the Global Financial Crisis in 2008. It suffered even more damage in 2011, when a

severe earthquake set off the Fukushima Daiichi nuclear disaster. However, the Bank of Japan soldiered on to combat low inflation, low growth, and low interest rates, and in many ways it served as a laboratory for actions taken by central banks in other parts of the world. Masaaki Shirakawa, who led the bank as governor from 2008 to 2013, provides a rare insider's account of the workings of Japanese economic and monetary policy during this period and how it challenged mainstream economic thinking.

The Devil's Music Master Sam H. Shirakawa,1992-07-02 From 1922 until his death in 1954, Wilhelm Furtwangler was the foremost cultural figure of the German-speaking world, conductor of both the Berlin and Vienna Philharmonic orchestras. But his decision to remain in Germany when the Nazis came to power earned him condemnation as a Nazi collaborator--The Devil's Music Master. 30 halftones.

A Story of Seven Lives: The Complete Manga Collection Shirakawa Gin,2023-05-23 Nanao used to be a house cat, but after tragedy struck, he was abandoned on the rough streets of Tokyo. Now, alongside his best friend and fellow stray Machi, Nanao has to fight every day just to get by. Aside from foraging for food and finding somewhere to sleep, Nanao and Machi must remain vigilant about all sorts of dangers, including humans who want stray cats gone. When a woman named Yoshino starts feeding the neighborhood cats, Nanao reluctantly bonds with her. But the woman has emotional scars and a past entwined with Nanao's. Can Nanao help her heal, and perhaps heal himself in the process?

Religion, Power, and the Rise of Shinto in Early Modern Japan Stefan Köck,Brigitte Pickl-Kolaczia,Bernhard Scheid,2021-04-08 This book sheds new light on the relationship between religion and state in early modern Japan, and demonstrates the growing awareness of Shinto in both the political and the intellectual elite of Tokugawa Japan, even though Buddhism remained the privileged means of stately religious control. The first part analyses how the Tokugawa government aimed to control the populace via Buddhism and at the same time submitted Buddhism to the sacralization of the Tokugawa dynasty. The second part focuses on the religious protests throughout the entire period, with chapters on the suppression of Christians, heterodox Buddhist sects, and unwanted folk practitioners. The third part tackles the question of why early Tokugawa Confucianism was particularly interested in "Shinto" as an alternative to Buddhism and what "Shinto" actually meant from a Confucian stance. The final part of the book explores attempts to curtail the institutional power of Buddhism by reforming Shinto shrines, an important step in the so called "Shintoization of shrines" including the development of a self-contained Shinto clergy.

Raven of the Inner Palace (Light Novel) Vol. 4 Kouko

Shirakawa,Ayuko,2023-09-28 A number of things are disappearing around the imperial estate--several prized silkworm cocoons are missing from the Hakkaku Palace, and Kajo gets pulled into a search for another mysteriously lost object. As these happenings occur, Jusetsu and Koshun continue their investigation into what truly happened in the past. Might a nameless ghost hold the key, or does the truth lie elsewhere?

Raven of the Inner Palace (Light Novel) Vol. 5 Kouko Shirakawa,Ayuko,2024-01-11 The imperial estate is abuzz with celebrations, but the once-lively Yamei Palace sits silently in its shadows. The Raven Consort is supposed to be alone, after all. In order to save Jusetsu from this forced solitude, Koshun chooses a difficult path: to free the goddess Uren Niangniang. With help from some unexpected sources, can Jusetsu break the barriers that confine her to the inner palace? And what will happen if she does?

Raven of the Inner Palace (Light Novel) Vol. 3 Kouko Shirakawa,Ayuko,2023-08-03 The Yamei Palace has become a much less lonely place--despite Jusetsu's predecessor's warnings--but the Raven Consort still cannot truly escape the emptiness in her heart. There's no shortage of visitors who come in the evenings to ask for her help, and tonight is no exception. A mystery within the Hakkaku Palace leads Jusetsu to come across the Eight True Teachings, a religion threatening faith in Uren Niangniang. Meanwhile, Koshun discovers a glimmer of hope that could free Jusetsu from the Raven once and for all. Will the two of them continue to work together?
