Sasa Kinome

Shizuka Martin Wood,2004-03 Shizuka tells of four generations of Japanese and Japanese-Americans and their lives in the great Central Valley of California. A chance meeting between Martin, a middle-aged Caucasian, and Pat, a young Japanese-American woman who knows little about the life of her pioneer ancestors, leads by mutual impulse into the wilderness of the Sierra Nevadas to a greatly revered but little-known, century-old gathering place for early Japanese settlers, Pat's ancestors. This is Shizuka. Austere and imposing, Shizuka (a place of tranquility) comes to life with the discovery of diaries, written in Japanese and dating from the 1890s. They describe a tight knit, dynamic family with close ties to early Yankee and Mexican settlers, yet the cryptic entries can do no more than whet the imagination. It is only the unfolding story of Kazuo Kono, the family's patriarch, that tells the true tale of Shizuka and of those who built it against great odds and were able, from time to time, to find tranquility there. Kazuo's origins in Meiji Restoration Japan, his immigration eastward to America, his establishing a family with Motome, his brilliant and passionate wife, and his agriculturally important contributions to his adopted country give warmth and texture to a virtually forgotten era and its obscure heroes.

Translucent Volume 4 Kazuhiro Okamoto,2010-08 Our penultimate Translucent collection finds Shizuka Shiroyama struggling with her first romantic feelings, a bully, a competitive theater department, and a disease that's literally turning her translucent! Shizuka tries to overcome her greatest challenge yet when she turns completely invisible, with the danger of never being able to revert back to a solid form again! She's overwhelmed with fear and becomes reclusive, but her best friend - the hyperactive, hopeful Mamoru - isn't one to give up easily, and he certainly won't give up on Shizuka. Mamoru's enthusiasm for life and silly realizations will prove to be as infectious to readers of this series as they are to Shizuka herself. If only we all had Mamoru tricksters to cheer us up! While coping with the unpredictable Translucent Syndrome, Shizuka is determined to follow her dreams and have some fairly normal school years... despite the odd problems that life throws at her and her friends.

Not a Song Like Any Other Mori Ōgai,2004-05-31 The literary writings of Mori Ōgai (1862-1922), one of the giant figures of the Meiji period, have become increasingly well known to readers of English through a number of recent translations of his novels and short stories. Ōgai was more than a writer of fiction, however. He has long been regarded in Japan as one of the most influential intellectual and artistic figures of his period, possessing a wide range of enthusiasms and concerns, many developed through his early European experiences. *Not a Song Like Any Other* attempts to reveal the full range of Ōgai's creative endeavor, providing trenchant examples of his remarkable range, from dramatist and storyteller to poet and polemicist, all translated into English for the first time. The first of seven parts, "The Author Himself," offers a variety of self portraits and other insights into Ōgai's character through his essays—laconic, ironic, detached—written over the course of his career. "Mori Ōgai in Germany" reveals his responses to living in Germany in the 1880s and seeing for the first time how his country was being interpreted from the outside. It includes his celebrated and spirited defense of his country, originally published in a German newspaper. "Mori Ōgai and the World of Politics" relates his uneasy reactions to Japanese society at a later phase in his career. The fourth section provides some of the first information available in English concerning his lifelong interest in painting and other aspects of the visual arts in the Japan of his day. Ōgai's theatrical experiments are briefly chronicled in Part 5. "Four Unusual Stories" offers new evidence of the range of the writer's interests and ambitions. The final section includes some of the first translations of Ōgai's poetry available in English. Contributors: Richard Bowring, Sarah Cox, Sanford Goldstein, Andrew Hall, Mikiko Hirayama, Helen Hopper, Marvin Marcus, Keiko McDonald, J. Thomas Rimer, Hiroaki Sato, William J. Tyler.

The Fine Art of Kimono Embroidery Shizuka Kusano,2012-12-03 Shizuka Kusano is one of the most admired and recognized textile artists in Japan today. With the publication of *The Fine Art of Kimono Embroidery*, readers in the West, as well, will come to know and appreciate her work for its great beauty and grace. Kusano's canvases are kimono, obi (the sash used to tie the kimono) and tapestries, on which she creates extraordinary compositions in brilliant color and subtle tones, with a rich contrast in textures. Her themes are drawn from Japanese poetry, literature and art, and feature such seasonal motifs as trees, flowers, birds, and streams, designs which are uniquely Japanese in sensibility and expression. Working exclusively with silk threads and fabric, and delicately balancing the use of space in her composition, Kusano's designs achieve the sophistication for which the best Japanese art is known. Selected works are shown here in full color with explanatory captions, while a separate section covers the primary techniques used on each piece. In addition, Kusano writes about how she came to be interested in embroidery and how she developed her art, providing commentary on her themes and sources of inspiration. She also includes an essay on the history of embroidery in Japan from the time it was introduced into the country from China in the sixth century up until the present.

Light From Uncommon Stars Ryka Aoki, 2021-09-28 Good Omens meets The Long Way to a Small, Angry Planet in Ryka Aoki's *Light From Uncommon Stars*, a defiantly joyful adventure set in California's San Gabriel Valley, with cursed violins, Faustian bargains, and queer alien courtship over fresh-made donuts. Hugo Award Finalist A National Bestseller Indie Next Pick New York Public Library Top 10 Book of 2021 A Kirkus Best Book of 2021 A Barnes & Noble Best Science Fiction Book of 2021 2022 Alex Award Winner 2022 Stonewall Book Award Winner Shizuka Satomi made a deal with the devil: to escape damnation, she must entice seven other violin prodigies to trade their souls for success. She has already delivered six. When Katrina Nguyen, a young transgender runaway, catches Shizuka's ear with her wild talent, Shizuka can almost feel the curse lifting. She's found her final candidate. But in a donut shop off a bustling highway in the San Gabriel Valley, Shizuka meets Lan Tran, retired starship captain, interstellar refugee, and mother of four. Shizuka doesn't have time for crushes or coffee dates, what with her very soul on the line, but Lan's kind smile and eyes like stars might just redefine a soul's worth. And maybe something as small as a warm donut is powerful enough to break a curse as vast as the California coastline. As the lives of these three women become entangled by chance and fate, a story of magic, identity, curses, and hope begins, and a family worth crossing the universe for is found. Rejection of Racial Equality Bill Shizuka Imamoto, 2018-06-27 Japan, as an ally of Britain since the signing of the Anglo-Japanese Alliance in 1902, entered the First World War at British request. During the war, Japan fought Germany in Asia and afforded protection to Australia. After the cessation of hostilities of the Great War, a peace conference was convened in Paris that commenced on 18 January 1919 and concluded on 28 April 1919, after some three and a half months of intense debate, discussions and negotiations among the representatives of various participating countries. Japan, as a victorious ally and as one of the Five Powers of the day alongside Britain, the US, France and Italy, participated in Paris Peace Conference. In the conference, Japan proposed the enshrinement of the principle of racial equality in the Covenant of the League of Nations. This Racial Equality Bill, despite the tireless efforts of the Japanese delegates, was rejected. Rejection of Racial Equality Bill contends that a number of factors converged to defeat the Japanese proposal. Resolute opposition by the Prime Minister of Australia William Morris Hughes to racial equality was the single most crucial factor that led to the rejection of the Japanese proposal.
