

Shooting Stars

Patricia Leavy

Shooting Stars LeBron James,2023-08-01 The celebrated memoir from LeBron James - a poignant, thrilling tale of the power of teamwork to transform young lives, including his own A book that will incredibly move and inspire you." –Jay-Z A heartwarming story of boys who became men, teammates who became brothers, players who became champions, wonderfully told through the maturing eyes of basketball's greatest star. – John Grisham Before LeBron James was an NBA superstar, he was just a kid from Akron, Ohio, who loved to play basketball on a team called the Shooting Stars. This is the story of how this motley group of ten-year-olds grew into a team and became men together - surviving the challenges of inner city America and enduring jealousy, hostility, exploitation, and the consequences of their own overconfidence in their quest to win a national championship. Shooting Stars is a poignant, thrilling tale of the power of teamwork to transform young lives.

Shooting at the Stars John Hendrix,2014-10-07 Shooting at the Stars is the moving story of a young British soldier on the front lines during World War I who experiences an unforgettable Christmas Eve. In a letter to his mother, he describes how, despite fierce fighting earlier from both sides, Allied and German soldiers ceased firing that evening and came together on the battlefield to celebrate the holiday. They sang carols, exchanged gifts, and even lit Christmas trees. But as the holiday came to a close, they returned to their separate trenches to await orders for the war to begin again. Award-winning creator John Hendrix wonderfully brings the story of the Christmas Truce of 1914 to life with his signature style, interweaving detailed illustrations and hand-lettered text. His telling of the story celebrates the humanity that can persist during even the darkest periods of our history.

LeBron's Dream Team LeBron James,Buzz Bissinger,2010-04-27 The inspiration for the Peacock Original Movie Shooting Stars A book that will incredibly move and inspire you." –Jay-Z An entertaining, well-written reminder that even if he seems to have been around forever, James didn't go directly from the nursery to the NBA." –Sports Illustrated The dream team was a bunch of kids from Akron, Ohio - LeBron James and his best friends - who first met on a youth basketball team of the same name when they were ten and eleven years old. United by their love of the game and their yearning for companionship, they quickly forged a bond which would carry them through thick and thin (a lot of thin) and, at last, to the brink of a national championship. They were a motley group who faced challenges all too typical of inner-city America. LeBron grew up without a father and had moved with his mother more than a dozen times by the age of 10. Willie McGee, the quiet one, had left both his parents behind in Chicago to be raised by his older brother in Akron. Dru Joyce was outspoken, and his dad, who was ever-present, would end up coaching all five of the boys in high school. Sian Cotton, who also played football, was the happy-go-lucky enforcer, while Romeo Travis was unhappy, bitter, even surly, until he finally opened himself up to the bond his team mates offered. In the summer after seventh grade, the dream team tasted glory when they qualified for a national championship tournament in Memphis. But they lost their focus, and had to go home early. They promised each other they would stay together and do whatever it took to win a national title. They had no idea how hard it would be to pursue that promise. In the years that followed, they would endure jealousy, hostility, exploitation, resentment from the black community (because they went to a white high school), and the consequence of their own over-confidence. Not least, they would all have to wrestle with LeBron's outsize success, which brought too much attention and even a whiff of scandal their way. But together these five boys became men as they sought a national championship.

Shooting Stars Patricia Leavy,2020-09-25 Shooting Stars is a novel about walking through our past traumas, moving from darkness to light, and the ways in which love – from lovers, friends, or the art we experience – heals us.

Shooting Stars Allison Rushby,2012-02-28 Everyone agrees that the paparazzi are the scourge of the earth. They're low. They're despicable. They'll do anything for that perfect shot. And yet...how long could you go without your Us Weekly fix? Meet Josephine Foster, or 'Zo Jo as she's called in the biz. The best pint-sized photographer of them all, Jo knows that the public-and the stars-have a symbiotic relationship with the paparazzi. She doesn't mind doing what it takes to get that perfect shot, until she's sent on a major undercover assignment to shoot Ned Hartnett-teen superstar and the only celebrity who's ever been kind to her-at an exclusive rehabilitation retreat. The money will be enough to pay for Jo's dream: fine portrait photography classes, and maybe even quitting her 'zo gig for good. Everyone at the retreat wants to know: what Ned's in for? But Jo certainly doesn't know what she's in for: falling in love with Ned was never supposed to be part of her assignment . . .

The Shooting Star Shivya Nath,2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, The Shooting Star is a travel memoir that maps not just the world but the human spirit.

The Trouble with Shooting Stars Meg Cannistra,2019-08-20 "A story brimming with hope and sparkling with magic. Meg Cannistra's writing shines as bright as any shooting star." –Cassie Beasley, author of Circus Mirandus "Loving, imaginative, and gorgeously written, this book shines with magic and heart." –Anne Ursu, author of The Lost Girl Wonder meets Mary Poppins in this heartfelt debut novel about magic, healing, and the importance of family. Twelve-year-old Luna loves the nighttime more than anything else. It's when no one gives her "that look" about the half mask she has to wear while healing from a disfiguring car accident. It's also the perfect time to sit outside and draw what she sees. Like the boy and girl from the new family next door...zipping out of the window in a zeppelin and up to the stars. At first she thinks she's dreaming. But one night they catch her watching. Now Luna spends her nights on adventures with them, as they clean full moons, arrange constellations, and catch jars of stardust. She even gets to make a wish on a shooting star they catch. But Luna learns that no wish is strong enough to erase the past—as much as she may hope to.

Shooting Stars Kristen Rajczak Nelson,2012-08-01 Explains what shooting stars are, how they are formed, and when the best times to watch them are.

Barbie Karen Stillman,Victoria Saxon,1998 A STORY OF BARBIE AS AN ASTRONAUT.

Shooting Stars Stefan Zweig,2014-12-02 Ten turning points in history, vividly sketched by the great Stefan

Zweig, in a new translation by the award-winning Anthea Bell One of the twentieth century's great humanists and a hugely popular fiction writer, Stefan Zweig's historical works bring the past to life in brilliant Technicolor. This collection contains ten typically breathless and erudite dramatizations of some of the most pivotal episodes in human history. From General Grouchy's failure to intervene at Waterloo, to the miraculous resurrection of George Frideric Handel, Zweig's selection is idiosyncratic, fascinating and as always hugely readable.

Shooting Stars Mitzi Larson, 2014-03-22 Seventeen-year-old Kanidie (Kandi) Levinson has many unusual gifts. Her father, for the first twelve years of her life, exploited these gifts under threat of a knife while Kandi suffered from incessant bullying, social ineptitude, and nightly terrors that plagued her every waking thought. Her father now in prison, Kandi lives with her abusive uncle and spends most of her time in therapy and school. For five years she has refused to speak a word. Juan Chavez, a seventeen-year-old former gang member, arrested at sixteen for killing his father in defense of his alcoholic mother, was confined in a mental hospital for eighteen months before his release to his grandparents' custody to attend a secure high school for the mentally and physically disabled. There, he meets an enigma named Kandi, whom he perceives is hiding a grievous secret the school counselor is trying to expose. After some clandestine investigation, Juan discovers that Kandi's past is more disturbing than he could have imagined. When Kandi's father escapes from prison, Juan realizes she is in danger and decides he will do whatever it takes to protect the girl who won't talk. In *Shooting Stars*, Kandi and Juan must battle against a force, seen and unseen, that could cripple the entire human race and alter what it means to be human, as Kandi is perpetually faced with the question of not only who she is... but what.

Shooting Stars of the Small Screen Douglas Brode, 2010-01-01 Since the beginning of television, Westerns have been playing on the small screen. From the mid-1950s until the early 1960s, they were one of TV's most popular genres, with millions of viewers tuning in to such popular shows as *Rawhide*, *Gunsmoke*, and Disney's *Davy Crockett*. Though the cultural revolution of the later 1960s contributed to the demise of traditional Western programs, the Western never actually disappeared from TV. Instead, it took on new forms, such as the highly popular *Lonesome Dove* and *Deadwood*, while exploring the lives of characters who never before had a starring role, including anti-heroes, mountain men, farmers, Native and African Americans, Latinos, and women. *Shooting Stars of the Small Screen* is a comprehensive encyclopedia of more than 450 actors who received star billing or played a recurring character role in a TV Western series or a made-for-TV Western movie or miniseries from the late 1940s up to 2008. Douglas Brode covers the highlights of each actor's career, including Western movie work, if significant, to give a full sense of the actor's screen persona(s). Within the entries are discussions of scores of popular Western TV shows that explore how these programs both reflected and impacted the social world in which they aired. Brode opens the encyclopedia with a fascinating history of the TV Western that traces its roots in B Western movies, while also showing how TV Westerns developed their own unique storytelling conventions.

Shooting Stars Atiya Rifat, Owais Parry, 2021-02-27 Life is a journey; where we live and we love till we die. All the journey revolves around dreams and wishes, under a sky full of shooting stars. So believe in yourself and make wishes without thinking or questioning whether these wishes get fulfilled or get burnt to disappear like shooting stars. The book *Shooting Stars* is an anthology based on the theme of life and love. It is the collection of multiple genres written by 60 amazing writers that show different looks of life and love with different dairies and different emotions. It's so interesting as it's all about life and love as life is incomplete without love and everyone lives life and loves something or someone. We all have emotions and feelings. In nutshell, life is full of stories where some are complete in themselves and some end up with a broken and unfulfilled notes of love. This book is compiled by Atiya Rifat with collaboration of Supriya Ghodgerikar under the guidance of Himani Satpalkar working with other 60 soulful writers.

Shooting Stars Paul Buchanan, Rod Randall, 1998 When thirteen-year-old Willie applies for a job as a stuntman on a movie set, he finds himself following a series of wrong paths which get him into a succession of misadventures.

Shooting Stars Martha E. H. Rustad, 2017-08-01 Shooting stars are amazing, bright streaks of light, but there's more to them than meets the eye! Simple text introduces readers to the science behind shooting stars. Including what a shooting star is really made of, how they are able to shine so bright, and when readers are most likely to see them.

Shooting Stars Clayton Zane, 2011 The Beatles sang All you need is love, but whatever happened to sex, drugs and rock 'n' roll? For one young Sydney musician, life is like a shooting star - fast and beautiful. He has unparalleled talent, a record contract with his band, and after fleeting relationships with a parade of gorgeous girls, he has finally met the enigmatic girl of his dreams. But love isn't always written with four chords and a major key, and soon he finds himself heartbroken in his very own fairytale. *Shooting Stars* is touching, raw, humorous and sexual, guided by a motley group of youths inspired by the messages of famous musicians. Our hero learns that love often only exists in the gaps between us, almost within reach. With this in mind, he sets out to make his mark and climb to a dazzling height. From there, the fall will look spectacular.

Alice's Shooting Star Tim Kennemore, 2009-03-23 Middle sister Alice helps her family recognize that her exuberant younger sister Rosie's accounts of her day are creative stories rather than lies.

A Season of Shooting Stars Dhaval Rathod, 2019-02-11 No one ever only gets the daylight. This night sky is ours too. Let's claim it and light it up! *A Season of Shooting Stars* is a constellation of verses pulled together to adorn the night sky of our lives and affect our souls in a positive and empathetic manner. The poems explore an array of deeply felt emotions like love and its light, heartbreak and dealing with it, and healing. They also address a range of themes like the universe and its unmistakable methods, God and His expectations, life and its partnership with us, this world and our indisputable place in it. For the purpose of enhanced stargazing, the book is divided into five skies – Heart, Universe, God and Life. The fifth one is your soul.

A SHOOTING STAR WALLACE STEGNER, 1961

Shooting Stars Franklyn M. Branley, 1991 Explains what shooting stars are, what they are made of, and what happens to them when they land on Earth.
